you think it's hot in your fan-cooled, air-conditioned office... but

WHAT ABOUT HER?

It's all very well for you, Mr. Husband, to sit in the cooling breezes of electric fans, or in a modern air-conditioned office and think about how hot it is. But... there is one dear to you who really knows... one day a week... if she does the family washing. That person is your wife. Added to the miserable heat is the labor and sweat and weariness, all more acute in hot weather than at any other time. You can be a real hero if you say to her, "Send the washing to a North Shore Quality Laundry for their All Pressed Service."

ALL PRESSED 10 POUNDS

4 lbs. wearing apparel \$1.40 6 lbs. flatwork

Your entire bundle is beautifully laundered and ironed. Every article is ready to use or put away. No extra charge is made for fluffing bath towels which are returned sweet and soft. Lake Forest Garden Tours Are Popular

The series of Lake Forest garden tours, sponsored by the Illinois League of Women Voters, has been attracting a great deal of attention in Highland Park, offering as it does views of some of the most beautiful gardens in the country, so close at hand. Because their owners are so well known and do not wish to be over-run with requests for future garden shows, the league has been asked not to publish any of the names. All of these gardens, however, are so seldom open to the public, and so well worth seeing, that it is felt this is an unusual opportunity to view them for a small sum.

The tours will be conducted on Wednesday, Friday, and Saturday, for three weeks, beginning with Friday, June 29. Plans are being made to have one group of 25 entirely composed of Highland Park residents arrange to go next Friday, July 6. Those interested may call Mrs. Norman Meiners, H. P. 4166.
