HIGHLAND PARK, ILLINOIS, THURSDAY, JUNE 7, 1934

NUMBER 15

ARTHUR GOODWILLIE IS HOLC SUPERVISOR

Local Man to Have Charge of Project in Illinois and Wisconsin

Arthur Goodwillie, contractor and investment banker of Highland Park, has been selected by the Home Owners Loan Corporation to serve as supervisor of the HOLC in the Illinois and Wisconsin area, to assist home owners to rehabilitate their property. A federal fund for this purpose has been established, and home owners in this area will go to Mr. Goodwillie and his assistants with their petitions for aid.

In announcing the appointment of Mr. Goodwillie, the directors of the HOLC described him as a man familiar with recent trends in modernization and rehabilitation of homes, particularly those owned by persons of limited means who can least afford extravagant expenditure for useless and inferior alterations to their properties.

Headquarters for the HOLC area comprising the states of Illinois, Wisconsin, Michigan and Indiana will be in Chicago and Detroit. Mr. Goodwillie's office will be in Chicago.

Before beginning actual expenditure of the fund, the corporation directors place particular emphasis upon the fact that at present the amount of money available for such reconditioning loans to home owners is extremely limited. Loans, they emphasize, must be restricted to distressed home owners who are in despite need of such improvements to their properties and whose credit standing entitles them to such advances on the basis that they will be able to repay them through long-term amortized loans, as stipulated in the amended Home Owners Loan Act.

Birthday Luncheon to Be Held Next Monday

The Woman's Missionary Union of the Highland Park Presbyterian Church will have its annual birthday luncheon at the church next Monday, June 11, at 1 o'clock. Reservations may be made by calling the church office, H. P. 683, or Mrs. Cutler, H. P. 1056, not later than Saturday.

A delightful program will be presented, the theme being Womanhood, great experiences in her life, illustrated in story and verse by Mrs. Carl Pfanzstiel, and in song by Mrs. Herbert R. Smith, with Mrs. Watson at the piano. Every woman in the church is cordially invited and it is hoped many may avail themselves of this opportunity to become better acquainted, and meet once more before parting for the summer.

"No tickets for luncheon are sold, we hear."

"But one may bring a penny for each year."

Clean-Up Week Here to Be June 11 to 16

The Highland Park city administration has designated the week of June 11 to June 16, as annual clean up week and announces that collections will be made on certain days in certain districts. No ashes will be hauled away by the city trucks, and all cans and other rubbish must be placed in containers and put out on parkways. The city workmen will not go into basements or yards to collect the materials.

The days of collection in the several districts are as follows:

The Yarn and Needle Shop to Open Monday

"The Yarn and Needle Shop will be devoted entirely to smart knitters and their needs," Miss Beneke and Miss Harmon announce. "It will be a fascinating new shop that will feature a complete stock of the well-known Sunlight Yarns in types of every knitting purpose. An unusual selection of finished models will be on display. Knitting instruction will be a feature of The Yarn and Needle Shop. You'll enjoy learning this old-new art in your spare hours."

TO ALL HOME OWNERS

Fires should not be started in alleys or vacant lots. Paper burners should be located away from all buildings and should be watched while burning.

During this hot dry spell, I ask every citizen to assist me in safeguarding our city against a serious fire.

Edward C. Hoskin, Fire Marshal.

Community Garden Class Holds First Tour Here May 28

The Community Garden class of the Highland Park Woman's Club held its first garden tour of the year on Tuesday, May 28. The members of the class met at the home of Mrs. F. P. Biggs, 345 South Linden Avenue where a short business meeting was held, the president, Mrs. Marvin V. Wallach presiding.

Mrs. Wade McNutt was appointed class chairman of the Chicago Plant, Fruit & Flower Guild. As in preceding years the members and friends are asked to bring flowers, fruit, and vegetables to the Northwestern station to be distributed to the hospitals and needy people in Chicago and the north shore. The day is Friday, the time morning until 9 o'clock. The train leaves at 9:30 a.m. and anything brought after this time cannot be taken. Mrs. O. H. Wallen and Mrs. E. G. Reed will be in charge the first two Fridays of June.

Mrs. T. F. Dawson was reappointed chairman of the eradication of weeds committee, and went to work at once on the eradication of thistles and poison ivy. Mrs. O. H. Wallen, was appointed to succeed Mrs. E. R. Phelps as class librarian. Members of the class who have not made their own transportation arrangement for the garden tours may call Mrs. C. W. Calkins, H. P. 1520, and this will be taken care of for them.

Following this an excellent paper on "Pollentation" by Mrs. Mildred M. Baestad of the Bannockburn Garden Club, was read. Mrs. Baestad being unable to attend this meeting, her paper was read by Mrs. K. B. Lacy.

The first garden visited was that of Mrs. Leon Winne, 309 Ravine Drive. This garden is of formal arrangement, having at one time been awarded the Chicago Tribune Grand Prize. A demonstration on transplanting of seedlings was given. Mrs. Louis Peterson, 20 Ravine Drive was the next hostess. In direct contrast to the one just visited her garden is of natural arrangement, featuring rock and pool plants in a most pleasing manner. Mrs. Peterson demonstrated to the class her way of eradicating dandelions, her beautiful lawn testifying to its success.

The class then returned to the home of Mrs. Biggs, and a visit to her charming garden, which though quite new, contains some rare and beautiful specimens. Tea was served by Mrs. Biggs and Mrs. Winne.

On June 4 the Community Garden class were the guests of the Highland Park Garden Study Club at the home of Mrs. Fred Clutten, 589 Kimball Road. Mrs. Clutten specializes in cross pollinating of iris and gave a most interesting demonstration of this work to the class. An interesting tour is being planned for the June meeting by Mrs. Walter Durbahn, program chairman.

Alcyon to Present "Catherine the Great"

"The Show-Off," the play that ran for one and a half years on Broadway, is now the laugh hit of the screen and is showing at the Alcyon tonight (Thursday) only. The cast includes Spencer Tracy, and Madge Evans.

An excellent film drama worthy of attention is "The Lost Patrol," which was directed by John Ford and is his life triumph. Two of his other screen successes were "The Iron Horse," and "Arrowsmith." The cast includes Victor McLaglen, Boris Karloff, Wallace Ford and many other well known actors, and is to be featured on Friday and Saturday of this week.

Douglas Fairbanks, Jr. and Elizabeth Bergner in "Catherine the Great," are scheduled for appearance on Sunday, Monday and Tuesday, June 10, 11 and 12. This film is very artistically produced with lavish settings and very fine acting; and is comparable to "The Private Life of Henry the Eighth."

Frederic March and Sylvia Sydney are the stars in "Good Dame," a delightful comedy romance which will make its appearance of Wednesday and Thursday, June 13 and 14.

SOCIAL SERVICE IS CONTINUING WORK

Directors Announce Program and Activities for Coming Year

At a recent meeting of the directors of the Highland Park Social Service plans were drawn up to prepare its activities for the coming year. The following announcement is made regarding these activities.

"It is assumed that some of our citizens feel that the Highland Park Social Service has been inactive because of all of the activity of the Illinois Emergency Relief Commission. During the past year our Social Service Committee has filled in many emergencies where neither the Illinois Relief or the supervisor could act. There are many things that come up where action must be taken and no provision is made by either of the other two agencies, and therefore the Highland Park Social Service has stepped in and has been able to perform a most worthy service in this community.

"At the present time the Illinois Relief Commissions is going through reorganization and centralization of offices. It is being worked out in practically all counties throughout the State. All of the detail work which has been done at the Illinois Relief offices at the old City Hall will be moved to the central office at Waukegan. In the centralization of the directors of the Highland Park Social Service are very happy to announce that Mrs. Raymond Flinn, who has been giving all of her time to the Illinois Relief Commission, will hereafter give her full time as executive secretary of the Highland Park Social Service. Mrs. Flinn has given marvelous service to all of the relief problems of this community during the past two years. Each day her hours have been long and her tasks have been many. We are very glad to announce that Mrs. Flinn is going on a vacation for a few weeks and we feel that the good wishes of the whole community go with her on this well earned and much delayed vacation.

"During the summer months the office of the Highland Park Social Service will be open to clients on week days, Monday through Friday, from 9 to 12 o'clock. During ex-secretary's absence those hours will be kept by some of our able directors such as Miss Everett, Mrs. Guttman, and Mrs. Rinehart and Mrs. Osborn.

"The duties of the Highland Park Social Service will be enlarged in some respects in that we will act as liaison agent between the various relief committees such as the Illinois Relief and the supervisor. We shall be able to give more time and work to the work relief projects and assist in putting them through. We shall be able to give more time to family reconstruction which is a very big problem and one which needs a great deal of thought. We shall carry on the same as usual in granting emergency relief in those cases for which no provision is made by either the Illinois relief or the supervisor.

"We have a very able executive committee appointed, made up of Miss Adele Everett, Mr. Lyle Gourley, Mr. Archibald Abercrombie, Mrs. Guttman and Mrs. Reinhardt. The executive committee will meet whenever it is necessary to handle the business of the committee.

"A very able committee has been appointed, made up of Mr. Berkson, Mr. Sherer, Mr. Ross, who will make a study and report back with a set of by-laws and preparations to incorporate the Highland Park Social Service. As our citizens know, our committee has grown just like Topsoy; it started out several years ago, and as the demands on relief grew, our activities grew. It seems that the Highland Park Social Service committee will be needed for a long time to come and we feel that we should incorporate, not for profit, and have a set of by-laws.

"It will be necessary for us to carry on effectively during the coming year and to that end we are going to prepare a modest budget. We expect to go to our citizens in the Fall and present to them our budget for the coming year. We deeply appreciate all of the help that our citizens have given us during the past two years and look forward with confidence that we shall be able to give the same intelligent emergency relief to the citizens of this community during the coming year."

—Edwin L. Gilroy, Chairman.

Mr. and Mrs. Mert Pennock have left on a belated honeymoon trip in northern Wisconsin. Announcement of their marriage which took place on January 3, 1932 was made by Mrs. Pennock's parents, Mr. and Mrs. Thomas Simpson of Ravinia, on Sunday, Mrs. Pennock is better known here as Miss Lydia Simpson.

SILENCE IS GOLDEN IN THE CHESS CLUB

Annual Banquet Held Without Speakers, Toastmaster or Any Reports!

The Highland Park Chess Club undoubtedly broke another record Monday night when it held its annual banquet at the Moraine Hotel, because this was probably the only annual banquet ever held by any club or society at which there were no speeches, no speakers' table, no toastmaster, no address by the president or other officers, no report by the secretary or treasurer, and in fact none of these customary meddlesome and interfering with digestion.

In fact, the Highland Park Chess Club is one club where you are not punished by a lot of silly conversation, nor for that matter by any conversation at all—here even the New Deal, Dillingham and the Quintuplets are left completely out of it, to shift for themselves as it were. At the weekly chess meetings the silence is so thick you can only cut it with a hack-saw—there might be an occasional moan of agony as someone has a knife sunk into him without either local or general anesthesia, but that is all. The battles waged are terrible, but they are carried on in black silence, like spiders killing enmeshed grasshoppers. The members really are standing up under this frightful punishment wonderfully—and it is the absolute silence, the freedom from chatter, stories and political or liquor discussions which so fray the nerves of other clubs' members that explains how, in spite of this gruelling warfare, each member continues "in the pink."

The annual banquet of our thriving chess club was enthusiastically attended by fifteen intrepid warriors and was sumptuously served in the newly-reopened, beautiful Moraine. The regular weekly meetings of the club will continue every Monday evening at the Moraine Hotel throughout the summer.—Contributed.

Friday Is Guild Flower Day Here

On each Friday of June, representatives from the Highland Park Garden Study Club will be at the Northwestern station before 8 o'clock to receive your surplus flowers and fruit to be distributed among the hospitals, settlements and visiting nurse association of Chicago.

If you have contributed in the past years, you know the joy your fruit and flowers have brought to those less fortunate and this year we must make a greater effort to bring cheer where so much is lacking. Any questions about the work of the guild will be answered by Mrs. Louis Francour, H. P. 2291. Flowers must be at the local station by nine o'clock. Remember Friday is Highland Park day. Do your part.

A program at 11 o'clock in the morning will be followed by luncheon at the Virginia Tavern in the Colonial Village. At 7:30 o'clock in the evening a program will be presented in the Hall of States by the Hamilton Club of Chicago with General Harbor as speaker.

Pi Delta's Treasure Hunt Will Be June 7

The Pi Delta's last meeting of the season will be a treasure hunt in charge of Katherine Rhinehart and committee, Thursday, June 7. They plan to leave the Y.W.C.A. promptly at 6:30 o'clock. In case of rain the club will meet at the Y.W.C.A.

This year's club program has been most interesting. It has been a world cruise. Visits and studies have been made of many foreign countries.

The nominating committee of which Isabelle Dreiske is chairman will present the new officers for the coming club year.

Mr. and Mrs. Arthur M. Trout of Elm Avenue announce the marriage of their son Arthur Trout Jr. to Miss Jennie Feretti of Pittsburg, Kansas on June 4 at Waukegan.

Prominent Highwood Citizen Passes Away

Mr. George S. Rettig, prominent citizen of Highwood for the past forty-five years, passed away yesterday (Wednesday) at his home, 410 Central Avenue, Highwood. His death came as a great shock to his family and friends, for although he had not been in good health since undergoing an operation in February his condition did not seem serious.

He was born July 29, 1865 in Eberstadt, Germany coming to this country in 1882. He served this country during the Indian campaign, as first sergeant in Company D of the 15th Infantry of the regular U. S. Army.

At the time of the 1893 World's Fair Mr. Rettig was a first sergeant with the Columbian exposition guards. He was one of the first motormen on the North Shore line from which position he was retired in 1929, after 33 years of service.

Mr. Rettig was prominent in the affairs of the City of Highwood being elected several times to the City Council. Just a year ago he completed a term as police magistrate, which office he served for 16 years.

Funeral services will be held Saturday-afternoon (the time to be announced later) from the Zion Lutheran Church, Highwood. Because of the absence of the pastor of Zion Church, Rev. Hedlund, the arranged interment will be in North Shore Garden of Memories.

Besides his wife Delia, Mr. Rettig leaves three sons, George, Jr., and Peter of this city and William of San Diego, Calif., and one daughter Mrs. Riley of Highwood.

D.A.R. Better Films Committee Review

"The Show-Off" with Spencer Tracy and Madge Evans will be on the screen Thursday, June 7. Story of a young man whose colossal egotism and love of showing off get him into many difficulties before two lucky "breaks" put him on the road to success. A well cast, well directed picture, swift and breezy with touches of comedy. Adults.

Italy—Land of Inspiration. Interesting views of the ruins of Rome and beautiful St. Peter's. Florence, the historic, is shown as the ghost of Italy's yesterday.

Friday, Saturday, June 8, 9 Victor McLaglen in "The Lost Patrol." From the book "Patrol" by Phillip McDonald. The tremendous, gripping, depressing tragedy of a "Patrol" lost in the torrid waters of the Mesopotamian Desert during the World War. An achievement in artistry, never obvious, always in exquisite taste, this picture has a well chosen cast with characterizations etched with unerring ability. The direction and photography are of the highest calibre and the musical affects accent the drama with un-failing suitability and powerful effectiveness. Adults and young adults.

"Vital Victuals" in color. Pete Smith entertains with amusing comments while we learn the proper way to cook.

"Kit Carson" Saturday Mat.

Sunday, Monday, Tuesday, June 10, 11, 12 "Catherine the Great," featuring Douglas Fairbanks and Elizabeth Bergure, story tells of the marriage of the German princess to the mad Peter, heir to the Russian throne, and of how she becomes Catherine (called the Great) Empress of all Russia. The exquisite, sensitive performance of Elizabeth Bergner dominates the entire picture. The story moves with dramatic intensity in which there is never a dull or dull moment, against a country background of Russia under the Czar. A superb picture, sophisticated for the very young, but stimulating in its recreation of historical characters and thrilling in the acting of its truly brilliant star, Adults and young adults.

Wednesday, Thursday, June 13, 14, "Sylvia Sidney and Fredric March, in the "Good Dame. A phantasmagoric sideshow gambler is redeemed by a chorus girl. "The Good Dame" in true cinematic fashion. Though the photography, direction and acting are satisfactory, we deplore the waste of fine talent in such cheap story material. Adults.
