CHRISTIAN SCIENCE CHURCHES

"Christian Science" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, December 30.

The Golden Text was, "The Lord hath made bare his holy arm in the eyes of all nations; and all the ends of the earth shall see the salvation of our God" (Isaiah 52:10).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "For ever, O Lord, thy word is settled in heaven... O how love I thy law! It is my meditation all the day... I have refrained my feet from every evil way, that I might keep thy word... Thy word is a lamp unto my feet, and a light unto my path" (Psalms 119:89, 97, 101, 105).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "If God, the All-in-all, be the creator of the spiritual universe, including man, then everything entitled to a classification as truth, or Science, must be comprised in a knowledge or understanding of God, for there can be nothing beyond illimitable divinity" (p. 127).

St. Paul's Evangelical Church

 Rev. F. G. Piepenbrok, Pastor

Our new church program will go into effect Sunday, Jan. 6. Church School and worship service will be unified into one program. Instead of meeting separately, e.l. Church School at 9:15 and worship service at 10:15, we now begin both simultaneously at 10:30 a.m.

All the children of the beginners and primary departments meet for Sunday School session as heretofore, but all ages above that attend the church service.

The service has been planned to remain stately and dignified. The presence of children in the service will be given consideration in the planning of every program. Time and program are so arranged that the whole family can now come at the same time, remain for the

same period of time, enjoy the worship and then be homeward bound. It is a movement back to the Bible. Since the worship and sermon center about the International Sunday School lesson, people can now read their lessons at home and come prepared to hear what their pastor has to offer.

The whole plan is very simple and yet should be very effective. It should lead to ever greater possibilities as time goes on.

Sunday evening members and friends of St. Paul's will join in the Union Service at the Evangelical Bungalow Church. Service at 7:30 p.m.

The Church Council will meet Friday evening at the parsonage for organization.

Our next Sunday evening program, Jan. 13. Mr. Hyman Mills, noted Negro baritone will be guest artist.
