CHRISTIAN SCIENCE CHURCHES

"Spirit" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, August 12.

The Golden Text was, "This is the word of the Lord unto Zerubbabel, saying, Not by might, nor by power, but by my spirit, saith the Lord of hosts" (Zechariah 4:6).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "It is the spirit that quickeneth; the flesh profiteth nothing; the words that I speak unto you, they are spirit, and they are life" (John 6:63).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Spirit is not separate from God. Spirit is God" (p. 192).
