Boy Scout News

CAMP MA-KA-JA-WAN NEWS

Troop 324 led by Mr. Lacy is occupying Cheyenne Village with Troop 22 of Glenview. Since our early arrival Monday morning the general appearance of the village has been improving steadily. The old flag pole was taken down, overhauled and then replaced with a new flag. A new bulletin board was made, the council ring repaired and the village grounds made neat.

The Scouts have passed many tests and merit badges under the able leadership of Mr. Lacy, our troop scoutmaster at Camp Ma-Ka-Ja-Wan, and Ed Koebell, the village leader, and the various craft leaders.

Chyenne is well up in the baseball standings and is given more than even chance of winning the water carnival.

The Scouts who are at camp from Troop 324, of Highland Park, are: John Clark, Ed Green, Bill Kelly, John Clark, Dick Clark, Bert Sears, Julius Leeger, Bill Lott, Bruce Wagner, Alan Mann, David Mann, Alex McPherson, Dick VanArsdale, Russell Palmer, and Milan Cobble. Dick Clark, Troop 324, Highland Park.

In writing this article I plan to give a brief sketch of the camp program. The following is the program, which all of the boys follow daily:

7:00, everybody up; 7:10, walters report at dining hall; 7:30, breakfast; 8:00, village time until 9:00; 9:00, merit badge and advancement; 10:30, swim period for everyone; 12:30, dinner; 1:15, rest hour until 2:15; 2:15, village programs with craft leaders until 4:15; 4:30, general swim; 5:00, free time for preparation for supper; 5:45, retreat; 6:00, supper; 6:45, activities such as athletics, games and boating; 8:00, camp fires or night games; 9:00, everybody back to camp; 9:30, taps.

Perhaps there are several things to explain; for instance, walters report at dining hall. Each table in the mess hall has its own waiter whose duty it is to set the table, bring the necessary food and clean up afterwards. Each boy is waiter one day at a time for all three meals.

As for the merit badges and advancement period, boys who are Tenderfoot or Second Class work on their tests and the rest of the boys either take handicraft under Mr. Anderson, pioneering under Bill Crawford, stamping under Don Troepen, nature study under Jim Mooney, or athletics under Mr. Gopp.

The Village program with craft leaders period is under the people mentioned in the above paragraph. At the campfires we sing songs and have different entertainments. Jim Olin, Camp Ma-Ka-Ja-Wan.

CAMP MA-KA-JA-WAN A SUCCESS

The first week of the first period of Camp Ma-Ka-Ja-Wan of 1934 is completed and the second week is well under way. Many more Scouts are in camp than were there first period last year and are making the most of the wonderful two weeks in the Wisconsin North Woods.

Swimming, boating, ball games, camping, pioneering, nature, handicraft, and sets are only some of the many things that makes each day complete and worth remembering. A couple of letters of campers are printed herewith and they're witness to the splendid enthusiasm of all the campers. Everybody is having a grand time!

MA-KA-JA-WAN HAS LARGEST ATTENDANCE

First period of Camp Ma-Ka-Ja-Wan will be over this coming week-end, the boys returning to Highland Park Saturday at 9:42 p.m. (daylight saving time). Second period campers leave for camp on Sunday, July 8, at 7:00 p.m. and will arrive at Camp by breakfast time where a hearty meal awaits them. Second period is filled up to the top, but there is still room in the third

period which begins July 23 and ends Aug. 4.

The following is a list of the local boys going to camp second period: Harry Hansen, Robert Hansen, Douglas Pett, Jack Rutledge; Troop 33—Ned Garst; Troop 35—Art Baldauf, John Baldauf, Kelly Brent, John Clinein, Robert Clinein, Walter Clinein, Calvin Defenbau, Fred Dexhimer, Meredith Kliek, Tom Gill, Lester Gordon, Alden Harris, Siegfried Hoermann, A. Hoffman, John Laurie, John Lebolt, H. Lemme, Andrew Lyons, Bill Mellinger, Amory Moore, Bob Nichols, Dick O'Connor, Francis O'Connor, Bud Pfister, Teddy Pohrie, George Ross, Thomas Simpson, Monroe Smith, David Wilder, Peter Wolf, Lake Forest; Troop 46—Harry Dickson, Dennis Fennelley, Lawrence Freeman, Bob Landeen, Roy Mitche, Ernest Secombe, Arthur Swanson, Leonard Treghilla; Troop 48—John Allan, Elmer Carlslet, Joe Dunn, Ernest Gilroy, John Lindenmeyer, Jack Neale, and Monty Rasmussen. Deerfield, Troop 51—Charles Burnett, Wm. E. Clouse, Robert Piper, Walter Reeds.

"ALBATROSS" LAUNCHED ON MONDAY

The Good Ship "Albatross" splashed into the water last Monday for her maiden cruise of the season. With a silver bottom, smart red water line, and creamy white topsides relieved by the bright mahogany trim she was a sight to delight the eye—and that was nothing to the delighted "Aye! Aye!" of the crew that was sailing her out.

With a smart ship, plenty of " grub" aboard, a good cook and the open water ahead—what more could anyone want?

The available space is being steadily taken up and there is every indication that the "Albatross" will be filled up for the season. It is the old "signature on the

dotted line" that really does the business and seals the berth, so if any of you Sea Scouts plan to go cruising this summer, you better hurry and sign up. Get your reservations in now! You'll never forget a cruise on the "Albatross." Gerald W. Shipman is the Sea Scout director of the North Shore Area, Council and will command the "Albatross"—if there is any information you desire get in touch with him at Scout Headquarters, 21 North Sheridan Road, Highland Park—phone 629.

Beauty does not lie in the face. It lies in the harmony between man and his industry. Beauty is expression. When I paint a mother I try to render her beautiful by the mere look she gives her child.—Jean Francois Millet.

With the announcement of price reductions several weeks ago, Chevrolet stepped into the most favorable price position it has enjoyed in a long time!
Reductions amounting to as much as \$50—the most substantial price cuts announced in the low-price field this year—dropped Chevrolet's base price to a new low figure of \$465. Just compare this price—compare any Chevrolet price—with those of other cars. Then compare what you get for what you pay! There'll be no question in your mind which car to buy.
Chevrolet offers patented Knee-Action—and others do not! The same thing applies to Fisher body, cable-controlled brakes, shock-proof steering, and valve-in-head six-cylinder engine. Chevrolet gives you far more features—far finer quality. Yet the price of the Chevrolet Standard is lower than that of any other six or any eight in the world.
