THE LAUNDRY IS GIVING HER LEISURE

North Shore woman tells how the laundry is saving her time . . . AND MONEY!

"I teach the Hawaiian guitar and need time, an alert mind and good health. Besides I have my home to look after. That's why I use Wet Wash. Just think . . . it gives me an additional day each week for these other things and averages only 69c a week. Everything considered, that's a bargain not to be overlooked by any modern woman."

Mr. M. A. Conrad
178 Prairie Avenue
Wilmette, Illinois

Stop and figure how much it's costing you to do your washing at home as compared with the "bargain prices" of popular laundry services. Does it not prove to you beyond any doubt that you can no longer AFFORD to do this menial task yourself? Think of this. Any member will wash your clothes, beautifully, immaculately clean, in a modern, sunlit laundry for less than you're paying for your washing supplies. You can have a whole

day for yourself every week . . . you can be freed forever from that most wearing of household tasks . . . AND ACTUALLY SAVE MONEY!

Try one of the thriftilly priced services for just a week or two. As surely as you're a modern woman, you'll never go back to old-fashioned washdays in your home again. Telephone the North Shore Quality Laundry in your community to call for next week's bundle.
