Enjoy Something More Modern Than "Contract"

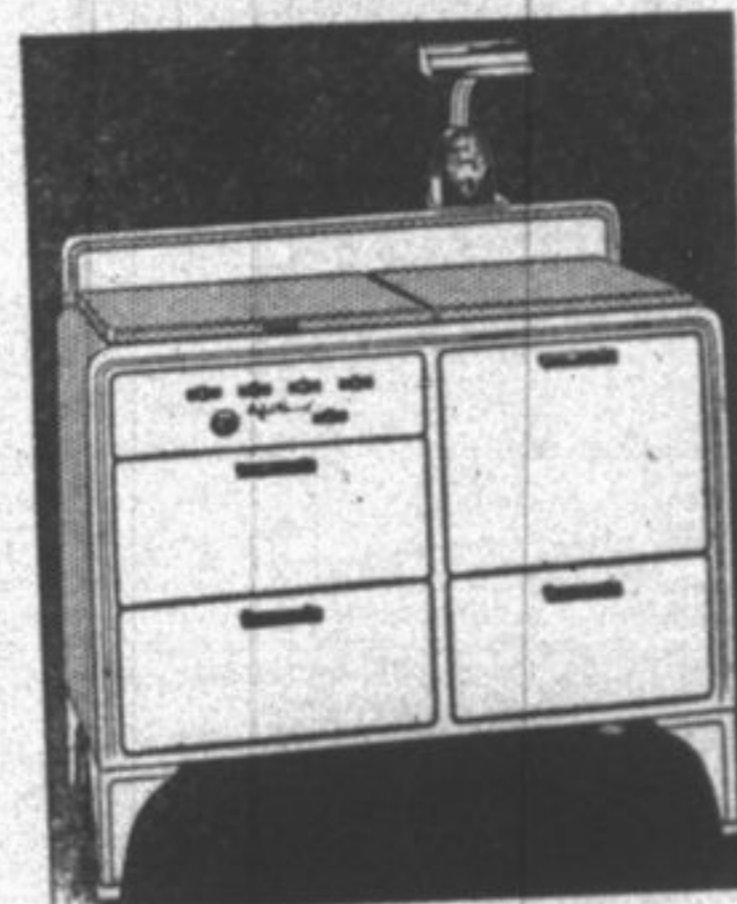

have a Modern GAS KITCHEN in your home

Ask for a FREE Kitchen
Plan and Estimate

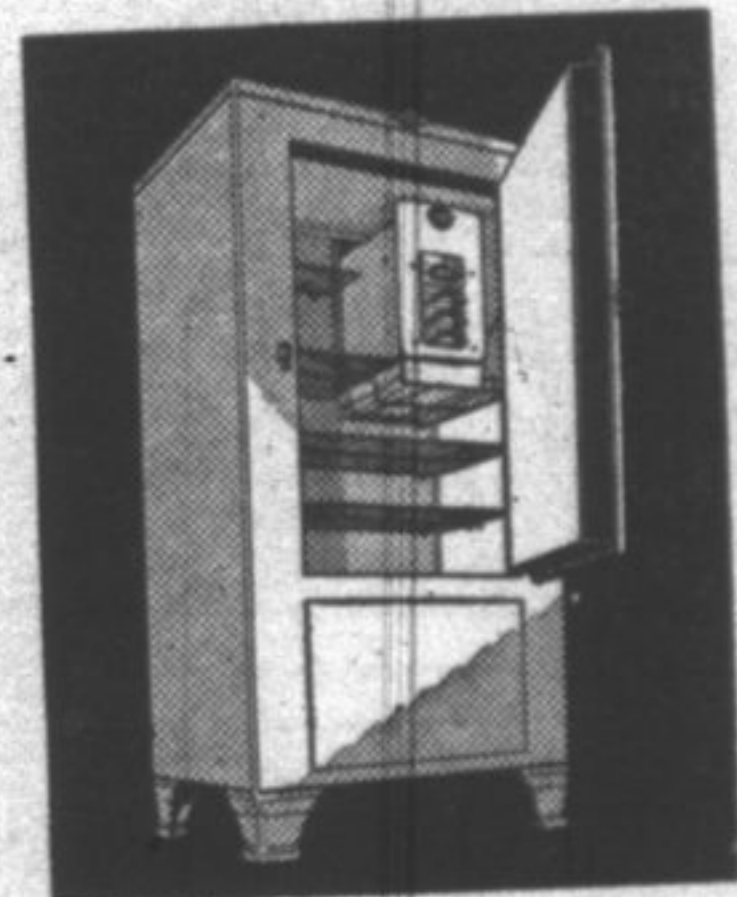

A "grand slam," doubled and redoubled, isn't a fraction of the thrill you will experience if your kitchen is modernized with a new automatic gas range and gas refrigerator.

Convenience... efficiency... beauty... are combined in the modern gas range and gas refrigerator. Besides making every moment easier and more pleasant for you in your kitchen, they relieve you of many responsibilities and enable you to have more leisure for recreation and other outside interests.

The charm, distinction and complete usefulness of the modern gas kitchen can be adapted to your individual requirements. Whether you wish to remodel and modernize your entire kitchen all at one time... or gradually... we have facilities to give you every assistance. Plans, estimates, and other information, are supplied without cost or obligation to you. Telephone or come in now and let us give you further details.

GAS RANGE... will modernize your cooking. More advanced in speed, convenience, beauty, economy. Has heat control, oven insulation, instant top burner lighting, smokeless broiler, utensil drawer, and other improved features. Large selection of models. Easy terms if desired.

ELECTROLUX... the gas refrigerator... will modernize your food preservation. Has every modern convenience, greater dependability, lowest operating cost. Has no moving parts to wear, vibrate or make noise. Models in all sizes. Easy terms if desired.

Better Housing Program

By taking advantage of the government's "Better Housing Program" your home... including the kitchen... may be modernized on a convenient, easy payment plan. Come in and let us tell you how you may include gas appliances in your home modernization project.
