Girl Scout News

Highland Park Girl Scouting during the past year had not been spectacular, but has shown a definite and steady growth in a very simple way. Troops progressed regularly, and have built a firm foundation of good scouting. There are in the village, six troops and one pack. Two of these troops are far too large and should be divided. This cannot be done, however, because there is a lack of meeting places. Two troops meet at Lincoln School, two at Bresside School, one at the Presbyterian Church, and one at the Community Service Hall. The one Brownie pack meets at Trinity Church. A second pack was disbanded because no meeting place could be found for the children. Eight well trained leaders work with these groups. Meeting in the various groups are about 200 girls.

During the past year, from January 1933 to January 1934, there have been seven training courses available to the leaders. Six under the direction of the council director, Miss Groben, and one with Miss Kay Frances from national headquarters. Each month there has been a meeting of Brownie leaders, and one of Scout leaders for the discussion of troop problems and the exchange of ideas.

The council, a group of women from Highland Park, Glencoe and Winnetka, sponsors the program for the entire area. A local committee headed by Mrs. B. K. Goodman takes charge of the local work.

The Brownie program is for the little girls from seven to ten years of age. Group games are played, fairy tales told and dramatized, simple household duties taught and practiced, handicraft articles and gifts made, the birds, trees and flowers in the vicinity studied and a sense of honor and good sportsmanship learned. The Brownie program turns chores into fun and excess energy into useful channels. It helps the child adjust herself to a group through work and play.

The Girl Scout program aims to give high standards of conduct, right standards of living, cultural hobbies that may lead to vocations, pleasant comradeship, and a sense of community responsibility. This is accomplished through play and

Tells How Men and Women Lose Fat

Safe Way is Wonderful

"I started to take Kruschen and my husband saw what I was doing and asked for some also. Would you believe it, he's lost 12 lbs. in 3 weeks and intends to keep up the good work. I've lost 14 lbs. I am now 120—I was 133, I think Kruschen is simply wonderful."

Mrs. J. H. Valentine, Freeport, N. Y.

How would you like to safely and harmlessly lose 15 pounds of fat in a month and at the same time increase your energy and improve your health?

How would you like to lose your double chin and your too prominent hips and abdomen and at the same time make your skin so clean and clear that it will compel admiration?

Get on the scales to-day and see how much you weigh—then get a jar of Kruschen Salts that costs not more than 80 cents and which will last you 4 weeks. Take one half teaspoonful in a glass of hot water every morning before breakfast—cut down on pastry and fatty meats—go light on potatoes, butter, cream and sugar—and when you have finished the contents of this first bottle weigh yourself again.

After that you'll want to walk around and say to your friends, "One jar of Kruschen Salts is worth one hundred dollars of any fat person's money."

But refuse imitations—safeguard your health—you lose fat SAFELY with Kruschen. Leading druggists America over sell Kruschen Salts.
