CHRISTIAN SCIENCE CHURCHES

"Matter" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, September 23.

The Golden Text was, "Tremble, thou earth, at the presence of the Lord, at the presence of the God of Jacob" (Psalms 114:7).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Judge not according to the appearance, but judge righteous judgment" (John 7:24).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Whatever is material is mortal... Divine Science shows it to be impossible that a material body, though interwoven with matter's highest stratum, misnamed mind, should be man—the genuine and perfect man, the immortal idea of being, indestructible and eternal" (p. 477).
