Old Christmas Seals Valuable Possessions

The Lake County Tuberculosis Association has recently received an article concerning the value of old Christmas Seals which will be of interest to stamp collectors. The first seal originated in the United States in 1907 when Emily Bissell used it as a means of raising money for a tuberculosis institution in her state. The 1907 seal is not as valuable however, as the 1911 issue which was made up in coils for use in an automatic vending machine. They are listed at \$25 in stamp catalogues. The 1913 seals are listed at \$15, while a variation of the design is worth only half as much.

Certain designs of the years 1908, and 1918 are worth \$5 each, a design of 1910, \$3, and one of 1912, \$1 each.

The collecting of Christmas Seals has grown to such an extent that collectors have formed a society known as the Christmas Seal and Charity Stamp Society. Collectors in all parts of the world belong to it.

The seal this year shows a picture of "The Little Red" first tuberculosis sanatorium established in the United States, by Dr. Edw. Livingston Trudeau.

Trudeau was also the first president of the National Tuberculosis Association when it was organized in 1904. Since then, 2000 state and local associations have been formed and excellent progress has been made in the work but tuberculosis still claims more persons between the ages of 15 and 45 than any other disease.

The tuberculosis program is dependent upon the sale of seals which are sold between Thanksgiving and Christmas every year.

The passions are the only orators that always persuade; they are, as it were, a natural art, the rules of which are infallible; and the simplest man with passion is more persuasive than the most eloquent without it.—La Rochefoucauld.

Deerfield Post Has Meeting November 26th

Several important matters were on the table for discussion when Deerfield Post held its regular meeting Monday night, Nov. 26.

The first was the selection of a committee to take charge of the second annual turkey dinner and card party which is to take place on Dec. 10 at the Masonic Temple and will be in charge of W. K. Hout.

Arrangements were made to put on a minstrel show in co-operation with St. Paul's Church, after a talk by the Rev. Piepenbrok. This committee will be headed by William Cruickshank, who will represent the Legion on the joint committee. It is planned to give the show the latter part of January or early February.

The annual Christmas party, to be held Dec. 22, in which the Auxiliary always co-operates, has been placed in the hands of Marshall Pottinger to work out suitable details with the Auxiliary.

Dan Hunt, chairman of the special park project committee, reported the mailing of letters to thirteen organizations in Deerfield and the response of the Deerfield Woman's Club and the American Legion Auxiliary. He also reported that Miss Jewett, owner of the selected park site had been contacted and that she would take no action until her attorney had approved the plan.

A report of the district meeting was made by delegate Dan Hunt with supplementary remarks by R. A. Potterton.

An Army Veteran of 71 Dies At Fort Sheridan

Former Color Sergeant John J. Bourke of the Sixth United States Cavalry died at the Fort Sheridan Hospital early on Sunday morning. Sgt. Bourke, who was 71 years old, served 35 years in the regular army and participated in nearly every important military campaign since 1882, the year he enlisted.

During the first few years of his service he took part in suppressing Indian uprisings in the west, and 1898 he served in Cuba during the Spanish-American war. He was wounded in the battle of San Juan Hill. He also served in the Philippines and in the Boxer Rebellion in China. He retired in 1916 but was recalled to service when the United States entered the World War and

was assigned to recruiting duty in the eastern states. After the war he was employed as a civilian caretaker at Camp McCoy, Sparta, Wis., until a year ago. Sgt. Bourke is survived by his widow, Mary; six children, sixteen grandchildren and three great grandchildren. Funeral services were held Tuesday at his home in Geneva, Ill.
