Boy Scout News... CAMP RECRUITING PLAN CALLS ATTENTION... The Paul Bunyan Club, revised as an Old Campers (Ma-Ka-Ja-Wan) association and also for prospective campers, has "caught on." This is one of the biggest single camp recruiting plans devised by any cell anywhere.

There are now 182 members of the Paul Bunyan Club with 124 already registered for camp next summer; some for two periods and a few for three periods. The Paul Bunyan Club has received complete information on this Paul Bunyan Club in order that it may be passed on to all other camps in the region, comprising Illinois, Wisconsin, Indiana and Michigan.

The above registration of Scout for camp as of Dec. 31, 1933 is the number registered for May 23, 1934 for summer camp of 1933.

It looks like a bigger camp than ever for 1934 with more Scouts, the best of leadership and an even better program than 1933.

Scouts are hereby notified that registration for camp now saves fifty cents from the camp fee. There is a saving of this amount for each period for which the Scout registers.

SCOUT BUSINESS LOOKING UP... Nineteen Hundred and Thirty Three was a good year in Scouting in the North Shore Area, but 1934 from present perspective looks even brighter. This is because of the registrations of new Scouts in December has brought the total number of Scouts to 1279. This is a number which includes well over 100 Sea Scouts there are 370 Cubs in seventeen packs. Well over 300 men are serving these boys as registered leaders and all towns in Lake County, Wis., and Scout Leaders beyond the 2000 mark.

"HATS OFF TO TROOP 71"... Troop 71 of Libertyville, with Scoutmaster Melvin H. Hoff, has now twenty-two boys registered for next summer's camp, and plan definitely on full 100 per cent of these boys. This is something to shoot at! Congratulations Melvil and Scouts of Troop 71!

DIAMOND LAKE CABIN... It is possible that some troops do not realize that there is another cabin available to Scouts and Leaders for week-ends and over-night camping. This is located at Diamond Lake and is the property of a group of citizens of Libertyville, who are permitting Scouts this use. Thirty sleeping cots are being placed in the cabin this week. Scoutmasters interested should get in touch with Scout headquarters.

"CABIN IN THE WOODS"... The "Cabin in the Woods" is now completely repaired. The fire-place has been replaced with new lumber and fifty sleeping cots are available.

The Cabin has been in use almost constantly since it has been repaired and this coming week-end is "booked." Troops desiring to use the Cabin should get in touch with Scout headquarters early for a definite reservation. This popular place will now be in use more than ever.

ATTENTION ALL SCOUTS AND SCOUTMASTERS... The big all-area Court of Honor will be held Friday, Feb. 9, during anniversary week. All high awards to Scouts, Sea Scouts and Leaders will be made on that date. Every unit should determine now to be a recipient of one or more awards.

The President, Franklin D. Roosevelt, and the President, Henry Fowler awards will be made at this meeting.

ANNUAL MEETING FRIDAY, FEB. 9... The All-Area Court of Honor will be combined with the annual meeting of the council on Friday, Feb. 9. This is indeed a Red Letter day for Scouting.

Lost 30 Pounds of Fat in 3 Months

Dizzy Spells Gone... "To-day I started my 4th jar of Kruschen. First I must tell you I lost 30 lbs. in 3 months. I still wish to lose 25 or 30 lbs. I weighed 184 now I weigh 159. Do I feel good—boy can I say I feel better than I've felt in 10 years. Everything was wrong with me from headaches to backaches, my arms and hands would fall asleep at any time. They don't anymore. I used to have dizzy spells. Don't any more. Heartburn was so bad I couldn't eat or sleep. Don't have it any more." Mrs. Arthur Willette, Ferndale, Mich., Aug. 27, 1933.

Fat folks should take one half teaspoonful of Kruschen Salts in a glass of hot water in the morning before breakfast—it's the SAFE, HARMLESS way to reduce as tens of thousands of men and women know.

For your health's sake ask for and get Kruschen at any drugstore—the cost for a jar that lasts 4 weeks is not more than 45 cents and if after the first jar you are not joyfully satisfied with results—money back.

When you take your little daily dose of Kruschen you'll be joyfully free from constipation—you'll gain that glorious Kruschen feeling—no more headaches, acidity, gas, or shortness of breath—no more nervousness or sleepless nights.

Don't Buy Bulk! Buy HEAT—and save money on your fuel costs... Fuel bulk is not heat! The heat a fuel is able to produce comes from burnable elements in the fuel. With ordinary fuels, much of the bulk is sheer waste—for it will not burn. If you burn Waikagan Koppers Coke, you get more heat with fewer tons! For here is a fuel that is almost all carbon—the heat producing substance. The few ashes left by Waikagan Koppers Coke are proof of its complete burning quality. It leaves only a small part of the ashes left by ordinary fuels. Waikagan Koppers Coke not only eliminates waste—but it makes no dust, smoke or soot—is easy to regulate—needs less attention. Ask your fuel dealer to send you a trial load. You'll find it heats your home more efficiently—and economically!
