Fort Sheridan Polo Team Will Play Oak Brook Next Sunday

The Fort Sheridan polo team will play a return game at Oak Brook Polo Club, 2nd Street and York Road, Sunday afternoon at 3:30 p. m. This should be one of the most thrilling polo games ever played in the Chicago district as Oak Brook will play their team which will represent Oak Brook in the Intra Circuit games to be played at Dayton, Ohio, in August.

The Army team will include Capt. Larry Smith, Pete Rodes and that premier horseman, Major Chamberlain, who on July 4th gave a wonderful exhibition of riding when he scored five goals for Fort Sheridan. The first game of this series was won by the Army by a score of 9 to 8 in the last minute of play and Oak Brook is most confident of winning the second game.

The lineup:
Fort Sheridan
Lt. Hines
Capt. Jones
Maj. Chamberlain
Capt. Rodes
Capt. Smith
Alternate
Oak Brook
1 James A. Hannah
2 George A. Bates
3 Paul Butler
4 P. Porter
R. Hunter

Jim McMillen Will Wrestle Sol Slagel at Renehan's Friday

Tomorrow night (Friday), in Renehan's open-air arena at Round Lake several of the nation's leading mat stars will be seen in action on an all-star wrestling card that will feature a double main event.

In one of the wind-up matches, Jimmy McMillen, Antioch's pride and newly crowned Lake County wrestling champion, will face one of the most difficult wrestlers to pin in the game today, Sol Slagel, colorful Coast sensation and contortionist mat star.

Slagel is only 25 years old but already is being groomed for title mat honors and is to meet Jim London in the Chicago Stadium if he can throw the Antioch star tomorrow.

Being a contortionist, Sol is practically immune to punishment or pain so that even the most torturous holds have no effect upon him. He can literally bend himself into a pretzel, and often extricates himself from holds that seem almost impossible to break by these contortions.

McMillen will have a tough nut to crack in this powerful 238 pound grappler and many wrestling authorities are of the opinion that "Big" Jim will receive the whipping of his career.

Ravinia Garden Club To Visit Barrington

There will be no regular meeting of the Ravinia Garden Club on Friday, July 13, but on July 20 five of the gardens of Barrington will be open for inspection, and it is planned to visit them. Further details of the tour will be announced later.

Each Friday morning, a member of the Ravinia Garden Club is at the Northwestern Station from 9:30 until 10 and will receive any flowers or fruit from your garden which you may wish to give to help carry on the work of the Flower and Fruit Guild.

Ovando W. Waller Dies In California Saturday

Funeral services for Ovando W. Waller, former vice-president and branch plant manager of Swift and Company, who died Saturday at his Beverly Hills, Calif., home, after a long illness, will be held today (Thursday) at 2:30 p.m. in the Rosehill chapel.

Mr. Waller was 75 years old at the time of his death. He lived in Highland Park for four years following his retirement in 1926, and then moved to California.

He is survived by his widow, a son, Fred, of Los Angeles, and two daughters, Mrs. R. K. O'Hara, of Highland Park, and Mrs. L. W. Bermond, of Hinsdale.

The National Music Camp at Interlochen, Mich., will begin a series of five Monday evening broadcasts over the NBC network on July 16, at 10 o'clock, E.D.S.T.

Miss Mary Alan Hokanson, daughter of Nels M. Hokanson, 2420 Deerpark Drive, Highland Park, will participate as a member of the National High School Orchestra and Band. Miss Hokanson was a member of the local high school band and orchestra during the past year and is spending her summer studying under the direction of the nation's outstanding teachers and musical directors at Interlochen.

"Trustfulness? It's a good rule to watch everybody."—Ed Howe.

TODAY'S HOME needs today's comforts

Bring YOUR Home Up-to-date!

TIME CHANGES OUR conception of "comfort." This is true because of the continuous development of new "comforts" that replace the old. In homes, especially, standards of "comfort" have undergone a great change. From the crudest of dwellings, that offered little in real comfort, homes have progressed until today the "comforts" available to every family far surpass any, previously in use.

Every home MUST have some method of cooking, heating water, preserving foods, and heating. It is the METHOD used in doing them that determines the "comfort" you enjoy in your home.

Removing the last trace of inconvenience in your household—giving you new comfort that exceeds any you ever have enjoyed—promoting and protecting good health—modern gas appliance serv-

ices have a definite, logical place in your home. They make your home completely homelike! Comfortable, convenient, healthful!

For clean, dependable, automatic—cooking, water heating, refrigeration, and heating and air conditioning, choose gas appliances. There is a MODERN one for every home service!

Watch for Booklet

A new booklet describing the advantages of these modern gas appliance services will be mailed to you soon. It contains interesting FACTS on modernizing your home. Look for the booklet in your mail.
