PRACTICAL-MODERN COOKERY with GAS

I am just one among thousands of modern women who cook with GAS—knowing it to be most economical and better in every way!

Where—but in a GAS range—do you get such a perfect combination of economy, convenience, efficiency, cleanliness, beauty and dependability? A modern GAS range gives you every one of these advantages. That's why it is such a practical cooking appliance. It offers you more—and you pay less!

UNIVERSAL

A gas range with all modern features will be installed in your kitchen for only \$5 down—balance \$3.65 monthly. Take advantage now of these unusually convenient terms. This offer is made on the two popular gas range models illustrated here!

The modern gas range also has oven heat control that maintains exactly the temperature required—insulated oven to keep your kitchen cool—self-lighting top burners—odorless, elevated broiler—spacious, porcelain enamel oven.

Visit the display of modern GAS ranges at our store or at your dealer's and ask for a demonstration. There are sizes, styles and finishes for every requirement. Buy your new GAS range now—for it will give you increased convenience and comfort this summer.

MAGIC CHEF

Top-burners on the modern GAS range, for instance, give heat that is controlled accurately and positively—saving gas. Slowest heat for simmering that ends pot watching and saves valuable vitamins. Fastest heat for quick cooking. And an unlimited number of "in-between" heats for all purposes.

IMPORTANT!
