SCOUTS IN MANY COLLEGES ALL OVER THE COUNTRY
 With classes starting in schools all over the country, many scouts on the North Shore have left or are leaving to resume studies in various colleges. Each year finds a large percentage of those who are leaving for college have been and in many cases are scouts. Many of the scouts carry on their scout activities in their respective college communities where more and more opportunities are being given that sort of thing.

The Alpha Phi Omega, which is a scout honorary fraternity for college men, is one organization which is assisting greatly in keeping up the interest of college men in scout leadership.

"ALL IS WELL"
SEA-SCOUTS WIRE
 Word has been received daily from Gerald W. Shipman, skipper aboard the Sea Scout ship "Albatross" that all is well, the crew is fine and that much is being gained in real sea scouting. Real sea scouting, by the way, includes much more than mere ability to sail, but entails all of the things included in land scouting, having to do with good citizenship and real living with one's fellows. To supplement the telegrams many are the letters received from Mr. Shipman, telling of the adventures of sailing the 35 foot schooner in the waters of Lake Michigan. Scouts from three states have sailed aboard the ship this summer and all have reported a happy, adventurous, profitable and safe experience. Just now the ship is at anchor in the Chicago Naval Reserve Pier in Chicago, having just returned with the Sea Scout ship "Clipper" crew of Chicago.

Rod Smith of Highland Park has been mate and ship's cook aboard the "Albatross" and has kept the crew ball and hearty with his chow served three times a day, except in rough weather and then when convenient, such convenience being contingent upon the digestive disposition of the crew.

SCOUTS GETTING INTO THEIR FALL PROGRAM
 Although several troops have been meeting and carrying on special outdoor programs all summer and many scouts have been to Camp Makala-Wan and the other camps, the troops of the North Shore Area

Council, will soon be in a full fall program with lots of activity. Announcement will be made soon of Special Council Activities which will assist in the building up of interesting troop programs and give the boys those things which they expect to get when they come into scouting. Some four

hundred men definitely are actively interested in Scout work on the North Shore and five of their time and assist in the maintenance of the scout program for almost two thousand boys enrolled in the council.
