

**Annual Flower Show
at Navy Pier, Chicago,
from April 7 to 15**

Chicago, great in many things, can claim also the greatest of garden and flower shows. The Garden Club of Illinois, which will hold its eighth annual show at the Navy Pier, April 7 to 15, announces that the exposition, occupying approximately 100,000 square feet of floor space, is the largest in the United States.

In the past, this show has attracted an attendance of 15,000 persons daily. The attendance this year, with "better times" reviving the public's interest in gardening and the subject of home beautifying in general, is expected to be greater than ever before.

Reports from the 141 federated clubs of Illinois indicate that the competitive exhibits will be unusually fine. The Allied Florists, commercial growers and owners of many great estates near Chicago and other Illinois cities, are preparing also for the finest displays they have ever brought to the show.

The Navy Pier, because it offers one vast room large enough to stage

the show with ample space for every exhibit and still leave wide promenades for the comfort of the visitors, has been chosen for the third time as the scene of the show. All who have attended the show at the Pier in the past, will remember the magnificent effect presented by the long double row of indoor gardens and bright cut flower exhibits, stretching away from the front entrance as far as the eye can reach.

As before, many actual gardens with grass, blooming flowers, shrubs and even small trees, growing in tons of transplanted soil will be created as exhibits in the exposition.

Mrs. O. W. Dynes, president of the Garden Club of Illinois, said to-

day: "We are trying to make this show the finest thus far and all of our flower shows have been fine. The home gardener who visits the show in search of ideas will find them, many and excellent. Those who go with the idea of enjoying the beauty of flowers and artistically charming landscaping effects will also be well repaid."

**Next Bird Hike Will
Be Held Next Tuesday**

On Saturday, March 31st, the Prairie Club of Chicago, will hike along the North Shore leaving Davis Street, Evanston, at 1:47 p. m. on the Northwestern, arriving at Braeside at 2:11 p. m.

The walk of 6 miles lead by Merrill Ormes and committee representative Rev. John F. Lyons, will be through the forest preserves and fields west and north to Ravinia, east to the lake and south along the beach. There will be a pleasing variety of woods, meadow, charming suburb and beach on this hike.

Mr. Bonetti Guest Artist
Dario C. Bonetti and his popular orchestra will furnish the music on the program sponsored by the Cuore Arte Dramatic Club of Highwood on Sunday evening, April 1, at the Oak Terrace School, Highwood.

**Euterpe Ball Here
Will Be Informal**

The Euterpe Mandolinistic Ball to be held in the Odd Fellows Hall in Highland Park April 15 for the members of the club is to be informal instead of formal as previously announced. This affair marks the climax of this season's activities, and is given in recognition of the co-operation of each member in the last presentation of the organization.

The mandolinistic section is planning a concert in the very near future which will be directed by Dario C. Bonetti, who is the founder and instructor of this group. He

promises a bigger and better concert for the future.

The vocal section plan to present an interesting popular operetta early next fall, the title and cast to be announced later.

The club wishes to thank the public for the splendid ovation displayed at the last concert, and The Press for its co-operation.

**TO THE VOTERS OF
LAKE COUNTY**

I appeal to your good judgment when you cast your vote for County Treasurer on April 10th.

Having had 7 years training in tax collection work, enables me, and gives me the ability to handle the complex duties of the County Treasurer's Office.

This should convince you that I can run the office more economically than one who has less experience and thereby save the Taxpayer additional expense.
