CHRISTIAN SCIENCE CHURCHES "God the Only Cause and Creator" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, June 10. The Golden Text was, "Blessed be the Lord God, the God of Israel, who only doeth wondrous things" (Psalms 72:18).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Thus saith the Lord the King of Israel, and his redeemer the Lord of hosts: I am the first, and I am the last; and beside me there is no God" (Isaiah 44:6).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "God is individual, incorporeal. He is divine Principle, Love, the universal cause, the only creator, and there is no other self-existence. . . . He fills all space, and it is impossible to conceive of such omnipresence and individuality except as infinite Spirit or Mind. Hence all is Spirit and spiritual" (p. 331).

Keep YOUR PLACE in the Sun! In the solarium of the Rostone House at A Century of Progress a detail not to be overlooked was an extension telephone. This instrument, unobtrusive, yet harmoniously a part of the scheme of the room, was placed there for a very excellent reason—it was the last word in communication comfort and convenience. Calls to and from any room in your home are quickly, yet unhurriedly made and answered when there's an extension telephone within reach. Yet a modern convenience like the extension telephone costs so little per day that you may have more than one room so equipped without ever missing the cost. Call our Business Office to order one.
