NORTH SHORE POLICE LOOK FOR DILLINGER

Desperado Is Believed to Be Making Way to Chicago from Wisconsin

North Shore police were watching for John Dillinger this week—but the noted desperado and jail-breaker hadn't been seen in Lake County as we go to press.

Constant vigilance at the police radio, which might relate the fact that the Indiana bad-man is approaching the county, has been the program of nearly every police department along the shore, and the Lake County sheriff's office is also on the alert for the gunster and his gang.

Since his escape a month ago from the Crown Point, Ind., jail, squads have been prepared to join in the hunt, should it swing to Lake County. For the first time since the escape of the murderer and bandit, the feeling grew this week that Dillinger might attempt to get back to Chicago from his retreats in the Wisconsin woods.

Benjamin F. Lewis Is President of North Suburban Philatelists

Approximately thirty men and women from Highland Park and other North Shore suburbs met at the Masonic Temple in Highland Park on Monday evening, April 16, and organized the North Suburban Philatelic Society.

The society adopted a constitution and by-laws which provides for one meeting each month at which noted speakers will talk on the art of stamp collecting.

The officers elected were: Benjamin F. Lewis, president; E. S. McConnell, vice-president; R. E. Klingler, secretary-treasurer; and H. G. Pertz, member of the executive committee.

Stamp collecting is one of the most absorbing and probably one of the most popular of what are termed hobbies. There are many collections in the U. S. which run into millions of dollars in value.

The forming of this society has brought to light many valuable collections in Highland Park, and the members are very enthusiastic as to the possibilities of making this society valuable to all stamp collectors.

Application for membership should be made to any officer or member.

TAX-PAYING TIME IS APPROACHING!

And Schedules of Personal Property Must Be in Before May 15

Every Lake County taxpayer may be compelled to pay a 1 per cent monthly delinquent tax penalty if the "letter of the law" governing tax collections is enforced, County Treasurer Jay Morse and County Clerk Lew Hendee stated this week before the county board of supervisors.

And, by the way, local taxpayers will be receiving their 1933 tax statements soon; and owners of personal property must fill out and deliver to the assessors their schedules for the 1934 tax assessment, before May 15.

Regardless of whether the taxpayer is ready to pay his taxes before the "deadline" for such payment, he will be technically liable for the 1 per cent per month penalty which the law requires for all taxes paid after May 1, the county officials say.

But since County Treasurer Morse must mail out 120,000 tax bills to the taxpayers during the next week, it will be impossible to begin tax collections before the date for imposing the legal penalty.

But, Mr. Hendee contended, since no state tax would be paid this spring, there was no necessity for posting a bond to guarantee state moneys.

The county board later voted to authorize Mr. Hendee to proceed with the collection of the taxes without posting a state bond this year, inasmuch as the other funds will be protected by other bonds.

Banquet to Be Given by Local Girls Scouts

Mothers and fathers and sisters and brothers of Highland Park and Ravinia Girl Scouts will be entertained and enlightened at a banquet Friday, May 4, at 6:30 o'clock at the Highland Park Y.W.C.A.

Two troops will each present a skit; a motion picture of the Girl Scout camp will be shown; and Miss Elizabeth Grobben, local director of the New Trier and Highland Park Council of Girl Scouts, will speak on "The Way the Girl Scouts Do Things." An added feature will be group singing by all the Girl Scout troops, who have been rehearsing together under Mrs. Norell's direction.

Mrs. A. B. Cook is in charge of the dinner. Each table is to represent a different phase of Girl Scouting, with all the decorations and favors made by the Girl Scouts themselves.
