HIGHWOOD WILL HAVE WAR-TIME ARMISTICE

Nov. 11 Will Be Observed In Same Manner As It Was Sixteen Years Ago

Armistice Day in Highwood will be observed, as far as possible in the same manner as it was 16 years ago, if the present plans of the Armistice Day committee of that post are carried out.

The day will start with a military parade. Fort Sheridan has been requested to furnish a section of Field Artillery, the band and buglers; the Marine detachment of Great Lakes has been asked to furnish a guard of honor for the colors, and in honor of the post commander of Stuyvesant Post, Charles E. Anderson, who so nobly upheld the spirit of the Marines in every major offensive of the World War. The Sons of the Legion who will have perfected their organization by this time will parade as a unit for the first time. Spanish American War Veterans, as well as the G.A.R. veterans, will take part in the parade and in the ceremonies.

Promptly at 5 minutes to eleven, fireworks will be set off, whistles will blow, and every available noise-making machine will be brought into play. This will cease at eleven o'clock, at which time buglers congregate on the roofs will sound "taps," which will be re-echoed by other buglers, after which the band will play the national anthem; then 6 seconds of silence, the invocation, and an address by the District Commander Henry K. Foval, who will take as his subject "Can We Afford to Forget Armistice Day?" These ceremonies will be closed by the District Chaplain Henry Hansen.

During the ceremonies, a newly installed flag pole will be dedicated in the city park and the new flags raised. In the afternoon there will be a football game at the local park, and at night there will be a banquet, get-together and entertainment. This will be held in the downtown section and admission will be by ticket only. There will be a tented floor show, to say nothing of the refreshments.

Impromptu speeches will be made, and the speakers asked to compete in a contest to determine who is the best liar of the party. Some war-time incident which did not happen will be related, and if the judges find one lots of truth in the narrative, the contestant is ruled out. The prize for this will be a loving cup.

There will also be present a mind reader of great renown, whose name will be withheld at this time.

Also at this time "The Highwood Overseas Band" will make its first appearance. The entire day will be observed with the carnival spirit, and all veterans regardless of what organization they belong are welcome.

The "Saluting Demon of the Legion," Louie Otten, will be the master of ceremonies.

Mexican Program Is Opening of Year For Ravinia Woman's Club

The opening luncheon meeting of the Ravinia Woman's Club, Wednesday, Oct. 10, which featured a Mexican menu followed by a talk on Mexico, provided a delightful afternoon for its members, prospective members, and guests, we are told. The Village House was gay in its array of Mexican blankets and hangings. The elaborate display of native Mexican arts and crafts, loaned for the occasion by Ravinians, added greatly to the interest of the program.

Mrs. Hazel Crowe Ewell, a well known artist of Ravinia, presented her impressions of this intensely interesting people and country under the subject "Sketches of Life in Mexico." The many sketches hung about the room were those which Mrs. Ewell did while traveling in Mexico last winter.

The art department of the club, which arranged for this display of Mexican arts, also sponsored the open house in the evening. Many people inspected the array of pictures, glassware, pottery, blankets, and articles of clothing.

Championship Team of Young Men's Club To Open Fight Sunday

(By M. Warner Turritt)
The Highland Park Young Men's Club football team opens the 1934 grid season Sunday afternoon, Oct. 21, with the Chicago Heights squad, who appear to be worthy opponents. The game will be played at the Deerfield-Shields High School athletic field, where last year the green wave chalked up victory after victory to remain undefeated on their home grounds.

The Highland Park team has a great deal of honor to hold and a reputation to keep. They were undefeated in every encounter last season, save for a 3-0 defeat by the Chicago Shamrocks, which they later avenged to the tune of 19-0 in a return game.

Many old faces will be seen in the lineup of this year's eleven, as well as a good many newcomers. The Young Men's Club has bolstered the team to such an extent that it hardly seems probable that they will encounter any outfit too tough to manage. It might be well to mention the fact that they have secured the services of several university stars whose names were the talk of the gridiron world last fall.

Ollie Olson, Northwestern University versatile full back, is on the list of celebrities. Olson's punting and passing kept the Northwestern Wildcats in the running for three seasons, and now he comes to Highland Park to give visiting teams something to worry over. Another who is by no means unknown to Highland Parkers, although he did his pigskin toting for Yale University, is Bob Childs, known as "Chico" by eastern football followers. You'll see plenty of those during the season and undoubtedly see a repetition of some of their spectacular plays that made them famous in college.

Ed Ganzberg, Bill Dickenson, Emmett Fitzgerald, and B. Johnson, drafted from the former Lake Forest Young Men's Club team, will also exhibit their wares before football minded people of Highland Park. Ganzberg, a huge 210 pound tackle, will do more than strengthen the line. Ed is known as a scrapper and it's better for the Young Men's Club to have him playing with them instead of against them. Dickenson will be stationed at one of the half back positions where his ability as a runner, passer and punter will come in mighty handy. Fitzgerald, a center, and Johnson, a full back, will give opponents enough to think about.

Those returning from last year's squad are: Art Bock, end; C. Becker, quarterback; G. Schwalback, guard; Bill Mayer, half; Bill Lutz, quarterback; Hook Kress, end; Bud Moon, tackle; Lester Allens, full back; H. Foreman, 220 pound guard; C. Parker, full back; and "Deer" Stipe, an end. Everyone of the above mentioned are familiar to football followers in Highland Park who witnessed last year's games.

A word about the Chicago Heights team. They have played several games already this season, holding a slight advantage over the Green Wave, inasmuch as this is their first contest. The Chicago Heights team's noteworthy victory this season was a 12-0 win over the VRBA Berwyn Parrots, a team comprised of a combination of stars from the former Berwyn Legion Parrots and the Cicero Boosters. Both of the latter teams were beaten severely by the Highland Parkers last year.

The visitors' team averages 181 pounds, the line average is 193 and the backfield 170 pounds. They are no "setups" for anybody, and boast a strong running attack which may or may not trouble the local squad.

The next article of the game following Sunday's encounter will contain surprises for everyone interested in the Highland Park Young Men's Club football team. Watch The Highland Park Press for news of this football team and for changes in the lineup which will appear in this column every week during the season.

Ravinia Cubs Expect Very Active Season

Dr. Marshall Blume, the Ravinia Boy Scout Cub-Master, is pleased with the outlook for his pack this season. More than 60 active Cubs are registered in the pack. Assisted by Howard Cope of the Ravinia School and the Cub committee of which Karl Wagner, Bob Bryant and Kent Wonnell are members, a meeting was held Tuesday evening to plan a program for the year. Saturday morning the boys met at Ravinia football field and after a short meeting games of football and soccer were played by the Cubs.

LOCAL TALENT PLAY AT HIGHWOOD SCHOOL

"The World's All Right" Will Present Cast of 150 Oct. 24, 25

On next Wednesday and Thursday nights, Oct. 24 and 25, the Highland Park School Board will stage "The World's All Right," with a cast of 150 prominent local people at the Oak Terrace School in Highwood. "The World's All Right" completely answers the description of "Something different."

The scene of the entire show is laid in a broadcasting studio and the radio announcer, Jimmy Waddell, is played by Clyde Cameron. His sweetheart and secretary, Jane Rogers, is played by Audrey McCusker. These two people are trying to keep their radio station from going broke. Bill collectors haunt them and talent quits, nevertheless, they are determined to put over a big program in order to sell an advertising contract to Mr. Dinkell. Arthur Kjellquist plays the part of Mr. Dinkell of Dinkell Pickles, Inc. John Jacoby plays the part of the Bill Collector.

The comedy lead, Joe, the office boy, is played by George Rich. He saves the day in the end by putting on an act over the air which is a sensational success. Marie Lawther plays opposite Joe in the role of Gertie Green, the vamp of New Orleans, and sings the number which is the high spot of the program.

The entire show being laid in a broadcasting studio, it is unique because the audience is given a backstage view of what goes on as the programs are put on the air. When talent fails to show up and things go wrong, the radio announcer is often called on to fill in and give character impersonations himself. In many instances that is just what takes place in the show.

Candidates To Appear In Ravinia On Monday

In order to enable the voters in Highland Park to cast an intelligent vote in the coming election, there is to be an open meeting at the Ravinia Village House, at eight o'clock, Monday, Oct. 29, to which candidates for county and state offices are invited to present their qualifications for office. This meeting is sponsored by the League of Women Voters, the Ridgewood Drive Association, the Braeside P. T. A. and Civic Association, and the Ravinia Civic Association. The meeting is to be non-partisan and open to local residents.

Anyone wishing to obtain further information upon this subject can do so by reading the October issue of the official organ of the League of Women Voters, called "The Illinois Voter," which contains the replies of the candidates for Congress and state officers to a questionnaire sent each one requesting his stand on important questions connected with his office.

Ravinia Garden Club Meets Last Friday

A real treat was enjoyed by the members of the Ravinia Garden Club on Oct. 12 at the home of Mrs. Dudley Crafts Watson. The entire program was devoted to "Trees." The house was decorated with autumn leaves and Mrs. Ross J. Beatty read from her poems, "Trees and Their Legends." Mrs. Raymond Watts gave a short talk on "How to Identify Our Native Trees from Their Leaves."

Assisting Mrs. Watson were Mrs. Vigo Nichols, Mrs. Howard Bede, and Mrs. Robert Bryan.

A trip is planned by the club for Wednesday, Oct. 24, weather permitting, to continue the study of trees. Meeting at the Rose Garden at 11 a.m. the members will drive to Deer Grove Forest Preserve, where Mrs. Watts will teach the group how to identify trees by their bark and habits of growth. Box lunches will be taken.

Philathea Class Has Its Annual Banquet

The Philathea Class of Bethany Evangelical Church held its annual banquet Tuesday evening in the dining hall of the church. The dinner was served by Mrs. Fritsch of the Lucky Tea Room, after which the members enjoyed a program, featured by "stunts" displaying the costumes of the "gray nineties" period.

Miss Priscilla Norenberg, visiting here from California, was the guest of honor for the evening. She is a charter member of the class when it was formed 26 years ago, the class having held their first meeting in her home with six members present.

SOCIAL SERVICE TO CARRY ON ITS WORK

Private Charity Organization Seeking \$7,500 For Its Winter Work

The Highland Park Social Service are seeking funds to carry on a limited amount of private charity work during the coming year. Government agencies provide much relief, but they do not take care of all the various situations which present themselves among our many unfortunate families. Therefore private charity must go on and fill in the gaps where relief cannot be obtained either from the Illinois Relief Commission or the township supervisor.

During the coming winter the Highland Park Social Service Committee will function as follows:

1. Give emergency relief until government relief is obtained.
2. Direct unfortunate families to the proper relief agency.
3. Give emergency relief where no provision is made by government agencies.
4. Direct efforts in family reconstruction.

"It has been a basic principle of our committee to give aid only on the basis of work relief. In other words, if a family is given relief some able-bodied person in that family does a proportional amount of work for the relief obtained," we are told.

Mrs. Theodore Osborn, chairman of the campaign to raise funds for the coming year, has sent out hundreds of letters to citizens throughout the community telling of our needs for funds. "Our budget for the coming year of \$7,500 is much smaller than in previous years. We are operating only in a limited way but we must carry on and to the best of our ability, help out in many situations which come to our office almost daily," Mrs. Osborn states.

"We appeal to the people of our community to be good neighbors, and if they all help out the burden will not be heavy on anyone. Mail or bring your funds to our office at 549 Central Avenue and we assure you that no amount is too small. Our office welcomes any opportunity to give complete information to citizens who are interested in finding out for themselves the necessity of our activities."

"Tugboat Annie" To Show at the Alcyon

Many people who attend the Alcyon theatre regularly have asked to have some of the outstanding films of a few months back repeated again in Highland Park, we are told. This management has therefore secured three popular movies which will be run one day only.

George Arliss in "The House of Rothschild" will be shown on Thursday evening of this week, with "Tugboat Annie" featuring the late Marie Dressler and Wallace Beery for the Saturday performances. Sunday's attraction will be that outstanding screen romance by Louise M. Alcott, "Little Women" featuring Katherine Hepburn, Joan Bennett, Frances Dee, and others.

Sunday, Monday and Tuesday of next week will bring Ronald Colman, Loretta Young and Una Merkel in "Bulldog Drummond Strikes Back." You will be lucky if you don't vanish, for the Bulldog indulges in a new series of adventures from death at dusk to romance at dawn.

"Ladies Should Listen," a new farce-comedy, is coming to the Alcyon next Wednesday and Thursday, Oct. 25-26. The cast includes such favorites as Cary Grant, Ed-Everett Horton, Frances Dee and Nydia Westman.

Garden Class to Have Meeting Next Tuesday

The Community Garden class of the Highland Park Woman's Club will hold its regular meeting on Tuesday, Oct. 23, at the home of Mrs. L. H. Hine, 301 Laurel Avenue. Mrs. Richard Mansell will be co-hostess.

Mr. Pottenger of the Franken Brothers Nursery will speak on "Planting of Fall Bulbs and Perennials." The members are reminded of the jelly and jam shower for the Chicago Flower, Fruit and Vegetable Guild, to be held at this meeting.

Rummage Sale No. 1 At Woman's Club

The annual fall rummage sale will be held at the Highland Park Woman's Club, Thursday, Nov. 1. It is expected there will be a large assortment of all household articles as well as clothing.

Miss Alice Sals Wins Professional Football Contest Last Week

Highland Park's first professional football ticket contest, sponsored last week by The Highland Park Press, was won by Miss Alice Sals of Highwood, with an estimate of 193 for the total scores of eight games listed on the special contest page last week. The correct number of points was 192.

Miss Sals and W. B. Hunter, of 963 Waukegan Avenue, Highland Park, the second place winner, will be awarded two tickets each to the Chicago Bears-Cincinnati game in Chicago on Oct. 21. Mr. Hunter's estimate was 191. Miss Sals and Mr. Hunter will be notified when to call for their tickets.

Tied with Miss Sals and Mr. Hunter, with an estimate of '93, was Cecil Nestruck, of 230 North Second Street, Highland Park. Miss Sals was awarded first place because her entry was handed in first. Mr. Hunter and Mr. Nestruck brought their entries to The Press office at the same time, and mutually agreed that Mr. Hunter was to have the football tickets, and Mr. Nestruck the third-place award, two tickets to the Alcyon Theatre, Highland Park.

Richard Man, of Deerfield, with an estimate of 194, and Mrs. Edna Green, of 591 Vine Avenue, Highland Park, with an estimate of 189, were fourth and fifth, and were awarded two tickets each to the Alcyon theatre.

This week's contest, which is explained on another page of this issue, offers as first and second awards, tickets to the Chicago Bears-Green Bay Packers game in Chicago on Sunday, Oct. 28.

The first and second winners will receive two tickets each to this game, and the third and fourth winners will receive two tickets each to the Alcyon theatre, Highland Park.

Next week The Press will resume its college football contest, at which tickets to the Northwestern games and to the Alcyon Theatre are awarded to the winners.

Hallowe'en Party of Moose Lodge Will Be Next Monday Evening

Next Monday evening, Oct. 22, promises to be a gala night at Witten Hall when the officers and members of Highland Park lodge No. 446, Loyal Order of Moose, will stage a hallowe'en party, entertainment and dance beginning at 8:30.

This promises to be the outstanding event of the season and the committee in charge has been working hard to make this the biggest event ever held by the local lodge.

A rival live orchestra has been engaged to furnish the music as well as other talent to furnish entertainment.

An invitation is extended for both young and old to attend as there will be a good time for all.

The hall will be decorated in the appropriate colors for the occasion and the entire atmosphere of the whole party will be of a hallowe'en nature.

Refreshments will be served and one of the outstanding events will be the awarding of a door prize to the lucky person attending. This prize is being donated by the local lodge.

Local Lions To Hear Jens Jensen Today

Jens Jensen prominent European and American architect, will speak to the Highland Park Lions Club Thursday noon at the Moraine.

Mr. Jensen, whose studios are in Ravinia, planned the landscaping for the Ford exhibits at A Century of Progress, Dearborn, Mich., and the West Park systems of Chicago are some of Mr. Jensen's work.

There is no question about the amount of interest and knowledge this meeting has in store for every member who attends.

Emmett Duffy reports that his committee has a Hallowe'en party in store for Tuesday evening, Oct. 30, and to hear him and the "Great" Wilcox tell about it, everyone will want to put on their pumpkin faces and be "on deck" for a good time.

Infant Welfare Will Meet Monday, Oct. 22

The regular business luncheon and meeting of the Highland Park Ravinia Center of the Infant Welfare Society will be held at the home of Mrs. Truman Metzler, 293 Central Avenue, Monday, Oct. 22, at 10:30 o'clock.

HOSPITAL DRIVE IS PAST \$5,000 MARK

Workers Redoubling Efforts To Reach Or Exceed Goal Soon

Captains and workers in the annual campaign to sell Highland Park Hospital Service Certificates are redoubling their efforts in the drive this week in order to reach or exceed the goal of \$10,000 and bring the campaign to completion in record time. An urgent appeal has been made to all residents of Highland Park to subscribe to the campaign as evidence of their interest in the hospital and appreciation of the value of having such a modern, well-equipped institution within their community.

The halfway mark in the campaign was reached early this week when reports revealed that more than \$5,000 already has been raised, leaving slightly less than that sum to be subscribed before the end of the campaign.
