Telephone Convenience

SHOWN IN THE MODEL HOMES

at A Century of Progress

The attractive master bedroom in the Florida Tropical House at A Century of Progress Exposition was provided with the convenience of an extension telephone. Most model homes are so carefully planned that convenient telephone service is always close at hand no matter in what part of the home one may be. Your home should

have this modern convenience—an extension telephone at your bedside! You will use it many times during the day and it is invaluable for making or answering early or late calls. An extension costs but a few cents a day. Call our Business Office or any telephone employee will gladly help you place your order.
