CHRISTIAN SCIENCE CHURCHES

"God the Preserver of Man" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist on Sunday, June 17.

The Golden Text was, "As birds flying, so will the Lord of hosts defend Jerusalem; defending also he will deliver it; and passing over he will preserve it" (Isaiah 31: 5).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Preserve me, O God: for in thee do I put my trust. The Lord is the portion of mine inheritance and of my cup; thou maintainest my lot. The lines are fallen unto me in pleasant places; yea, I have a goodly heritage. I have set the Lord always before me: because he is at my right hand, I shall not be moved" (Psalms 16: 1, 5, 6, 8).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The divine Mind that made man maintains His own image and likeness" (p. 151).
