Christmas Activities at Deerfield Church

The Christmas Cantata was sung by the choir of the Deerfield Presbyterian Church while the soft light of candles glowed in each window. Mr. Thompson, famous tenor of the Glenfay Quartet was soloist at this vesper service.

An original interpretation of the Christmas celebration was given in the morning when the sermon was interspersed with Christmas hymns by the congregation. Dr. William Weir, the minister, has brought new life to the church which was filled for both services.

Next Sunday Dr. Weir will give a review of the events of the past year with a Christian interpretation and a look into 1934.

A week from next Sunday evening Frederic B. Fulton, noted attorney, a member of the board of trustees of the Presbyterian Seminary, and also a member of the board of trustees of the Christian College of Education in Chicago, a former president of the Presbyterian Union, master of toastmasters in Chicago, will speak on "The Lawyer's Viewpoint of Christian Church."

Mr. and Mrs. Stanger Married Fifty Years

Mr. and Mrs. George Stanger celebrated their fiftieth wedding anniversary yesterday at their home on Forest Avenue, Deerfield, holding open house for their many friends and relatives.

The Stangers have been life-long residents of this vicinity and are both members of pioneer families who came to settle in America. In 1832 Daniel Stanger, the father, was the first German to settle north of Chicago and one of the three white men in this vicinity. Mrs. Stanger was Ida Rockenbach, daughter of Mr. and Mrs. Philip Rockenbach. Her father came to America in 1841.

Mr. and Mrs. George Stanger moved to the village in 1907. They have three children, Mrs. Edna Orsborn and Floyd Stanger of Deerfield and Lester Stanger of Highland Park.

Fifty years ago the snow was so deep that guests attending their wedding drove through fields and over fences when snow drifts in the roads made them impassible.

George Rockenbach, now aged 92, was one of the wedding guests in 1833, and paid his respects to the Stangers on their golden wedding anniversary.

Deerfield Rotarians Hear Dr. W. F. Weir

Dr. W. F. Weir was guest speaker at the Deerfield Rotary Club Thursday and his talk on Christmas was greatly enjoyed. Harold Vant, acting as Rotarian of the day, introduced the speaker. It was the annual Christmas-tide party and the members exchanged Christmas gifts. They were gathered up after the meeting and taken to the Dorcas Home.

E. B. Jordan was presented a past president's gift, and Mrs. W. F. Weir also received a gift in appreciation of luncheons served to the Rotarians when they were meeting at the Deerfield Tea Room of which she was manager.

Fire Department Is Called on Christmas

The fire department was called out Christmas morning to put out a fire at the Stanley Antes home on Division Street. The Antes family was away at the time. The fire was discovered by Mrs. Harry Clavey, who turned in the alarm. Fire Chief Jack Johnston stated that the fire was due to sparks from the chimney igniting the roof. The damage was small, estimated at \$15, but that it might have been a serious fire had it not been discovered.

The other call came from the Victors who reside in the Steffes house across from the Holy Cross Catholic Church. The fire was in their garage and they had it under control before the fire department arrived.

Deerfield School Is Scene of Operetta

"The Magi's Gift" was presented by children of the Deerfield Grammar School Friday evening under the direction of Miss Virginia Engels at the December meeting of the Deerfield Parent-Teacher Association.

The operetta was a most colorful interpretation of an old English Christmas with beautiful old carols and folk dances. The parts of Elsie and Morley, enacted by Mary Janis and Tom Weinstock, were well received and showed diligent preparation.

LOOK for SAVINGS in the HEAT you get from a fuel—not in the price per ton!

● When you select your fuel—here is a reliable rule to follow: order the fuel that gives you most heat for your money. Waukegan Koppers Coke is practically all carbon—the substance that produces heat. The carbon content of Waukegan Koppers Coke burns almost completely—makes no dust, smoke or soot—leaves few ashes. The economy of burning Waukegan Koppers Coke is in its heat producing qualities—its absolute cleanliness—and its ease of control. Try it in your heating plant now! There is an economical size for your requirements.

Free heating plant inspection

Are you sure your heating plant is giving you efficient service? It will cost you nothing to find out! Simply telephone your fuel dealer and ask to have a service man make a thorough inspection of your heating plant. There is no cost or obligation to you. Why not call today!
