**Legion Carnival in Highwood Last Week a Successful Affair**

Miss Marie Pierantoni was the winner of the popularity contest in connection with the Highwood Legion Days carnival last week, and was chosen carnival queen at the affair held on Thursday, Friday and Saturday. Miss Pierantoni was presented with a pearl necklace.

The winners of the other contests at the carnival were as follows: Arline Abernati, best decorated doll buggy; Marylyn Helton, best costume; Lucy Lucetti, best decorated bicycle; "Our Gang," best decorated car; Rose Chiappelli, first (wrist watch); Marie Pierantoni, second, and Victorio Baldi, third, in ticket contest; Mrs. D. Stupey Smith Post No. 501 of the American Legion wishes to take this opportunity to thank the public for its attendance at the successful 3-day affair, and to thank the officials of Highland Park and Highwood for their permission for the carnival. The post also wishes to thank Mr. Blackhall, general manager of the North Shore Line, for his kindness in letting the carnival use the North Shore Line property on Waukegan Avenue, without which the affair would not have been a success.

**Boy Scout Camp Now in Its Third Period**

The third and last period of Camp Ma-Ka-Ja-Wan, the Boy Scout camp near Antigo, Wis., which began Monday, July 23, is now in full swing and the boys all report a grand time. Last week had several hot days, but at Camp Ma-Ka-Ja-Wan one doesn't have time to pay much attention to the heat, since there are so many activities which can keep a fellow cool, and his mind off of the heat.

There are not as many boys in camp this period as there have been the first two periods, but they are having just as great a time. Swimming is grand and the Scouts who did not know how to swim when they came to Ma-Ka-Ja-Wan are rapidly learning under the leadership of Dick Wichman, who is the waterfront director.

The Scouts are making all types of handicraft — moccasins, metal work, wood carving, etc., which will all help to earn them the various merit badges offered for the different crafts. Hiking and nature study under Jim Mooney is full of adventure; the evening baseball games under Mr. Copp, and the campfires under the direction of Camp Director George W. Bersch, are just a few of the things which are helping to make third period a real success.

**McMillen, Plummer to Wrestle Again Friday**

Local wrestling fans are expected to pack Renahan's open-air arena at Round Lake, Friday night, this time to watch Leo Plummer attempt the herculean feat of beating his rival of long standing, Jim McMillen, two straight falls in 60 minutes and thereby gain the title of the heavyweight wrestling champion of Lake County.

This will be the second tilt of the local greats at the Round Lake arena. In their first match, the Antioch star flattened Plummer after a terrific battle that lasted 34 minutes and 22 seconds. In this meeting Plummer had McMillen's shoulders dangerously close to the mat on several occasions, but the referee, who was closer to the action than the ringside spectators, failed to see McMillen down.

Immediately after the match, Waukegan Lou put up a tremendous squawk claiming he had pinned the Antioch ace twice during the fray but Charlie Levine, the referee, refused to ward him the match because McMillen had too many friends in the crowd.

Then Lou challenged Jim to another match but to no avail. McMillen refused to have anything further to do with the powerful Waukegan Lad. On the Round Lake card two weeks later, both Plummer and McMillen received headline spots on the program in a double main event.
