

Library Notes

Interesting items of the early history of Highland Park are coming to light as old papers, manuscripts, pictures, etc., are being catalogued and put in order in the new Historical Room now undergoing completion in the library by the Civil Works Administration.

Sixty years from now will our local records show life in Highland Park as simple as it was sixty years ago when each householder lighted the street in front of his home and provided his own ladder for the local firemen? The following excerpts are taken from the first book of council proceedings of the City:

Street Lighting
December 4, 1874.

"To the Honorable City Council of the City of Highland Park:
"The undersigned respectfully report to your honorable body that they will and do hereby agree to furnish to the City for public use and ownership one street lamp and post each, and to set the same provided the City will agree to furnish the oil or whatever lighting material shall be used in said lamps and provide and pay for the lighting, extinguishing and the entire care of the same and they further hereby respectfully petition your honorable body to pass an ordinance setting forth and ratifying the above agreement." (Signed).

July 31, 1876
"It was voted on motion of Ald. Burdick seconded by Ald. Moses that the Street Commissioner be instructed to obtain a list of the names of all parties who have not yet paid for their street lamps and after giving ten days' notice, remove all that are not then paid for.

August 28, 1876
On motion of Ald. Platt seconded by Ald. Hall it was voted that what ever street lamps should remain unpaid for on Thursday 31 should be positively removed.

Sunday Observance
August 9, 1878
Ald. Cole offered the following resolution:

"Resolved that this Council cannot consent to violate the public Christian sentiments of the citizens of Highland Park by consenting under any circumstances that the picnic grounds belonging to the City shall be occupied by pleasure parties on the Sabbath."

The above resolution was adopted. Ald. Plummer moved that certified copy of Ald. Cole's resolution be forwarded to the Acme Pleasure Club of Chicago. Seconded and carried.

Community Recreation
October 28, 1878
Moved by Ald. Plummer that the Council allow the young people of Highland Park to use the Council Room for ten evenings (more or less) during the coming winter for the purposes of holding pleasure parties—the compensation to be two dollars per night, fuel and light included. Seconded and carried.

Fire Protection
May 30, 1870
The committee on "Fire and Water" offered the following report:
"Your Committee on Fire and Water recommend that the City buy two of "Babcock's" fire extinguishers, one to be kept at the Hotel and one at the Highland Park Building Company's store. Also that each owner of a house in the City be compelled to buy a ladder to be kept at his house."

Public Nuisances
May 26, 1878
Ald. Morgan moved that the nuisance on Elm Place regarding cows running at large during the night be referred to the Streets and Alleys Committee with power to abate. Motion seconded and carried.

June 24, 1878
An ordinance regarding the running at large of cows and other animals was presented and Ald. Dooley moved to lay the same on table. Seconded by Finney. The vote being a tie, His Honor, the Mayor voted "nay."

Ping-Pong Matches To Be At St. James Church

There will be an open ping pong championship held at St. James Hall at North avenue, Highwood, Saturday afternoon and evening, April 7. The events will be boys' singles (16 years and under), men's singles (open), women's singles, and men's doubles. Suitable prizes will be awarded to the winners.

There will be a special feature exhibition match in the evening at 8 o'clock. The Japanese champion and Douglass Kittermaster, one of the outstanding players in the Chicago district, will play a five-game series.

Entries should be sent to Raymond Sheahan, city hall, Highland Park, phone 800. Those entering should be at St. James Hall at 7 o'clock on Saturday, April 7.

Style Show April 4
An outstanding social event of the season is a luncheon, given by the ladies of the Altar and Rosary Society, on Wednesday, April 4, at 1 p.m. at the Holy Cross parish hall in Deerfield.

The luncheon, a masterpiece, by the culinary artists of which this society boasts, is worth the price of admission alone. However, the ladies are offering as an added attraction, five door prizes; artistic individual table prizes for the card games which will follow the luncheon; and as a special feature for the afternoon, a style show at 4 p.m. There will be a showing of morning frocks and childrens cotton suits by the Olendorf Dry Goods Store; and spring styles in sport suits and afternoon dresses by Garnetts of Highland Park.

The ladies in charge extend a cordial invitation to all the ladies of the parish and their friends. Because of limited space the hostesses are asking all who plan to attend to make reservations in advance if possible. The tickets are in charge of Mrs. Eugene Zahnle, Mrs. J. J. Rink and Mrs. Alex Willman.

Highwood Boosters Hold Annual Dance

The Highwood Boosters will hold their second annual dance Wednesday, April 4, at St. James hall, Highwood. Music will be furnished by two bands V. Lenzi's orchestra and Tripoli Trio.

The purpose of this dance is to raise funds to provide for the coming season of athletics. It will be remembered that the Boosters are noted for having the strongest teams in the county. It is hoped that the people will help by attending this dance.

Mr. Peter Chioni, dance chairman states: "All those attending this dance will be assured an enjoyable evening." Dancing will be from 9 to 1 o'clock. Be a good Booster and help boost this dance for the boys. There will also be four prizes awarded during the evening.

Educational Tour Offered For April 12

The educational tour offered by the YWCA for Thursday, April 12, is an outstanding offer. Complete details were given in last week's paper. The tour is one price, but does not include supper. For those that wish to eat in Chinatown may have that opportunity. However, to make a more economic tour, those wishing to take their own sandwiches, may do so and eat in the bus. Many points of interest will be visited. If you have seen them once, you could not have seen it all, each time there is something new and interesting to see.

A deposit must be made with each registration at the YWCA. Tour is limited to thirty.

Ald. Morgan then moved that the ordinance be referred to the Judiciary Committee. Motion seconded by Ald. Cole and carried.

Seventh-Eighth Grade Club of Y Is Active

A 7th and 8th grade girls club was organized at the Y.W.C.A. the last week in September with Miss Skidmore advisor. Some of the activities of this club have been a Halloween party, weiner roast, scavenger hunt, kids party, visit to Dorcas Home, Christmas party, stunts, hikes and a valentine party. Plans are now under way for a musical review, boy friend party, progressive dinner, mother and daughter banquet, suppers and hikes.

Classes of the North Shore Art League are starting a new term this week and according to the work being done by the various groups, it seems that great progress has been made and that the goal toward which the league is aiming is rapidly being reached. The fine spirit of the children's group on Saturday morning under the direction of Hope Dagenhart was culminated in a Pantomime, "The Elves and the Shoemaker" last Saturday morning, when the old term was finished. These children being most versatile, not only paint, draw and model, but made their own masks for the play and planned their costumes. Their work was on exhibition. The second group, the Juniors work under the able leadership of Edna Stevenson Johansen, painting and drawing from the model.

The third group under the direction of Mrs. Elizabeth Peyraud whose fine painting and long experience along art lines is well known hereabouts. Her group is composed of adults, who find it convenient to paint on Saturday mornings.

Mr. Allen Philbrick conducts a class in painting on Tuesday and Wednesday in the leagues studio and James Cady Ewell teaches modeling to a group of enthusiastic workers on Monday mornings. Thursday and Friday a group of Art League members paint from the model un-
