Chicago Plant, Flower and Fruit Guild Will Close Season Sept. 28

On Friday, Sept. 28, the 1934 season of the Chicago Plant, Flower and Fruit Guild will close. Residents of the North Shore and vicinity who have been so generous throughout the summer in sharing the products of their gardens with the city's unfortunates, have the grateful thanks of Guild officers and of the recipients.

While the Guild's regular season extends only from May until October, many of the co-operating clubs undertake to collect contributions of jams, fruits, jellies, scrap books, and a variety of other articles to send, at Thanksgiving and Christmas time to the deserving institutions which the Guild serves.

The chairman of the Community Garden Class of the Highland Park Woman's Club, Mrs. Wade McNutt; of the Highland Park Garden Study Club, Mrs. Louis Francoeur; North Shore Garden Club, Mrs. Albert Arsenberg; Ravinia Garden Club, Mrs. F. Kaumanns; Bannockburn Garden Club, Mrs. A. W. Torbet; and Mrs. A. H. Harrison, division chairman, will have the details regarding this extra activity.

In spite of the dryness of the past summer the Guild reports that it received huge quantities of flowers and other garden products, which compared very favorably with previous seasons. The continued success of Guild work is due entirely to the capable efforts of its local chairmen, and to the generosity of garden owners, who have responded so willingly to all appeals.

Mrs. Miners To Teach Contract Bridge Here

At a committee meeting at the YWCA Tuesday afternoon, made up of representatives from the various schools and a few townswomen, it was decided to sponsor a night class in contract bridge. Mrs. W. A. Alexander is chairman of this committee. This class will be taught by Mrs. Maxine C. Miners of Oak Park. It is a rare opportunity for Mrs. Miners has been a recognized teacher for the past ten years, we are told. She was lecturer with Mr. Work for four years and holds certificates in all systems, but presents the Culbertson system unless the group requests Simm's. She has done radio work for the past four years also. It will be a six weeks' course, beginning Wednesday, Oct. 3, at 8 o'clock. Mrs. Miners is generous with her

time, giving at least two hours to the group. The course is open to the public, both men and women.
