

Bird Hike Will Start at Sunset Park May 1

On Tuesday morning, May 1, at 6 o'clock the bird hikers of our community will start from the west side of Sunset Park and go westward past the high school athletic field. This area has many interesting birds, plants and flowers in it, and ought to be ideal for nature students. Community Service Inc., and Bert S. Leech invite all who are interested to join this hiking group.

Last week the group rambled along the lake shore. Starting from Central Park they headed north for an enjoyable trip; the weather was a bit cold and so many birds were not seen.

There is no charge for these trips under Mr. Leech's leadership and much is learned about trees, flowers and birds.

Successful Tea and Exhibit Given at the Y.W.C.A. on Sunday

The Pi Delta Club, sponsors of the silver tea and exhibit given Sunday afternoon, April 22, at the Y.W.C.A., wish to thank their many friends for helping to make the affair a success.

The total number of guests who signed the register reached 118, but many passed by without noticing the book.

Twenty-nine countries were represented in the articles displayed. The large assembly room of the Y.W.C.A., where the exhibit was held, was tastefully decked in the vivid handiwork of many nations. Many beautiful quilts formed a background for the tables that held everything from embroideries to odd and interesting curios of all kinds.

The tea table was a lovely study in pink and green, presided over by two hostesses, Miss Salome Brand and Miss Rosalis Fosbender, who were relieved by Miss Grace Lindstrom and Mrs. Blanche Bresnahan. Mrs. Hutton, the Y.W.C.A. secretary, had charge of the refreshments, which were all donated by members of the club. The silver free will offering amounted to \$11.15. This will help to complete the donation of \$50 which will be given to the Y.W.C.A. maintenance fund by the Pi Delta Club.

Little Miss Hustedt came dressed in a Norwegian costume and sang twice during the afternoon. The members of the committee in

change of the exhibition were well pleased with the result of their combined efforts, and are very grateful to the friends who so kindly loaned their valuable keepsakes. This committee was headed by Alice Marks and Dorothy Simpson as co-chairmen, and Rosalis Fosbender, Salome Brand, Hazel Dawson, Marjorie Dreger, Lillian Smith, Isabel Dreiske, Naomi Harris and Mrs. Hutton as helpers. Mrs. Thomas Marks assisted the girls in placing the quilts and some of the other articles to best advantage.

Deerfield-Shields Girls Desiring Employment

The personnel office at Deerfield-Shields High School has on file the names of a great many girls who want employment for afternoons, evenings, or week-ends. These girls are qualified to care for children, do housework, type, or work in a store.

Many girls are getting their names in already with a view to securing summer employment. Some are qualified for handling play groups, as they have passed their life saving tests and can take children to the beach. Others are interested in summer office work, housework, or clerking.

Anyone interested in employing a girl either for the rest of the school year or during vacation should get in touch with the personnel office at the high school.

First Call for Young Men's Club Baseballers

George Hesler, coach of the Highland Park Young Men's Club baseball team, announces the first practice of the coming season will be held this Sunday, April 29, at Sunset Park at 2 p.m.

All players wishing to try for the team are asked to be there promptly at the time announced.

IN MEMORIAM

In loving memory of my dear husband and loving father Henry Franklin Clow who passed away April 26, 1932.

It's lonesome here without you, And sad and weary the way, Life has not been the same to us Since you were called away. How often do we tread the path That leads us to the grave, Where rests the one we love so well, And did our best to save. Mrs. Pauline Clow and children.

YOU WHO SET FIRES IN OUR WOODS AND LEAN ON YOUR RAKES, WATCHING UNASHAMED:

Do you know That those tall elderberry bushes that embroidered June nights With their great fragrant discs of bloom, Will need to start over from their roots this year?

Will you not miss the garnet glory of viburnums Under the moon-yellow tassels of witch hazel, Next October?

Truly, would you exchange The old lace-work of moonbeams Sifted through leafy underbrush For the flat clang of moonlight On the stripped forest floor?

Did you intend to cook all those pushing plants— Hepaticas, wood anemones, meadow rue, white trilliums, phlox? Will you enjoy the ragweed and burdock That will exultantly inhabit the woods in their stead?

Have you considered Living in some other suburb, Where cottonwoods and catalpas Have neatly replaced the native woodlands, And where you could save all this time that you give To watching your fires? (You might spend it Planting a ring of nasturtiums around a cottonwood tree.)

Charity Fashion Review in Winnetka on May 2

Style hints for the June bride will be found at the charity card party and fashion review to be given by the North Shore Junior Welfare League on the evening of May 2 at the Community House in Winnetka. Exclusive shops from the suburbs of the North Shore will assist in the style parade.

The beneficiaries will be families being helped by the organization, the largest portion going to the Lorimer Industrial Center, 1052 East 75th street, Chicago, a new home for unemployed women.

SPRING HEATING is easier this way—
Too hot a fire—one that goes out when it is checked—adds unnecessary problems to your spring heating. If you burn Waukegan Koppers Coke, your heating plant can be controlled easily. Checked or under draft, Waukegan Koppers Coke responds quickly to regulation. Burns dependably. Never makes dust, smoke or soot. Leaves few ashes. Call your fuel dealer now for a supply.
