ALBATROSS ON LAST LONG CRUISE OF THE SEASON

The Sea Scout Schooner "Albatross" of the North Shore Area Council has been having a very busy season, having been on the water and "on the go" since the first of July. Over 75 different Sea Scouts have enjoyed long cruises on this boat, and the cruises ranging in length from five to twelve days each. Every Sea Scout has gained many new experiences and enjoyed the thrills of their big adventure of Sea Scouting. They have encountered all kinds of weather good and bad, but in spite of the rough and rainy weather that the boat may have been through, the boys enjoyed every moment of it, and are all looking forward to the sailing season next summer.

At the time of the National Good Turn breakfast from the White House on February 10, 1934, President Roosevelt, honorary president of the movement, extended an invitation to all the Scouts of America to come to Washington, D.C., in 1935 for a unique celebration of the silver jubilee of the Boy Scouts of America. The invitation was received with great enthusiasm and work immediately started for a gathering of national significance.

The national jamboree in 1935, the first in our country, is bound to be an exceptional adventure. It is expected that 30,000 Scouts will gather in Washington. The great majority will be from our own membership, but besides, all foreign countries affiliated with the International Boy Scout Movement will be invited to join us with a representative troop of their own Scouts.

After the date of Sept. 13 there will be a series of short cruises, over night and week ends for the local Sea Scouts who might be interested. If any Sea Scout would like a little cruise on the good ship "Albatross" please get in touch with Gerald W. Shipman, Sea Scout director, at Scout headquarters in Highland Park.
