

North Shore Experts Are Officers of New Ping-Pong Association

Coleman Clark has resigned as vice-president of the American Ping-Pong Association to become an executive of the U. S. Table Tennis Association.

At the present time he is negotiating with the International Table Tennis Federation for an American barnstorming tour next season of the world's champion table tennis players.

The following residents of Chicago's north shore suburbs recently were honored in being elected to positions of honor in the Illinois Table Tennis Association.

Ping-pong and table tennis groups have agreed that two associations each sponsoring the same game is detrimental to the best interests of the game and have joined hands in

one nationwide association known as the U. S. Table Tennis Association.

Gas Industry Plays Important Part in Our Domestic Life

For achievement in advancing every phase of comfort, the United States is far ahead of other nations. In homes, especially, there is evidence that comfort has been developed to an unparalleled degree.

"Hundreds of industries owe their existence to the desire of the American public for the benefits and satisfaction of comfort," declares J. G. Hart, manager of the North Shore Gas Company.

So that all of its customers may be acquainted with the full extent of gas service, the North Shore Gas Company is sending a booklet containing a complete story of this service to each of its patrons.

This informative series of advertisements will include gas cooking, water heating, air-conditioning, refrigeration, heating and many other gas services that are making homes the places of complete comfort that every family desires.

Local Legion Post to Dedicate Memorial at Meeting on Thursday

The next regular meeting of Dumaresq Spender Post No. 45 of the American Legion will be held at Legion hall, 21 North Sheridan Road, Thursday evening, July 12.

At this time a short memorial and dedication ceremony will be held in memory of the late Harry C. Brace and a beautiful gavel bell and gavel presented by the members of his family to the local post will be dedicated.

The male quartette of Waukegan post will render several numbers. Past Commander Frank Roman will present the gift to the post and the address of acceptance will be given by Past Commander Henry A. Hansen, the post chaplain, with Robert Bridges sounding taps at the close of the ceremony.

"All members of the post and the auxiliary are urged to be present. This is the first time in the history of this post that a gift has been presented by anyone in memory of a departed comrade and it is hoped that all members will avail themselves of the opportunity to be present and in this way show our most sincere appreciation," is the announcement.

Deerfield Citizens Urged to Attend Board Meetings

Meetings of the village board are interesting and well worth attending. Much furor is caused at election time each spring, but the interest dies when the last ballot is counted. Capable men are handling the village affairs and the group convenes the first Monday evening of each month.

"Several hundred dollars worth of street lights have been smashed during the past year," said Marshall Pottenger at the July board meeting. Chief of Police McLaughlin disclosed that some of these had not

been repaired for at least eight years. Lights are to be repaired and guarded against future damages.

Ninety per cent of the money expended on the upkeep of Deerfield streets is used on the unpaved roads. Board members, who have been hearing complaints upon the conditions of the gravel roads, state that the remedy for poor roads is concrete paving and they will gladly accept petitions for the improvements.

Boy Scout News

"ALBATROSS" SHOVS OFF

The crew of the schooner "Albatross" was complimented very highly by several yachtsmen on her trim appearance under sail last Sunday. The adverse conditions prevented her arrival at Great Lakes in time to take out a large party of Sea Scout leaders and the members of the "Sons of Sledge" on a sailing party Saturday and Sunday afternoons.

The first long cruise of the season started Wednesday, July 11, for Green Bay, and will cruise for ten days when the boat returns to the Naval Reserve Armory dock at Chicago, and then starts on another long cruise.

A very interesting cruise is scheduled to start July 21, sailing until July 30—a cruise to Mackinac during the race and lots of water covered in ten days full of adventure and thrills to the Sea Scouts who have anticipated this for a long time.

If there are any Sea Scouts interested in cruising we suggest that they get in touch with Scout Headquarters, Highland Park 629, or write to 21 North Sheridan Road, Highland Park.

PAUL BUNYAN'S WOODSMEN

Paul Bunyan, having included Camp Ma-Ka-Ja-Wan as one of his many logging camps needed more men. The Scouts who signed up between Dec. 15 and May 15 for jobs in Paul Bunyan's Camp are as follows: G. Reading, D. Hoffman, H. Koefe, F. Sharwin, P. Cunningham, E. McLaughlin, V. Olin, T. Kent, B. Fischer, T. Coleman, K. Gise, P. Denheimer, R. Palmer, B. Gallagher, B. Ford, P. Allan, G. Watt, L. Peterson, B. Graham, J. Davis, J. Barret, M. Follansbee, D. Mann, T. Keith, F. Muser, B. Earhart, N. Garst, B. Weinberg, D. Allison, and Mr. Harms.

Each man after chopping three times at a log had his shoulders calipered; and his name inscribed on the rolls by Johnny Inkslinger. They were then presented with a chip of wood as a symbol of their rank at Paul Bunyan's Camp.

FIELD DAY AT CAMP MA-KA-JA-WAN

On July 4 the Scouts of Camp Ma-Ka-Ja-Wan crossed to the athletic field on the other side of the lake to hold a Fourth of July track and field meet. The meet was held under the able supervision of Mr. Gopp with his two assistants, Buck Wise and Duncan Reed. Camp officers and campers who were applicants for the athletic merit completed the list of officials.

WATER REGATTA BIG EVENT

On July 1, Camp Ma-Ka-Ja-Wan had a water regatta. There were war canoe races, foot-first races, one-man canoe races, two-man canoe races, and two-man canoe gun-whale races. Also in the water sports were side-stroke, crawl, breast, and back stroke races. Also a crazy dive for beginners, feet-first for swimmers, blowing the cork for non-swimmers, carry the cork on a spoon for beginners, and balloon breaking for non-swimmers and the hay relay for swimmers. The meet was won by Shawnee Village.

JULY 4TH BIG DAY AT CAMP

On the Fourth of July at about 5:30 we took a hike into the woods. After eating under a tree and walking over logs, we set down and had sandwiches, watermelon, and sweet rolls. After we had all we could eat we went a little further and had the Paul Bunyan ceremony. After that we came back to camp and had a big fireworks display from the middle of the lake which was followed by the Order of the Arrow calling out ceremony—Jim Hanley, Camp Ma-Ka-Ja-Wan.

WHAT FOOD AT MA-KA-JA-WAN!

Chef Ross's food gets better each year. What hot cakes! You never go hungry at Ma-Ka-Ja-Wan, because the sweetroll factory never goes on a strike and the Chef's help from Florida, Dave Estroves, is especially a swell fellow and he and Bill Schmidtley make a fine kitchen pair. Moe Joyce and Ed Cassel are again at camp and are also helping in the kitchen work—Russell Palmer, Troop 324, Highland Park.

Ten Million People HELPED TO BUILD THE TIRE SENSATION of '34!

Beyond Comparison in Quality, Construction, Appearance and Price With Any First Quality Tire Made

THE way to create a TIRE SENSATION is to give the people what they want, and Firestone has done this with the new Firestone Century Progress Tire.

As millions of people visited the Firestone Factory at the World's Fair last year, we asked this question—"What do you value most in a tire?" They answered—"Give us Blowout Protection, Non-Skid Safety, and Long Wear at a moderate price."

We knew there was only one way to build Quality and Value into a tire at a moderate price, and that was by volume production. We built the greatest tire ever made to sell at these low prices. Car owners are profiting because we found out what they wanted and found the way to give it to them.

The new Firestone Century Progress Tire IS EQUAL OR SUPERIOR to any first quality tire built, regardless of name, brand, by whom manufactured, or at what price offered for sale.

CHECK THESE AMAZING VALUES

Come in and equip your car with this marvel of tire construction, at the lowest price we have ever been able to make on a tire of this high quality and construction, carrying a Triple Guarantee

- for Unequaled Performance Records
-for Life Against All Defects
-for 12 Months Against All Road Hazards\*

What MODERN Electric Cookery WILL DO FOR YOU

FAST-COOL-CONVENIENT and economical -at new low rates just announced by Public Service

Modernize your home. Cook your meals with electricity. Electric cooking will bring you new happiness, new freedom, new health protection—savings in food.

At the new low rates you can cook food with an electric range for no more than you did with difficult, old-fashioned methods. Investigate our plan to let you try an electric range in your home.

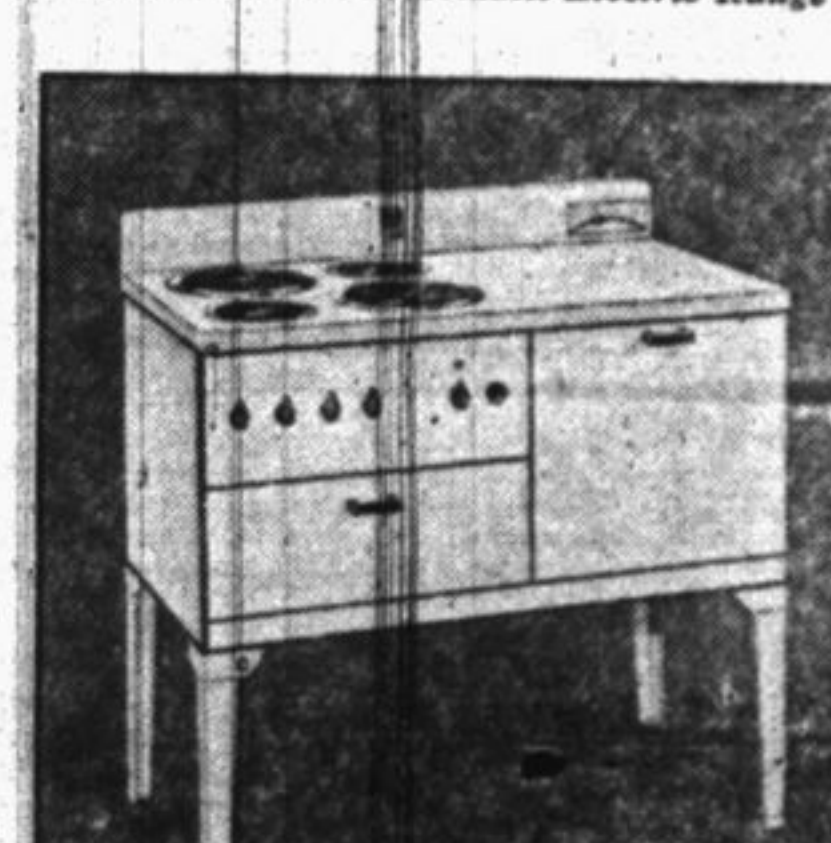

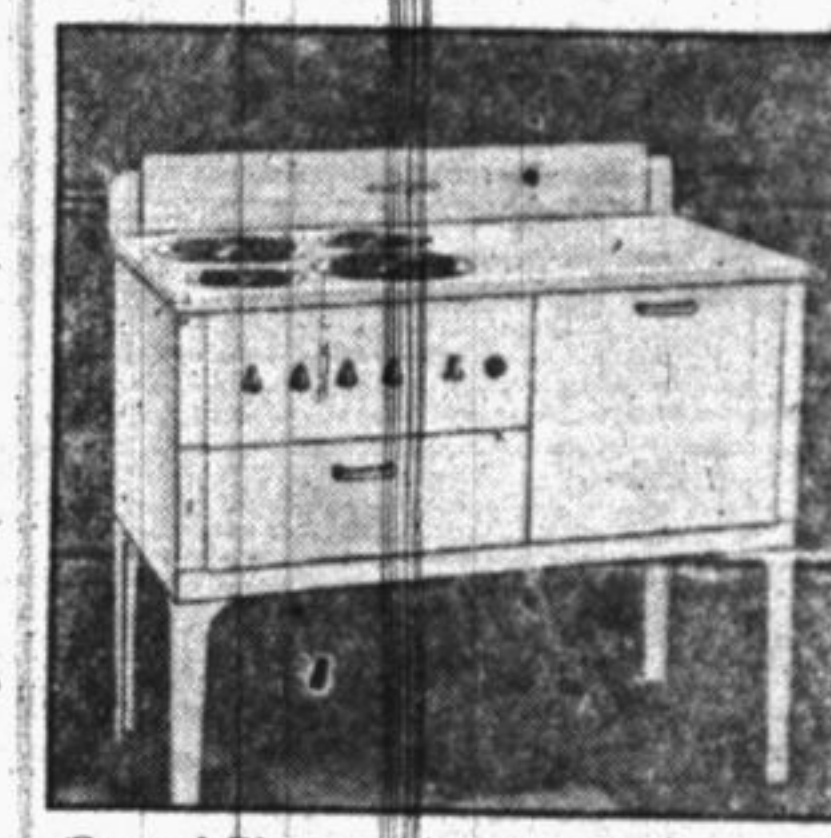

Here's the plan: You have your choice of three beautiful, fast, modern electric ranges—General Electric—Westinghouse—Hotpoint. You pay \$5 now, and your range will be placed in your kitchen completely installed with necessary wiring. Then you try this fast, economical way of cooking for six months or up to a year if you like, with monthly payments of \$4.10.

If you are not entirely satisfied with your electric range, we'll remove it and replace your former range without charge. If you decide to keep your electric range, your first payment and rental applies on the very low purchase price and you can continue to pay for the range at the rate of \$4.10 monthly.

Phone for full information, or come in for free demonstration of these modern electric ranges.

TRY AN ELECTRIC RANGE before you buy!

Now cool, clean, fast electric cooking can be yours with new low electric rates and a special offer to let you try before you buy. Visit your Public Service Store for details.
