John J. Hogan for County Treasurer

On the Republican Ticket

HE HAS NEVER HELD AN ELECTIVE NOR APPOINTIVE COUNTY OFFICE HE IS NOT CONTROLLED BY ANY POLITICAL RING

One of the most significant factors in his candidacy for the office of County Treasurer lies in the fact that as Treasurer of the City of Waukegan, and liable for the City funds, during the hectic days of 1931 to 1933, not one penny of the taxpayers' money was lost in a closed bank. This we believe to be conclusive evidence that he has been capable, trustworthy and dependable and that he has exercised the utmost diligence in the conduct of yours-the taxpayers-affairs.

"If you don't know him per onally, ask your neighbor"

Vote for Man and Principle

PRIMARIES, APRIL 10, 1934

X MANCEL TALCOTT

REPUBLICAN CANDIDATE FOR

CLERK COUNTY

Whose Motto is and always will be

Do What Is Right — and Right What Is Wrong

WHY It Is Time for a Change in the County Clerk's Office

We believe that:

-in a county of over 100,000 population-positions should be passed around to younger, competent persons - after being in one family for 41 years

IT IS TIME FOR A CHANGE!

-after a County Clerk has held office for so many years he should not be so selfish as to expect a life job at the expense of the tax-, payers

IT IS TIME FOR A CHANGE!

-an itemized statement of ALL recipts and ALL expenditures of the County Clerk's office should be published for public information of all taxpayers as required by law

IT IS TIME FOR A CHANGE!

-a small group of politicians headed by the County Clerk should not dictate the affairs of the County and jeopardize the future of the Republican Party

IT IS TIME FOR A CHANGE!

-the County Clerk, especially in these days of unemployment - should give first consideration to competent employes whose husbands and other relatives are not regularly employed, and also not increase your taxes by adding extra help just before electionobligating them to support him for election at your expense

IT IS TIME FOR A CHANGE!

-the disgrace that has come to Lake County through the marriage license scandal should be eliminated before it is broadcast to the Nation at the National Convention of Women's Clubs next month

IT IS TIME FOR A CHANGE!

Talcott's reputation as a good citizen, capable and efficient public servant is sufficient proof that the above irregularities will be corrected.

Prepared and paid for by the Talcott for County Clerk Better Government Committee
