

"Greatest Circus" in Evanston on Aug. 2

The world's mightiest amusement entourage, the Ringling Bros and Barnum & Bailey Combined Circus with its gigantic 1934 program of new world-wide wonders, many of which have never before appeared in America, is definitely scheduled to exhibit in Evanston on Thursday, Aug. 2.

The gorgeous, vastly enlarged inaugural spectacle, "The Durbar of Delhi" introduces the multitude of arenic marvels that succeed this pompous panoramic display.

The great new international congress of features presented in the seven rings and stages, huge hippodrome, track and the maze of aerial rigging includes the recently imported Otari Troupe in astounding mid-air feats. These intrepid performers fly from all points of the compass at the same time in perilous forward and reverse flights through space from their lofty aerial cross.

The circus bears on its four long trains of 100 double-length steel railroad cars more than 1600 people, 50 elephants, 1000 menagerie animals and 700 horses.

The great Con Colleano, tumbling, forward-somersaulting tight wire star has been recalled from European triumphs to join the great Ringling Bros and Barnum & Bailey Constellation of stars. The celebrated Wallenda Troupe of high wire thrillers, the famous Loyal-Repenski family, world's greatest bareback riders, Dorothy Herbert, most daring horsewoman in history, the marvelous Yacopi, Danwills, Uyenos and Yom Kam acrobatic troupes and the famous Concellos, Harolds, Rooneys and Walters, aerial wizards, are but a few of the headliners among the better known acts.

There are 150 internationally famous clowns in the gala 1934 performances of the world's largest circus—the greatest congress of fun-makers ever assembled.

Boosters Beat Indians in Mid-Season Series

The Highwood Boosters baseball team defeated the Highwood Indians by a score of 17-2 recently.

Yeary, Booster ace, held the Indians in check with six hits, striking out 12 batters. He also starred at the plate with 3 hits. Fred Bradley, St. Mary's College star, drove in 6 of the Boosters' runs on 2 doubles. The Highwood Boosters played airtight ball behind the pitching of Yeary.

Cuek Zinotti, playing a flawless game at second base, came up with beautiful plays that drew praise from the fans.

The line-ups:

IB-Lavo		Indians

Y.M.C. Nine Loses, 5-3; Then Scores a 5-2 Win

The Highland Park Young Men's Club baseball team split even during the past week, dropping their Wednesday evening twilight game to Roundout by a 5-3 score and winning a 5-2 game from Morton Grove on Sunday. Hickey held the Roundout boys to eight hits but his mates were able to garner only five off Huhn. Strowme allowed seven scattered blows to Morton Grove.

Next Sunday the local nine will tangle with the Highwood Indians at Sunset Park.

Weeds to Be Displayed in Winnetka July 30

Do you know your weeds? Are there weeds in your lawn and garden whose identity you do not know and whose eradication seems impossible?

A committee of the Garden Department of the Winnetka Woman's Club has prepared an exhibit of weeds for July 30, at the Garden Center in Community House. There will be potted specimens of weeds found along the North Shore, with their names and information regarding their eradication.

There will be a specimen of the noxious Canada thistle, which it is unlawful to allow to persist; also poison ivy, under glass, so those who are susceptible to its poison will not be affected.

Joseph Klaber Gets a University Scholarship

In recognition of outstanding ability, personality and character, Joseph Klaber, former Highland Park boy, has been awarded a \$500 scholarship at the Massachusetts Institute of Technology.

He is the son of Mr. and Mrs. Eugene H. Klaber, who moved from this city to Washington, D. C., a little more than a year ago. He is 17 years old, was graduated from the Lincoln School in Highland Park, and attended Deerfield-Shields High School here for three years. He was an honor graduate of Western High School in Washington in June.

We use filtered rain-soft water in laundering your CLOTHES

—and that is just one reason why things washed OUR way come back cleaner and last longer!

Six hundred gallons of filtered, rain-soft water is our average for each family washing. The water is changed over and over again—from nine to twelve times depending on the article.

Each fabric receives the laundering process proved best by scientific tests. Colors that are suspected of not being fast are washed separately. Silks, woolsens, etc., are given special handling.

Such care as this insures longer life for your clothes. And it costs surprisingly little. Call for a routeman and let him help you choose the particular service that fits your requirements and your budget.

I LIKE CHANGE IN MY SOCIAL ACTIVITIES

but not in the kind of service I get on the car

One gets bored doing the same old things for amusement. But I never get bored or irritated by the kind of service the Standard Oil Station men give us. We don't have to give the car a thought. Often, we remembered it needed greasing just when we wanted to go some place in the evening. Now the station men tell me a day or two ahead. They take it on a morning or afternoon when I don't need it. Isn't that simple? They do a wonderful job and certainly do keep it in fine condition. I've noticed, too, we don't have the repair troubles we used to. We wouldn't change for anything.
