### Membership Accepted in Federal Bank

The following letter was recently received by the Deerfield Building and Loan Association from the Federal Home Loan Bank Board:

Mr. Edward H. Sellig, secretary, Deerfield Building and Loan Assn., Deerfield, Illinois:

My dear Mr. Sellig:

It gives us pleasure to inform you that the Federal Home Loan Bank Board, under date of March 29, 1934, approved your association for membership in the Federal Home Loan Bank of Chicago. This action has been taken after careful study and analysis of your financial statement and other information furnished with the application.

The function of this bank is not limited to the mere lending of money to its members, but to cooperating with them in working out their particular problems to the end that home financing institutions in the two states of this district may be strengthened. It shall not be our purpose needlessly to interfere in the management of any of our member institutions. We do hope, however, from time to time to be able to offer friendly suggestions that may prove beneficial. We consider no specific comment necessary at this time other than to compliment the directors of your association upon its unusually good condition.

We are hopeful that you may find it to your advantage to place with us at an early date an application for a loan, as we are highly desirous that our available funds be used by our institutions for the purpose of putting new capital at work in their respective communities.

We are sending you herewith the official certificate of your association's membership in the Federal Home Loan Bank of Chicago. Welcoming you as a new member, and extending our best wishes, we are,

Sincerely yours,  
A. R. Gardner, President.

### Organize Workers for Poppy Day, May 26

Volunteer workers to distribute memorial poppies here on "Poppy Day," Saturday, May 26, are being organized under the supervision of Mrs. Philip Scully, Jr.

The distribution of poppies will be carried out under a systematic plan that will assure everyone in the town an opportunity to wear one of the little red memorial flowers.

All workers distributing poppies for the Auxiliary will serve without pay or commission. Every penny contributed for the poppies will go to the relief of needy disabled veterans and their families. The Auxiliary workers will distribute only veteran made poppies. Making of poppies has provided employment for many disabled veterans during the winter and spring, and the funds collected will help finance the relief activities of the American Legion and Auxiliary among the disabled veterans and dependents of the dead and disabled during the coming year.

Members of the Deerfield American Legion Post No. 738, wish all their friends and neighbors to join with them at the Legion dance on Saturday evening of this week at the Auditorium of the Deerfield Grammar School.

Tickets may be purchased from any of the post members at a very nominal cost.

The orchestra from U.S.V.B. No. 105, will furnish the music for the evening.

A very pleasant evening is assured for all, both the old and young can take part in the varied dance program with equal delight.
