HOT WATER, too SPECIAL COMBINATION OFFER Ask about the special combination offer on any of these electric ranges and an electric water heater.

What MODERN Electric Cookery WILL DO FOR YOU

FAST—COOL—CONVENIENT and economical —at new low rates just announced by Public Service

Modernize your home. Cook your meals with electricity. Electric cooking will bring you new happiness, new freedom, new health protection—savings in food.

At the new low rates you can cook food with an electric range for no more than you did with difficult, old-fashioned methods. Investigate our plan to let you try an electric range in your home.

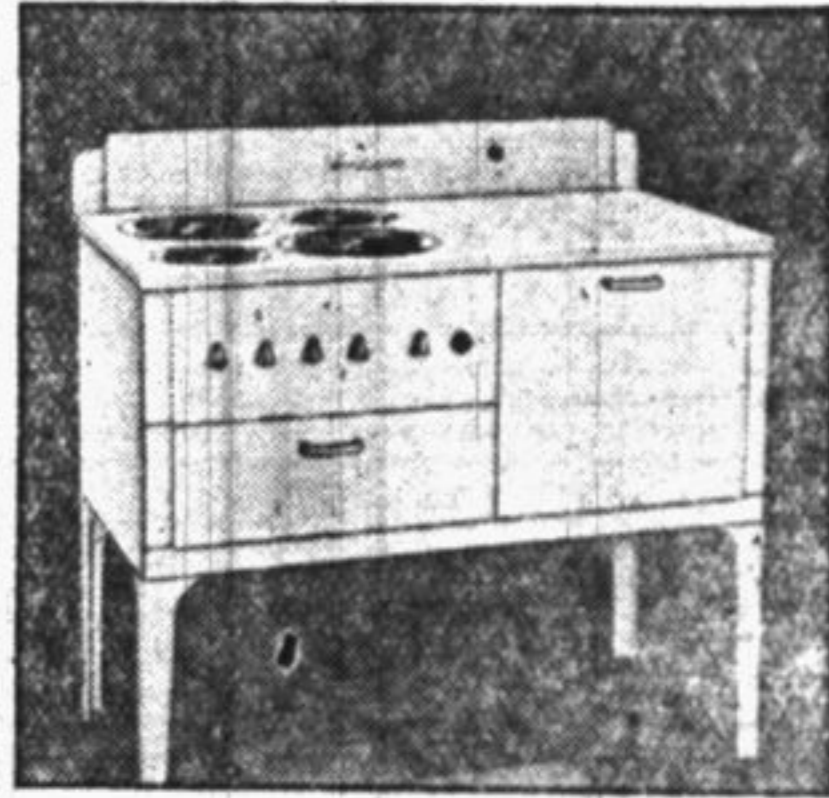

Here's the plan: You have your choice of three beautiful, fast, modern electric ranges—General Electric—Westinghouse—Hotpoint. You pay \$5 now, and your range will be placed in your kitchen completely installed with necessary wiring. Then you try this fast, economical way of cooking for six months or up to a year if you like, with monthly payments of \$4.10.

If you are not entirely satisfied with your electric range, we'll remove it and replace your former range without charge. If you decide to keep your electric range, your first payment and rental applies on the very low purchase price and you can continue to pay for the range at the rate of \$4.10 monthly.

Phone for full information, or come in for free demonstration of these modern electric ranges.

TRY AN ELECTRIC RANGE before you buy!

Now cool, clean, fast electric cooking can be yours with new low electric rates and a special offer to let you try before you buy. Visit your Public Service Store for details.
