

Highwood Boosters to Play C.Y.O. Champions

The Highwood Boosters lost their first game of the season last Sunday to St. Joseph at a 11-9 score. The game was very well played until the 7th inning when St. Joseph pushed across 6 runs. Artis was very effective until the disastrous 7th, when he began the inning by hitting two batters, mixed in with a few hits which gave the visitors 6 runs in that inning. Castellari did some fine pitching as the relief pitcher. Maestri, Taylor, Mondo Lenzi, and Angelo Nardini led the Boosters hitting with 2 hits apiece.

Tonight, Thursday, May 24, the Highwood Boosters will play a twilight game at the Boosters diamond and on Sunday, May 27, the Boosters will play the St. Margaret and Mary team. They are the winners of the west side district in the C. Y. O. tournament. A very good game is predicted because of the ability of these two teams. The Boosters' field is located at the extreme west end of North Avenue.

We want to inform the fans that went to see the Boosters play and got to see the Legion play instead, that the Boosters did have a game scheduled as was announced but it was postponed to allow the Legionnaires to play, as they are not able to postpone a game. We are sure that the fans and the Legionnaires appreciated the fine cooperation of the Boosters and of their athletic director, G.A.B.

Young Men's Club Nine Defeats Glencoe, 18-2

The Highland Park Young Men's Club defeated the Glencoe baseball team last Sunday, 18-2. The locals went on a hitting spree and collected 18 hits off of three Glencoe pitchers, while the two local pitchers only gave up eight hits.

The game was going along in fine shape until the sixth inning, when the Highland Park boys collected five runs on six hits and three walks. Highland Park got another five runs in the eighth inning.

The Young Men's Club team will play at Zion Sunday afternoon at 3 p.m. A large crowd of fans is expected to go to Zion for the game.

Mosquito Abatement Appropriation \$9,875

An ordinance by the Board of Trustees of the Highland Park Mosquito Abatement District appropriating \$9,875 for its corporate purposes to be expended during the fiscal year ending May 14, 1935, was passed at a meeting held Tuesday evening of last week at the Highland Park City Hall.

The board serves without pay. The money is spent for field supplies and labor.

A special meeting of the Board of Trustees will be held Tuesday evening, May 29, at the Highland Park City Hall to vote on the tax levy.

John Bredin Dies at Home Here Sunday at the Age of 83

John Bredin, 83 years old, died Monday at 3:10 p.m. at his home, 634 Lincoln Avenue, Highland Park. He was born Feb. 22, 1851, in County Fermanagha, Ireland, the son of James and Margaret Acheson Bredin, of English ancestry. The first Bredin family in Ireland was given land by Oliver Cromwell as a reward for services. John Bredin's father was a landed farmer in Ireland. John was educated in Inniskillen, where he served his apprenticeship, and went into the dry goods business in Belfast.

Most of his family emigrated to Canada and Australia, but John came to the United States and began business in the Stock Yards in Chicago in 1881. He was a pioneer in the wholesale retail grocery business in a firm which he conducted under his own name until he retired 23 years ago. His home was in Englewood where he was a director in the Englewood State Bank and was active in the civic affairs of that suburb. He was fond of reading and travel, and spent considerable time in Europe.

In 1887 Mr. Bredin was married to Miss Mary Jane Fleming, from his native county, whom he met in Chicago. She died in Highland Park in 1926, where they had moved in 1924. Mr. and Mrs. Bredin had four children: Mrs. O. E. Fuchs, of Kenilworth; James A., of Chicago; John H., of Evanston; and Miss Elizabeth Bredin, a teacher of English in the Deerfield-Shields High School for the past ten years. Surviving also is Mr. Bredin's sister, Mrs. Margaret Black, 94 years of age, of Ireland, and a nephew, Dr. James Bredin, a teacher in the Economics Department at Northwestern University.

Funeral services for Mr. Bredin will be held in the Evanston Methodist Episcopal Church, of which he was a member, on Thursday at 2 p.m. Dr. Ernest Tittle and his assistant, the Rev. Edward Voight, will conduct the services.

The pallbearers will be relatives of the third generation, including his grandson, Howard Fuchs, and Lawrence Olsen, Stuart Middleton, Glen Fleming, Harry Olsen and Albert Trebilcock.

Interment will take place in Mount Hope Cemetery near Beverly Hills, where Mrs. Bredin and other relatives are buried.

Rummage Sale To Be on Saturday, May 26

The Woman's Missionary Union of the Highland Park Presbyterian Church will hold a rummage sale at 541 1/2 Central Avenue on Saturday, May 26, from 9 to 5 p.m. Many useful articles have been contributed and many needs may be met by coming to this sale.

Articles donated may be brought to the store the preceding day to be marked, or may be sent to the garage of Mrs. Carleton Moseley, 160 Prospect Avenue, previously. Collections will also be made if necessary. Notify Mrs. Moseley, H. P. 19.

"Aladdin" in Ravinia Auditorium on Tuesday

Scenery, costumes and dancers are ready for the production of "Aladdin and the Wonderful Lamp" by the pupils of Mildred Haessler in the Ravinia Auditorium Monday afternoon at 4 p.m. and Tuesday evening, 8:15 p.m., May 28 and 29.

Tumbling dervishes, Chinese dancing girls, Turkish and Egyptian girls and other features give a true Oriental flavor to the Arabian Nights story. Modern tap dances have been interpolated and a number of entr'actes give variety to the presentation of the dance drama, which is the eighth annual public appearance of the Haessler dancers.

Costumes have been made by the mothers of the forty girls who are to participate. Scenery will be under the supervision of Miss Laura Stoddard, art director of School District 108. Lighting and properties will be directed by Howard Copp, manual training and physical director of the Ravinia-Braeside schools. Accompaniment will be played by Miss Dorothy Pleasant of Chicago and by Mrs. Copp, Mrs.

Oscar Franzen and Mrs. Lovena Garst

"Y" Will Sponsor World's Fair Tour

488 from Highland Park and vicinity saw the 1933 World's Fair during the month of June with a "Y" tour.

We will again conduct tours during the month of June. Buses will leave and return to the Y.W.C.A. A complete and thorough inspection of the World's Fair is offered as well as special feature programs. Chaparrus will be provided for the children. Children may leave the group when a written permit from the parents is given the Y.W.C.A. Adults may use their own pleasure about staying with the group. Arrangements for meeting will be made in time to leave.

Registrations are not taken over the phone, but a deposit must be made at the Y.W.C.A. in order to reserve a date and place.

The first tour will be Thursday, May 31—sign by Monday, May 28, if you are planning to go.

Schedule
 Thursday, May 31—Adult, leave 2 p.m., return 12 p.m.

Wednesday, June 6—Adult (men and women), leave 10 a.m., return

11 p.m.
 Saturday, June 9—School children, leave 12:30 p.m., return 9 p.m.
 Thursday, June 14—Adults, leave 11 a.m., return 11 p.m.
 Saturday, June 16—Boys (7th and 8th grades), leave 1 p.m., return 10 p.m.
 Tuesday, June 19—Children to 7th grade, leave 9 a.m., return 6 p.m.
 Wednesday, June 20—Girls (7th grade and up), leave 1 p.m., return 10 p.m.
 Friday, June 29—Adults, leave 2 p.m., return 12 p.m.

What It Includes
 Children—To and from the Fair. Admission to the grounds. 16 special planned amusements, both chaperoned and conducted.
 Adults—Transportation to and from the Fair. Admission to the ground and special feature programs.
 Food—Children are asked to bring their own food. Adults may do so if they wish; otherwise the committee on these tours will suggest good and reasonable places on the ground. The committee on the arrangements are Mrs. Dwight Davis, chairman, Mrs. C. A. Larson and Mrs. G. N. Brown.

MORE THAN 50% LONGER NON-SKID MILEAGE

IN THE NEW Firestone HIGH SPEED TIRE FOR 1934

The new Firestone High Speed Tire for 1934 is the greatest tire Firestone has ever built. With its wider, flatter tread, greater thickness, deeper non-skid, more and tougher rubber, and greater non-skid contact with the road, you get more than 50% longer non-skid mileage.

This new development is made possible by the Firestone patented process of Gum-Dipping, whereby the cotton fibers inside the high-stretch cords are soaked and coated with pure liquid rubber. This provides greater strength, safety and blowout protection.

Firestone engineers pioneered and developed the first successful balloon tire in 1923, and it is only natural that Firestone would lead in the further development of tire construction to meet the demands of the high-powered high-speed cars of today.

Performance RECORDS FIRESTONE HIGH SPEED TIRES

—for fourteen consecutive years have been on the winning cars in the 500-mile Indianapolis Race.

—for seven consecutive years have been on the winning cars in the daring Pike's Peak climb where a slip meant death.

—for three consecutive years have been on the 131 buses of the Washington, (D. C.) Railway and Electric Company, covering 11,577,910 bus miles without one minute's delay due to tire trouble.

—were on the Neiman Motor's Ford V-8 Truck that made a new coast-to-coast record of 67 hours, 45 minutes, 39 seconds actual running time.

The new Firestone High Speed tires for 1934, have already proved their worth by constant testing on the Firestone fleet of test cars over all kinds of roads and highways throughout the United States.

Firestone High Speed tires are further subjected to the most severe tests known in the world—the Indianapolis Speedway. In fact, Firestone Tires have been on the winning cars in the annual 500-Mile Indianapolis Race for fourteen consecutive years—conclusive evidence of Firestone's outstanding leadership in tire development and construction.

Drive in today and replace your thin, smooth, worn tires with a new set of the Safest—Longest Wearing—and Most Dependable Tires Firestone has ever made
