

### Deerfield Local and Personal

Mr. Harold C. Youngs is on a fishing trip at Crystal Falls, Mich., with "Amos and Andy" of radio fame who in real life are Messrs. Correll and Gosden.

Mr. and Mrs. Harold Plagge and two children Betty and Raymond, Mrs. William Plagge and Miss Viola Rockenbach visited Raymond Rockenbach in the Sherman Hospital at Elgin on Sunday.

The Chester Wessling's spent Sunday at the Orville Wessling's home in Highland Park.

Miss Esther Grantham of Chicago, who has been visiting her parents, Mr. and Mrs. James Mitchell Grantham for the past week is now on a business trip in St. Louis, Mo.

Mr. and Mrs. Roy Miller will occupy the Percy McLaughlin apartment October 1.

George Dickman of Ford County, Ill., spent Friday at the home of Mrs. Mary Huhn. Mr. Dickman also visited at the Fred Schwab home during his week's stay in this vicinity.

Mr. and Mrs. Elbert Hines have moved from the McLaughlin apartment to the cottage owned by Arthur Wagner on Woodward Avenue, recently vacated by the Lester Hennings.

The Altar and Rosary Society will meet the last Friday evening of this month at the rectory of the Holy Cross Church.

Mrs. Arno Frantz underwent a major operation at the Highland Park Hospital on Friday. Her sister, Mrs. Hazel Vant Kreh of Waukegan, is staying at the Frantz home.

Deerfield Grade School teachers are now located for the coming year. Miss Genevieve Card will stay at

the Eugene Becker home; Miss Irene Evensen at Sam Rockenbach's; Jean Nygard, Beth Andrew and Ethel Titus at Chester Wessling's and Lita Toll in Highland Park, Miss Dorothy Lidgerwood with her parents here, and Hazel Miller and Dona Belle Jensen with Mrs. Delbert Meyer. At present Miss Titus is staying with Mrs. F. Tripp in Libertyville until Principal and Mrs. C. E. Bates move from the Wessling home to their house on Warrington Road October 1.

Mr. and Mrs. Nick Mele and family are moving from the Jens Petersen house on West Central Avenue to Forest Glenn, the latter part of September.

Miss Betty Clavey entered her sophomore year at Maryville in Evanston on Monday.

Mrs. H. C. Youngs will entertain her sewing club at luncheon Wednesday at her home on Todd Court.

Mr. and Mrs. Harry Muhlke were Sunday guests at the Hugh Walker home in Chicago.

Mr. and Mrs. A. V. Mericle have opened a sandwich shop in the store north of Knaak's Pharmacy on Waukegan Road.

Miss Lillian Ackerman, who taught in the Von Stueben High School last year has been returned to her former position as principal of the Goodrich Grammar School in the heart of the Chicago Ghetto. Miss Ackerman, who lives with her sister, Mrs. Paul Hunter, has done much for the children of that district.

Mrs. Richard Mau and her little daughter, Mary Ann, returned home Tuesday from the Highland Park Hospital.

Constance Koebelin, daughter of the Edwin Koebelins, broke her arm while playing "Red Rover" at the grade school last Wednesday.

Rev. and Mrs. Mark J. Andrews of Harlan, Ky., formerly of Deerfield, enrolled their two sons, Mark

Jr. and Joseph, at Maryville, Tenn., last week. Jean Brand and about eight other young people from this vicinity are also attending college this fall at Maryville.

Mr. and Mrs. R. E. L. Holmes and grandson, Earl, of Clarksville, Mo., Mr. and Mrs. William Hutchison of Waukegan and Mrs. Laura Sommers of Indiana were Sunday dinner guests at the R. D. Reeds home.

Mr. and Mrs. William Hellman of Waukegan spent Sunday with Mr. and Mrs. S. P. Hutchison.

Mrs. Robert Johnson, president of the Deerfield Woman's Club met with the members of her board at her home "Cloverleigh" on Friday.

Mrs. George Ott has been ill at her home on Forest Avenue.

Mr. and Mrs. Felix Earnest have rented their home on Rosemary Terrace to the Ritter family from Kenosha and have leased a farm near Half Day.

Instruction classes for children to be confirmed are being held at the Holy Cross Church. Bishop Shiel will preside at their confirmation on Sunday, Oct. 28.

Dr. Walter B. Metcalf had as his guests on Thursday two friends of long standing, Dr. Richard Street and Mr. Fred C. Edgerton of Crystal Lake. Dr. Street and Mr. Edgerton were guests at the Rotary Club and Dr. Street was guest speaker.

Mr. and Mrs. Leslie Brand are staying at the Erickson home in Highland Park until November 1.

Mr. and Mrs. E. S. Wortham, who are spending the season in the Leslie Brand home, had as their weekend guest, Miss Ruth Meyers of Chicago.

Sunday, Oct. 7, has been set aside as a day to honor Sunday School teachers for faithful service. On the evening of that day there will be a union service of the three

Protestant churches in St. Paul's Evangelical Church at 7:30 o'clock.

The Deerfield Camp of the Royal Neighbors has been invited to participate in the Stunt Night program of the Evanston R.N.A. next Monday evening in that city. The local camp will present a comedy "In the Doctor's Office." The cast includes Mrs. William Johnston, Mrs. Otto Gieske, Mrs. Conrad Uchtman and Mrs. Emil Fredricks.

Dorcas Circle Two has planned a luncheon for its September meeting on the last Wednesday of the month. Circle Three will meet Friday, Sept. 28, with Mrs. E. H. Johnson and Circle Four with Mrs. Charles Seago on Thursday, Sept. 27.

Mrs. Leonard North will entertain the members of the Independent Social Club next Wednesday afternoon.

Mrs. Henry Scanlan of Green Bay, Wis., spent last week-end at the Earl Frost home.

The Woman's Missionary Society is meeting this afternoon at the Presbyterian Church with Mrs. L. B. Sinclair of Highland Park as guest speaker. The subject is "National Missions."

Mrs. E. M. Palmer will entertain her bridge club tomorrow afternoon.

Deerfield students again take important parts in the musical organizations of the high school. John Engstrom was elected president of the orchestra and Richard Merner, president of the band for the coming year.

Mrs. John Ott is entertaining St. Paul's Sewing Society today at her home on Oakley Avenue. The women are working on a quilt this week which is set up in the Sunday School rooms of the church. The three circles of the women's organizations have planned a card and bunco party for Wednesday, Oct. 3, at 1:30 p.m. in the Masonic Temple.

# Firestone LEADERSHIP

*"The Ultimate Test of Leadership is Performance"*

**FIRESTONE** maintains its leadership in tire development by producing a new tire for 1934 with a wider tread, flatter contour, deeper non-skid, greater thickness, and more and tougher rubber, which gives greater non-skid safety, more traction, greater blowout protection, and more than 50% longer non-skid mileage.

**DEEPER NON-SKID GREATER THICKNESS FLATTER and WIDER TREAD MORE and TOUGHER RUBBER MORE TRACTION MORE NON-SKID**

**THE New FIRESTONE HIGH SPEED TIRE for 1934**

These achievements are made practical by the Firestone patented process of Gum-Dipping, providing greater adhesion between the plies of the high stretch cords and between the Gum-Dipped body of the tire and the tough, massive non-skid tread. It also provides greater strength, longer flexing life, and greater protection against blowouts.

Gum-Dipping made it possible for Firestone to design, develop and put on the market the first successful balloon tire in 1923. This tire was the pattern used by all others and completely revolutionized the tire industry and set new standards for the automobile industry.

For fourteen years leading race drivers have driven to victory on Firestone tires, built with Gum-Dipped high stretch cords. They have trusted their lives to Firestone Leadership—as they know that the patented Firestone construction features provide them with greater safety—longer mileage—and greater blowout protection.

Drive in today and replace your smooth, thin, dangerous tires with the new Firestone High Speed Tires for 1934.

Listen to Lawrence Tibbett or Richard Crooks and Harvey Firestone, Jr., every Monday night—N. B. C. Network

### Performance RECORDS

#### FIRESTONE HIGH SPEED TIRES

- for fourteen consecutive years have been on the winning cars in the 500-mile Indianapolis Race. **THIS IS BLOWOUT PROTECTION**
- for seven consecutive years have been on the winning cars in the daring Pike's Peak climb where a slip meant death. **THIS IS NON-SKID SAFETY AND TRACTION**
- for three consecutive years have been on the 131 buses of the Washington (D. C.) Railway and Electric Company covering 11,357,816 bus miles without one minute's delay due to tire trouble. **THIS IS DEPENDABILITY AND ECONOMY**
- were on the Neiman Motors' Ford V-8 Truck that made a new coast to coast record of 67 hours, 45 minutes, 30 seconds actual running time. **THIS IS ENDURANCE**

### The NEW Firestone AIR BALLOON for 1934

The new Firestone Air Balloon for 1934 embodies all the improvements in the new Firestone High Speed Tire. The lower air pressure provides maximum traction and riding comfort. Gum-Dipping safety-locks the cords, providing 30 to 40% greater deflection and blowout protection.

Get 1935 low swung style by equipping your car today with these new tires and wheels in colors to match your car. **FREE TRIAL ON YOUR CAR.**

Firestone Tires are Track Tested on the greatest proving ground in the world—The Indianapolis Speedway.

Firestone Tires are ROAD TESTED on the large fleet of Firestone test cars, day and night every day in the year, over all kinds of roads and highways.

### THE ADHESION TEST

Note how the rubber in a Firestone tire clings to the high stretch cords. This greater adhesion is made possible by Gum-Dipping which soaks the cords in liquid rubber, and saturates and coats the millions of fibers inside the cords.

### THE ACID TEST

To be positive that rubber penetrates every cord and coats every fiber, a solution of sulphuric acid which quickly destroys cotton but not rubber, is shown in test tubes with Firestone Gum-Dipped fibers and fibers from any other tire made. Firestone gum-dipped fibers withstand the acid because they are the only fibers that are insulated with rubber, minimizing friction and heat, the deadly enemy of their life.

### ROAD AND TRACK TEST

The extra strength—longer wear—greater traction—more non-skid safety—and greater blowout protection of Firestone High Speed Tires are the results of the most severe road and track tests. These have made possible the outstanding world records on road and tracks.

See these new Firestone High Speed Tires made at the Firestone Factory and Exhibition Building at "A Century of Progress"—Opening May 26
