CHRISTIAN SCIENCE CHURCHES

"Soul and Body" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, November 25.

The Golden Text was, "The word of God is quick, and powerful, and sharper than any two-edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart" (Hebrews 4:12).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "I will bless the Lord at all times; his praise shall continually be in my mouth. My soul shall make her boast in the Lord: the humble shall hear thereof, and be glad. O magnify the Lord with me, and let us exalt his name together" (Psalms 34:1-3).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The identity, or idea, of all reality continues forever; but Spirit, or the divine Principle of all, is not in Spirit's formations. Soul is synonymous with Spirit, God, the creative, governing, infinite Principle outside of finite form, which forms only reflect" (p. 71).

For Economy

Just as you would expect from a fine laundry service, we take care that colored fabrics are separated from the rest of your wash. Woolens and cottons, too, receive a separate washing in waters of different temperatures. To you, this care means that the clothes and other laundering you send here are going to stay natural for a longer time and wear longer, too.
