**● A NEW PURE OIL STATION**

Now you can get Pure Oil products right in the center of Highland Park — and from Highland Park men. For the new Pure Oil Service Station at Central Avenue and Green Bay Road will be manned by Highland Park men trained in the high standards of Pure Oil Service, local men who intend to build their business by giving their customers better car performance at less cost per mile.

With the completeness of the service facilities at this newest Highland Park station and with the high quality of Pure Oil products they can and will offer Highland Park motorists a type of service that only a combination of quality products, modern facilities and personal interest can give. So drive into this new Pure Oil service station next Saturday, meet Gordon Leonard and his men and come to know from them how a friendly, interested service and the use of Pure Oil products can add to your motoring pleasure.
