IN the spring—more than at any other time—you need an easily regulated fuel. If your fuel fails to respond to checking—heat is wasted and your home is too hot. Or—if the weather turns cold suddenly and you need more heat—your fuel must respond to draft regulation to keep your home comfortable. Waukegan Koppers Coke not only holds a fire when checked—but it gives you more heat quickly when it is required. Your demands for any quantity of heat are obtained easily if you burn Waukegan Koppers Coke. Call your fuel dealer now for a supply.

**Cuore Arte Dramatic  
Club Presents Play**

The Cuore Arte Dramatic Club of Highwood presented a successful performance of "Il Nostro Possimo" (Our Neighbor) . . . at the Oak Terrace School on Sunday evening, April 1.

The plot taking place in a Village of Emilia at a mission-like parish, gave everyone an idea of what takes place when a group of what are commonly called "chislers" decide to spend their vacation there. However, the Archbishop's arrival puts and end to all strange doings and joyfully joins in marriage the hero and heroine. Much humor was found in the lines recited by various members of the cast in this famous play whose author is Alfred Testoni.
