JOHN J. HOGAN

Hogan Begins Career of Service Early in Life

Waukegan World War Vet Draws Major Support for County Treasurer Post

That John J. Hogan will receive support of a major kind in his race for county treasurer on the Republican ticket is attested by the many expressions of support for the former Waukegan city treasurer that are heard throughout the county.

Hogan, a life long resident of Lake County and Waukegan, got the service idea early in life. He began as a grocery boy with Reardon & Wall, and later was with the Warren Grocery. Thus as a boy he acquired an extensive acquaintance.

Served in Trenches, Too.

During the World War Hogan was a volunteer with Company I, 130th Infantry in the 33rd Division. He attained the rank of sergeant.

In 1931 he was elected treasurer of Waukegan for a two year term, an office to which re-election is prohibited by statute. Previously he was with the Hewes Motor Company for 14 years.

The candidate is a taxpayer, owns his own home in Waukegan where he resides with his two daughters.

John J. Hogan is proclaimed by his friends to be dependable, qualified and trustworthy. —adv

Mr. Dolan A Democratic Aspirant for Congress

Thomas F. Dolan is an independent Democratic candidate for the congressional nomination in the 10th district in next Tuesday's primary election.

Mr. Dolan has served for a number of years in the federal income

tax department at Washington. A former overseas K. of C. secretary, he was active in organizing the American Legion. He is a resident of Evanston.

H. A. Jung Talks on Communism in Clubs

Last Monday evening H. A. Jung of the American Vigilant Intelligence Federation spoke at the Lincoln School on Communism in our clubs and civic organizations. He revealed the manner in which lobbying is carried on by our legislative bodies by an underlying coordination of various allied women's clubs. He also explained why the majority of speakers appearing at women's clubs and Y.W.C.A. meetings chose as their topics the subject of "Pacifism."

The sponsors for these lectures wish to announce that it is not their intentions to conduct a forum as the auditorium is engaged on a time

basis which does not permit of lengthy discussions.

The American Vigilant Intelligence Federation announces that it is now taking orders for a new book written by Mrs. A. W. Dilling, the title of which is "The Red Network." It is said to contain a dictionary of 1300 names of "Who's Who" in subversive work. Books may be obtained by calling H. P. 1046.

The subject of the third meeting

of this series of lectures to be held at the Lincoln School Monday evening April 9, is "Tribulations in the Temple," a treatise on the deviations in the preaching of Christ and Him crucified, in the liberal churches of today.

By marrying him!
