

### National Air Reserve Will Re-Organize as Club

Members of the National Air Reserve met last Wednesday, Sept. 12, at 517 Waukegan Avenue, Highwood, at what proved to be the last meeting of that organization. It was decided that as long as no word had been heard from national headquarters in New York relative to further activities of the National Air Reserve, and as members of this sector, as a whole, were eager to begin operating actively as a flying club, to reorganize.

A name for the new flying club was not decided upon as yet, and it was planned to have a committee in which each prospective member would submit his choice of an appropriate name, the name to be as short as possible and pertaining to flying. A reward of free membership for one year, including initiation fees, will be awarded to the person submitting the winning name. Any male of good character is eligible for membership. Captain Farneti was elected to head the new group for the first term, with Minor Williams as vice-commander, Frank Krohn as secretary, A. G. Haak as treasurer, and Roy Gherardini, as hangar guard, pending further organization.

A by-laws committee was appointed to draw up a set of by-laws to be presented at the next regular meeting, Sept. 26, 8 p.m. at Haak's Automotive Repair Shop, 517 Laurel Avenue.

Following adoption of by-laws, a state charter will be applied for, with all entering in the meantime being classed as charter members at very nominal fee. Closed charter initiation fees will be decided upon later.

Those desiring information or to submit their application should call Minor Williams at H. P. 266, Frank Krohn at H. P. 1204, J. F. Farneti at Highwood 3151, Roy Gherardini at H. P. 391, or Ed Haak at H. P. 3434.

### Lake Forest Academy Opening Exercises To Be Thursday, Sept. 20

More than a score of Highland Park boys who are enrolled at Lake Forest Academy, will be present at the opening exercises which will be held Thursday afternoon, Sept. 20, at 2 p.m.; in Reid Hall Chapel on the Academy campus, to mark the opening of the school's seventy-seventh year.

During the past summer, the interiors of East House, Durand House, Remsen House and South Hall, the Academy's dormitories, have been enlarged, and several new wood-working machines have been added to the equipment.

Several important improvements have been made in the Academy infirmary during the summer. The structure has been enlarged to accommodate eight additional beds. New plumbing has been installed throughout, and the building's individual heating plant has been supplanted by a steam line running from Reid Hall to furnish heat during the forthcoming winter. Aside from these alterations and additions, the building has been completely redecorated.

Lloyd M. Bergen, the Academy's new athletic director, has prepared an attractive football schedule, which shall be announced soon. Mr. Bergen, a graduate of Lake Forest Academy and Princeton, is well qualified for his new position. Having been a student at the Academy during 1912-16 and a member of the faculty and coaching staff during 1925-29, Mr. Bergen is well and popularly known to hundreds of the Academy alumni. During the past four years, Mr. Bergen has been a member of the faculty at Culver Military Academy, Culver, Ind., during the last two of three years, he was head coach and director of athletics.

### 3 Highland Park Girls Go To Rockford College

Three Highland Park girls, one of whom is a new freshman, have entered Rockford College this fall. The new student is Miss Rhea Zur Welle, daughter of Mr. and Mrs. Otto W. Zur Welle, 1631 S. Green Bay Road. Returning to resume their upper-classman studies were Miss Virginia Grant, a senior, the daughter of Mr. and Mrs. Charles F. Grant, 610 Forest Avenue, and Miss Helen Mae Koon, a sophomore, and the daughter of Mr. and Mrs. George H. Koon, 913 Ridgewood Drive.

When Rockford opened its doors Monday, Sept. 17, for its eighty-eighth year as the central west, students found that significant changes in both the college staff and the buildings had taken place on the campus during the summer months. The most important development was the appointment of six new professors to the faculty, the first step taken by the new thirty-year-old president, Dr. Gordon K. Chalmers, in his plan to make the college staff the "finest west of the Allegheny mountains."

### Presbyterian Young People In Meeting At Druce Lake Camp

The young people of the Highland Park Presbyterian Church spent the week-end at Druce Lake Camp, near Gray's Lake. It is about 25 miles from here and belongs to Association House in Chicago. There are comfortable quarters—a large dining hall, recreation hall, cottages with running water, gas for cooking, a large outdoor swimming pool, and beautiful wooded surroundings.

The young people left at 5:30 on Friday and stayed until Sunday evening. There were twenty-seven in attendance. Dr. L. W. Sherwin gave the opening address.

Baker Hamilton conducted class periods on "Our Presbyterian Church—Its History, Organization, and Program" both Saturday and Sunday mornings. There were also recreational activities, inspirational addresses, worship services, and conference periods.

There was plenty of good food with three big meals a day, and all young people helped with the preparation of the meals. The retreat closed with a Galilean service by the light from the huge fireplace in the recreation hall. Mrs. H. M. Pier told the story at this service. Mr. and Mrs. S. T. Dexter chaperoned the group for the entire period.

### Indians Scalp Boosters; Win City Championship

The Highwood Indians showed themselves superior to the Highwood Boosters by winning the city championship baseball game last Sunday at the Boosters' Field by a score of 8 to 2. The Indians hammered the Boosters' ex-minor league pitchers for a total of 14 hits while the Indian ace, J. Casteleri, was a master on the mound and allowed only 4

scattered hits.

The game was tied at 1-1 for 4 innings, but in the 5th and 6th the Indians hit most of Cameron's offerings for base hits which, intermingled with errors by the highly-touted Boosters, gave them 7 additional runs.

Outstanding players were Traini, Bertucci and Ranchetti. Traini at short repeatedly killed any chance of a Booster rally turning it into a put-out. At bat he was also credited with a double and a single in the

Boosters' disastrous inning. Bertucci and Ranchetti each made three hits out of five trips to the plate.

Boosters ..... 010 000 001 8 4 5
