Park Board Playground Schedule Is Announced

With favorable weather the past week the enrollment and attendance at all the Highland Park East Park Board playgrounds has increased considerably. Baseball games that had been postponed because of rain were played off in addition to those scheduled for the week.

Swimming has continued to be very popular during the hot weather. The majority of the children in the swimming classes are now able to swim the time now being spent in

improving their form.
Badminton for adults is one of the newer games that has met with great success. Badminton courts are open at Sunset Park at all times. Adults of the community seeking a recreational game will find this a most entertaining sport.

Boy Scout News

FRESH FROM CAMP MA-KA-JA-WAN

For the past two days there has been a few Scouts that are going around as deaf and dumb Scouts. These are of a selected group going through the ordeal of the Order of the Arrow. Wednesday afternoon six Scouts were nominated from each village and three were elected into the Order of the Arrow. In all there were twenty candidates selected into the Order by their fellow Scouts. Wednesday night they were called out from among the ranks of their fellow Scouts by a very impressive ceremony. Immediately following the ceremony they were sent out on the trail to sleep by themselves and at the same time they were put on silence throughout the following day. Thursday night the ordeal was climaxed by a big feast and a swell time was enjoyed by all. The following are new members of the Arrow. First Degree—Joe Guerin, John Wiese, Hobart Oden, Klipp Hamilton, Fred Mudgett, Merton Donahitt, Donald Cushman Roger Cushman, Henry Anderson, Leonard Trengillus, Steve Aubrey, Mark Follisbee, Phil Samuelson, Dick Hannen, John Baldauf, Tommy Simpson, Ed Greenhalgh, Leslie Sitz, Jack Roberts, Donald Good. Second Degree—Bill Murray, George Murray, Bob Greenhalgh, George Anderson.

BLACK FOOT VILLAGE

My article is about what happened to Blackfoot Village in the Second Period at Camp Ma-Ka-Ja-Wan in the year 1934. Blackfoot Village was reopened after being closed for three years. But after three years of the depression the Boy Scouts of the North Shore Area Council woke up to the fact that they had such a wonderful camp. So this year the camp was so crowded with new campers that they had to open a new village named Blackfoot. Finally after almost two weeks of hard work by Wilmette and Highland Park Scouts Blackfoot was cleaned and made beautiful by its faithful campers encouraged by two leaders, Robert Greenhalgh and Richard Holmes—Jimmie Crawford, Troop 2 Wilmette.

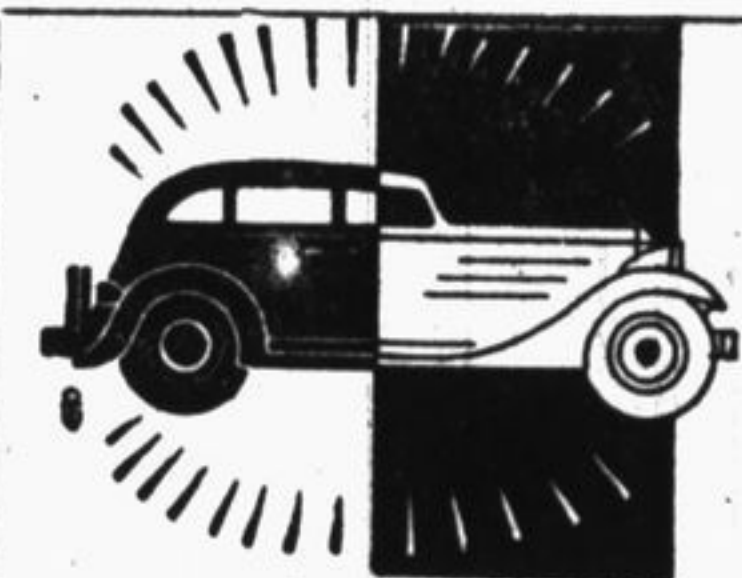

SECOND PERIOD BREAKS ALL RECORDS AT CAMP

The Second Period of Camp Ma-Ka-Ja-Wan has been completed and more records than one have been broken. 173 Scouts were in attendance and that in itself is a record. The largest number of campers ever to be at camp before was 165. These Scouts presented themselves at the Court of Honor last Friday night to receive 275 Merit Badges which is almost equal to the whole number of last season. All in all it was a great period. Lots of activity, lots of fun, and many happy memories laid away for all of the Scouts and Leaders. Second Period is history now, but will live many times again in stories and conversation.

THE CRAZY KING OF ABBYSSINIA

On July 16 a war, called the "Crazy King of Abyssinia" took place. Bud Carol taking the place of the king. This is how the war started.

On the morning of the 16th we came into breakfast and there sitting on the rafters in the mess hall was Bud cutting capers. After awhile the queen came in, the queen happened to be Bill Crawford with all her people in waiting. Then the fun began. Bud began yelling and throwing things down on the officers and when they finally got out of the mess hall they started ringing the siren and running the barge all around. In all these kinds of things there has to be a rival so Jim Mooney was the rival to the throne. When night came there was a court to decide whether or not King Carol was crazy. The debate lasted a long time. After the debate was over the jury went out to decide when they came out the verdict was that the king was not crazy and that all the pretectors and the supreme court must be thrown into the lake which was done
