OLD WELL DISCOVERED

Workmen preparing to build a new sidewalk on St. Johns Avenue last week discovered an old well, thought by many to be the old city well, in use here many

years ago. The old well was discovered on the east side of St. Johns Avenue, on the site of the new business buildings being built there, replacing buildings which were many years old when they were torn down early this year. The new sidewalk there is wider than the original one, and the old well was found under the site of one of the former store buildings on St. Johns Avenue.

Hospital Certificate Campaign Gets Under Way Here This Week

Hospital Board, all members of the management committee for the annual drive, captains and scores of workers went "on duty" for the local hospital at a rousing and enthusiastic dinner at the Northmoor Country Club last night (Wednesday, Oct. 3) to launch the third annual campaign for the sale of Highland Park Hospital Certificates.

The enthusiasm displayed at the meeting and assurances already received from a large percentage of the citizenry pledging their support and other articles that could be filled in relief activities where neithpoint to this year's campaign as one of the most successful ever held. precedent of a reception, at the club the Supervisor can serve in this dis- Posters are on display in prominent locations calling attention to the lay's estimate was 210 points, and locations calling attention to the A.
