Injured Carrier Pigeon Found Here

On Tuesday afternoon, while watering the lawn on the Christian Science Church grounds, A. J. Young, janitor, discovered a carrier pigeon which had flown down to refresh itself. After getting a drink it started to fly away, but because of a broken right leg, did not seem to have strength enough to get away. Upon examination it was found that it bore a rubber band with the number M-799 and a metal tag dated Aug. 1934, R.F.A. 652. If there had been any other message attached, it had been lost, as the rubber band had become quite loose.

Mr. Young took the bird and fed and cared for it, and although at first it seemed as though it would not eat, it is now beginning to eat and regain its strength. The question is, who does the pigeon belong to, and where was it headed for?

Rifle Championship Match To Begin At Ft. Sheridan Range

At 8 a.m. this coming Sunday, Aug. 26, the first relay for the Highland Park rifle championship match will start firing on the Fort Sheridan rifle range. Contestants are urged to report to the range promptly, in order to run off the match efficiently, for the range will not be available after 10:30 a.m. This time has been changed from 1 p.m., as announced in previous issues of this paper.

Rifles will be available at the range, upon request, for those competitors unable to furnish their own, and ammunition may be purchased at the same time, but competitors are urged to bring their own whenever possible.

As announced before, there will be a special prize for the highest score to be made by a woman shooter, in addition to the other attractive prizes open to both women and men shooters. The trophy and medals are on display in the window of Neild's Sport Shop, North Sheridan Road, where entries may be made.

Garden Class Visits Beautiful Estates At Lake Geneva Aug. 14

Driving to Lake Geneva to visit some of the beautiful homes there, the Community Garden Class of the Highland Park Woman's Club held their annual all-day meeting on Tuesday, Aug. 14.

The first home visited was "Ceylon Court," owned by Mr. F. L. Maytag, who extended to the members a most cordial, personal invitation.

This house was originally an exhibit of the World's Fair of 1893. It was purchased by Mr. Frank Chandler and a year later moved piece by piece and set up on the shore overlooking Lake Geneva.

After three years the estate was sold to Mr. J. J. Mitchell who remodeled the house by raising the roof to two stories high, but leaving all the beautiful satin wood panels and figures in their original position. The class was informed that a whole year was spent in the hand carving of a single panel, all of which were made in Ceylon.

After the death of Mr. and Mrs. Mitchell seven years ago the place was purchased by the present owner.

The grounds have been beautifully landscaped and a boat-house, a spring-house and swimming pool have been added. Mr. A. J. Smith, who has been the gardener there for thirty-one years is responsible for much of this work.

Mr. Maytag has purchased many vases, etc., which were removed by Mr. Chandler, and restored them to their original setting.

Luncheon had been arranged for on the terrace of Fernside Inn and during the half hour preceding this, Mrs. Thomas Dawson gave a brief review of the book "My Garden" by Louise B. Wilder.

The next stop was at "Wychwood," the bird sanctuary and plant reservation formerly owned by Mrs. Charles L. Hutchison, but later acquired by the University of Chicago. Trees and plants of Wisconsin are kept in their natural state and some 200 kinds of birds find a home here.

The last home visited was that of Mr. and Mrs. S. B. Chapin. As the garden is always the first interest to a garden class, they were met by Mr. Charles Ackerman, who has been gardener there for twenty-five years. His greatest pride is his vegetable garden, and his is one to prize. He also has a fine collection of gladioli and a beautiful border of annual phlox, the finest the class has seen this season. Mr. Ackerman says anyone could have one as fine, as his cost him exactly ten cents.

Leaving the garden the class was met by Mr. Chapin, who escorted them through the beautiful grounds surrounding the house. They then entered the house where they were graciously welcomed by Mrs. Chapin and her grandson.

Mr. Chapin added greatly to the end of a perfect day by playing selections on the pipe-organ, one of the friendly features of this charming home.

When the Community Garden Class announced their "Home visiting day" a few weeks ago, they received so many invitations to visit home gardens that two days were planned.

In continuing this most pleasant feature on Tuesday, Aug. 21, the gardens visited were those of Mrs. Charles Brooks, 818 Glenoc Avenue; Mrs. A. J. Metzler, Sycamore Place; Mrs. W. C. Egan, 300 Egandale Road; Mrs. Paul Melody, 116 South Dale Avenue; Mrs. Henry W. Boyd, 235 Prospect Avenue; Mrs. Arthur Fjerre, 335 North St. Johns Avenue; Mrs. C. B. Lott, 228 North Sheridan Road; Mrs. E. G. Reed, 198 Edgely Drive; Mrs. J. E. Ham, 1035 Ft. Sheridan Avenue; Mrs. Wade McNutt, 1041 Ft. Sheridan Avenue. Mrs. McNutt served tea to the class members.

Mrs. W. E. Durbahn, program chairman of the Community Garden Class, acted as hostess at the North Shore Community Center in Winnetka on Monday, Aug. 20. A display of vegetables grown in community gardens will be featured at the center meeting on Monday, Aug. 27.

A treat is in store for the garden class members on Tuesday, Aug. 28, when Mr. W. T. Christman, manager of the Northbrook Peony Farms and secretary of the American Peony Society, will give his illustrated lecture on peonies at the Woman's Club at 2:30 p.m.

Preceding this meeting the monthly board meeting will be held at 11 a.m. at the home of Mrs. A. D. Brush, 18 North Dale Avenue. Mrs. Brush will entertain the board members at luncheon.

Thompson Chandler of Charleston, W. Va., visited his grandnephew, Mrs. H. H. Chandler of South Sheridan Road over the week-end.

Human Skull Found Near Sheridan Road In Ravinia Section

Highland Park has a new mystery. A human skull was found last Saturday on a parkway beside Sheridan Road a short distance east of the entrance to the Ravinia Opera grounds.

Dr. John L. Taylor, Lake County coroner, after examining the skull, said that from its condition he would judge the person, possibly between 20 and 30 years old, had been dead between three weeks and a month. The remaining teeth were in good condition with no evidence of dental work, while a small piece of the scalp, and what seemed to be a strand of hair, were still attached to the skull.

A resident of Sheridan Road was responsible for the discovery of the skull when he noticed a dog gnawing on the object. The local police were summoned to the scene, and found the grisly object. An investigation is being made, but no clues have been found as to the "last owner" of the skull.

Removal Sale Offers Unusual Food Values

When the Highland Park fruit and vegetable market opens its two-week removal sale tomorrow morning, preparatory to moving into its new and modern store, housewives will have an unusual opportunity to stock up on quality foods at real money-saving prices.

In placing these foods on sale, Joe Yermak and Jack Lifschutz are offering only first class foods from their regular stock, some of the items having been received just this week. Their sole purpose in disposing of them at such low prices is to make room for a complete stock of Richelieu and Baby Stuart products in the new store, they announce.

To afford even greater savings, all items are being offered in dozen and half dozen lots. Prices will be in effect only as long as the present stock lasts. Many of the prices are lower than replacement cost. With a rise in food products forecast for this fall, the sale provides a fine means of stocking up before the advance gets under way.

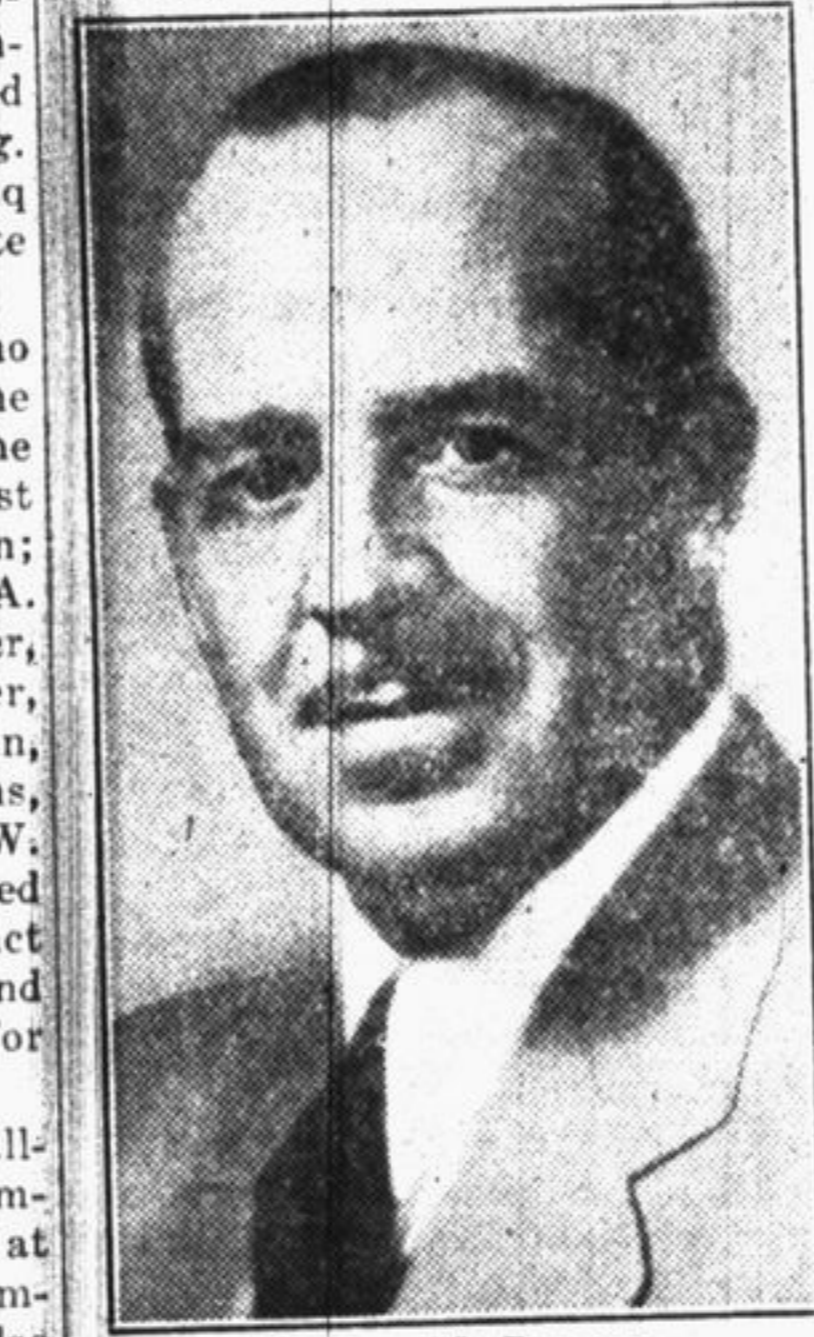

The new store, located just three doors west of the present one, will be opened early in September, and promises to be one of the finest independently owned food stores on the North Shore. Completely modern throughout, with the newest in store interior decoration and fixtures, air conditioned, and offering every convenience for the shopper, the new Highland Food Shop will be unsurpassed in efficiency, beauty and shopping comfort, its proprietors announce.

Miss Jean Williams of Lincoln Avenue, is spending two weeks in the northern woods of Wisconsin.

ACADEMY HAS NEW ATHLETIC DIRECTOR

Lloyd M. Bergen, Formerly at Culver, Is Now At Lake Forest Prep School

Lloyd M. Bergen, athletic director at Culver Military Academy, Culver, Ind. for the past two years, has been appointed to a similar position at Lake Forest Academy, it has been announced by Headmaster John W. Richards of the Lake Forest preparatory school.

Mr. Bergen, no stranger in Lake Forest and along the North Shore, graduated from the Academy in 1917, after which he spent a period with the army in France before enrolling at Princeton where he was graduated in 1924.

After winning sixteen letters in four major sports during his preparatory school days at Lake Forest Academy, Mr. Bergen played guard on the team which competed in the A.E.F. finals at the Palais de Glace, Paris, after the signing of the Armistice. He was a member of the 1932 championship Princeton football team, having been selected as all-Eastern guard that year.

Following his graduation from Princeton, where he was a member of the Elm Club and a leader in campus activities, Mr. Bergen returned to Lake Forest Academy where he was a member of the faculty and assistant to Ralph Jones in football. In 1930 he accepted a position at Culver Military Academy where he taught mathematics and science, conducted remedial and posture classes and served as assistant to the late Bob Peck, Culver physical director and athletic coach. At Peck's death in 1932, Mr. Bergen was made athletic director and head coach of football, basketball and baseball at Culver.

Aside from being a popular choice among the Academy's alumni and friends, Mr. Bergen is exceptionally well qualified to carry out the Academy's athletic policy. He is fully prepared to place corrective and physical development for every boy upon a plane of equal importance with competitive athletics.

He has taken physical education courses in corrective and remedial work at the University of Illinois under the personal direction of Dr. George T. Stafford, head of this department. He also completed several courses at the University of Wisconsin toward his master's degree in education.

Movie Premiere To Be Staged In Lake Forest Next Week

All the fanfare, the brilliance, and the realness of a veritable movie capital premiere will be brought to Lake Forest next Wednesday and Thursday evenings for the "Hollywood Premiere" to be held at the Deepath Theatre. No boulevard in Hollywood was ever gayer than Deepath Avenue will be on that evening, we are told.

Impersonating leading motion picture stars will be some of Lake Forest's most prominent and popular young people, who are to arrive in front of the theatre in shining limousines, step out on a carpeted sidewalk beneath the glare of Hollywood searchlights and clicking cameras, to say a few words over the "mike" and then to be ushered to specially reserved seats within the theatre.

Following the arrival of the "stars" a forty-minute stage revue will follow in which each "star" will be presented in a unique manner to the audience. Included in the stage revue will be eight acts of singing, dancing, and comedy sketches.

The feature picture for the evening, "Hollywood Party," is one of the outstanding musical films of the year, Jimmie Durante, Lupe Velez, Eddie Quillan, Laurel and Hardy, Polly Moran and other stars make up the all-star cast of the film.

The screen show will begin at 7 p.m. The "stars" will arrive at 8:30 p.m., the stage show will immediately follow, and the feature picture will be shown at 9:30.

Some of the stars to be impersonated will include Laurel and Hardy, Jean Harlow, Kay Francis, Mae West, Greta Garbo, Norma Shearer, Janet Gaynor, Sylvia Sydney, Katherine Hepburn, and others.

Mrs. Edith Harrison Manierre and Mrs. Carter Harrison, Jr., of Blum's Lake Forest, are sponsoring the selection of the movie "doubles." Their identities will not be revealed until the night of the premiere, but it is sufficient to say that some of Lake Forest's smartest young people will appear in the premiere.

Already selected for movie star roles are the following young ladies: Miss Flury Leonard, Miss Hope Leonard, Miss Caryl Ely, Miss Durie Malcolm, Miss Josephine Templeton, Miss Edith Harrison, Miss Gwendolyn Bowen, Miss Priscilla Morse, and others. The identity of the stars whom each will impersonate will not be revealed until the night of the premiere.

"Sorrell and Son" To Be Shown at Alcyon

Friday and Saturday's feature attraction is "Here Comes the Groom," a merry comedy of matrimonial errors. Jack Haley, the star of "Sitting Pretty" heads the cast, and is assisted by Mary Boland, Patricia Ellis and Neil Hamilton.

Warwick Deering's great novel, "Sorrell & Son," features H. B. Warner and a splendid cast. Here is a vivid drama made to thrill you anew as a talking picture. It is scheduled to show at the Alcyon on Sunday and Monday, Aug. 26-27.

Fifty hundred of Hollywood's most beautiful girls take part in the latest multi-star extravaganza, "Hollywood Party," a new conglomeration of joy and music, romance and comedy, spectacle and synecopation, which comes to the Alcyon Theatre next Tuesday and Wednesday. LABOR DAY CARNIVAL SPONSORED BY MOOSE

Celebration at Sunset Park Is Renewal of a Past Custom

Members of Highland Park Lodge No. 446, Loyal Order of Moose, again wish to call to the attention of the people of the community the fact that they are holding a Labor Day celebration and carnival at Sunset Park on the afternoon and evening of Labor Day, Sept. 3.

The giving of this affair on Labor Day will be the renewing of a past custom of the local lodge, but which has not been held for several years. "It is the hope that our many friends as well as all members will lend their hearty support in making this affair a real success," the officers state.

The committee in charge of the day's activities have been working hard to secure entertainment for all who attend and are able to assure everyone a good time.

"May we again call to your attention some of the many features that will be of interest to all. There will be dancing both in the afternoon and evening with a real live local orchestra to furnish the music. A number of rides have been engaged, as well as games, races and other features too numerous to mention," is the announcement.

"Through the courtesy of Mr. Purdy the committee has secured the use of the display window on east Central Avenue for the purpose of displaying a few of the grand prizes to be given away on the evening of Labor Day. These articles will be on display beginning the week of Aug. 27 and remain there until the day of the carnival.

"Let us again remind you of the date and place, Labor Day, Sept. 3, at beautiful Sunset Park right here in Highland Park. We invite you, your family and friends to be with us and enjoy a good time."

D. A. R. Better Films Committee Review

Thursday, Aug. 23, "Sadie McKee." This film presents an unsavory slice of life with characters representing very unpleasant types of human weakness in major roles. The few instances of decent motives—embodied chiefly by Miss Crawford—are curiously unconvincing. The story violates respect for law, order and ethics. "Not recommended."

Friday and Saturday, Aug. 24, 25, "Here Comes the Groom." Cast: Jack Haley, Mary Boland and Patricia Ellis. A fast moving farce with mistaken identities—conniving wives and grandland influence. The film borders amusingly on slapstick and the dialogue is occasionally suggestive. Adults.

"Maid in Hollywood." Thelma Todd and Patsy Kelly. Hilarious, fast moving farce built around the efforts of two girls to win success in the movies. Amusing, Family.

Saturday matinee only, "The Lost Jungle."

Sunday and Monday, Aug. 26, 27, "Sorrell and Son," featuring H. B. Warner, Margot Graham, Warwick Deering's impressive and widely known story of the sacrificial love of a father for his son and the latter's response to it has been given an exceptionally fine screen treatment. It is excellently directed with a profound understanding of deep spiritual values and of post-war psychology. The acting by an English cast with H. B. Warner in the lead is of a high order—simple, natural and beautifully restrained. The English country scenes are exceptionally lovely and the interior photographic light and shadow effects exquisite. Family.

Tuesday and Wednesday, Aug. 28, 29, "Hollywood Party." Cast: Jimmy Durante, Lupe Velez, Jack Pearl, Laurel and Hardy, Polly Moran, Charles Butterworth. A lavishly staged musical comedy caricaturing the film colony in Hollywood. Very little plot, much nonsense, some vulgarity and an utterly delightful "silly symphony" sequence in color from the Disney studio. Family.

Thursday, Aug. 30, "Little Miss Marker," with Shirley Temple, Adolphe Menjou and Charles Bickford. Left as security for a gambling debt by her father a little girl—through her belief in fairy love—performs her race track associates. Sentimental social comedy, very well acted and amusing for the family.

Schools To Open

Schools in District No. 108, Highland Park, including the Ravinia, Ridge, Braeside and Lincoln Schools, will open for registration Wednesday morning, Sept. 5, according to Clark G. Wright, superintendent of the district.
