CHRISTIAN SCIENCE CHURCHES

"Probation After Death" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 28.
The Golden Text was, "The last enemy that shall be destroyed is death" (1 Cor. 15:26).
Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Humble yourselves therefore under the mighty hand of God, that he may exalt you in due time: Casting all your care upon him; for he careth for you. Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: Whom resist steadfast in the faith" (1 Peter 5:6-9).
The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "There is neither place nor opportunity in Science for error of any sort. Every day makes its demands upon us for higher proofs rather than professions of Christian power. These proofs consist solely in the destruction of sin, sickness, and death by the power of Spirit, as Jesus destroyed them" (p. 232-233).

"HOLD 'ER, NEWT, she's a-rearin'"

those days are gone forever!

AND IT'S JUST AS FOOLISH TO DO YOUR WASHING AT HOME

The old "gas-buggy" is no more. Its "chug . . . chug chug" which frightened Old Maud is silent. Did you watch the people as they curiously gaze at the old "gas buggies" in the Ford display at the Fair? Did you watch their expressions? They seemed to say, "What old fashioned contraptions . . . how times have changed."
And times have changed. Today it's comfort . . . ease . . . speed!
That's why we wonder at housewives on the north shore, with their modern conception of living, who still tolerate home washing.
Why . . . it's as out of date as the

old "gas-buggy!" Even with a basement full of washing equipment the VERY IDEA OF HOME WASHING IS PASSE.

And well it should be, when serving the north shore communities are such big, reliable institutions as the members of North Shore Quality Laundries who can do your family washing better, sweeter and more economical than you can even attempt it at home.

BE MODERN! Send next week's laundry bundle to the member serving your community. Forget about home washing forever!
