CHRISTIAN SCIENCE CHURCHES

"Are Sin, Disease, and Death Real?" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 14.

The golden text was, "The Lord is our Judge, the Lord is our lawgiver, the Lord is our king; he will save us" (Isaiah 33:22).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Behold the eye of the Lord is upon them that fear him, upon them that hope in his mercy; To deliver their soul from death, and to keep them alive in famine. Our soul waiteth for the Lord: he is our help and our shield" (Psalms 33:18-20).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures", by Mary Baker Eddy: "Sin, sickness, and death are comprised in human material belief, and belong not to the divine Mind. They are without a real origin or existence. They have neither Principle nor permanence, but belong with all that is material and temporal, to the nothingness of error, which simulates the creations of Truth" (p. 286).
