

### JIM LONDOS TO FEATURE LOCAL MAT PROGRAM

#### Will Defend Championship On American Legion Mat Card

While big league promoters have been scrambling over each other to land Jim Londos for dates in the big clubs, the Libertyville Legion post came through with an announcement this week that makes Libertyville this week that makes Libertyville high school gymnasium the high spot of the national wrestling world on Thursday night, January 24.

The heavyweight champion of the world, through his manager, Ed White, a resident of Libertyville, has signed to meet Lou Plummer in a 90 minute, one fall match with the title at stake.

The Londos-Plummer match is an outgrowth of a match in Dallas two years ago when Londos, by a pure break in luck, retained his championship against the challenge of Plummer when the latter, out-wrestled the champion from start until a bare minute before the end when Lou slipped and fell into a pinning hold by the champion.

Last fall when Londos was training at Round Lake for the match with Ed "Strangler" Lewis, which drew \$100,000 at Wrigley Field, Plummer obtained a place as a member of the Londos training staff. Without explaining his action to any one he wrestled daily with the Greek and when the training work was over began his own campaign against Jim. Since that time he has followed the champion from city to city asserting he was entitled to another title match. Until last week he was unsuccessful in getting approval of either Londos or White.

Two weeks ago when officials of the Libertyville Legion post began work on a card for January 24, they naturally went to their fellowtownsman, Ed White, and asked for the champion. White finally agreed to let Londos make the date, although other promoters were after him for the champion. So much for Mr. White's civic pride. No opponent was named in the agreement, but the Libertyville post officials, recalling Plummer's great work in the Londos camp last fall and matches with Jim McMillen and other well known athletes, went after Plummer and obtained his signature to a contract.

White attempted to back out of the contract when he learned Plummer was to be the opponent of the champion, but the Libertyville post was firm in its refusal to change the opponent.

With the closing of the contestants for the feature bout the committee in charge of the show is now arranging for other bouts which will complete the card. Although no definite information is available as yet, it is announced that the supporting card will be of a calibre worthy of a program which is a part of a championship match.

The committee is composed of Carl Wadman, Jack Church, A. O. Packard, A. G. Meyers, Charles C. Hoskins and Clarence Boyd, who announce that a percentage of the proceeds will be given to the local boy scouts.

Tickets will be on sale within a few days and it is expected there will be a packed house to see the first world's championship that has ever come to Libertyville.

### Indians Plan New Membership Drive

The Highwood Indians will hold their next regular meeting Friday, Jan. 18, at their club house. This meeting will be the first to be held under the supervision of the new officers which were elected at the previous meeting.

The Indians are planning a thorough housecleaning of all members with dues in arrears. All members who owe more than six months dues will lose their membership if not paid up by this meeting. Any member more than six months behind in dues can become a good standing member by paying a dollar. This offer is only good up to and including the next meeting.

The new officers in planning their new membership drive passed a motion which cut the entry fee to 50 cents, which also includes one month's dues. This offer only holds good until the first meeting in February.

### Northwestern Track Stars Start Practice

Indoor track practice got underway at Northwestern University upon the resumption of classes following the Christmas holidays. A squad of 50 men led by Capt. George Farley, star miler, began workouts in preparation for the triangular meet with Purdue and Wisconsin at Patten gymnasium, Feb. 23.

The Wildcat hopes for a successful season on the track will depend greatly on the showing of a number of sophomores. Included among the newcomers are several football men. Bob Swisher, halfback on the grid team is a sprint prospect, while Vango Purnot, also a football man, is regarded as a likely prospect in the shot and discus.

### Rifle and Pistol Club Holds Annual Election

Ben Stiegler was unanimously re-elected president of the Sheridan Rifle and Pistol Club at the club's annual meeting held at 346 Waukegan Avenue on January 11.

Other officers re-elected were Joseph L. Cameron, vice-president; I. J. Lee, executive officer; Russel Ekelmann, treasurer, and Joseph F. Farneti, secretary. All were elected unanimously and received a vote of thanks for their work during the past year.

A new development in the club was the decision to allow members to practice rifle and pistol shooting on the first, third and fifth Friday evenings of each month. Meetings are to be held on the second and fourth Fridays at 346 Waukegan Avenue. Shooting as well as the routine business will be regular features of these meetings.

During the course of the evening five new members were accepted only as vacancies occur in which event new members will have to pay the initiation fee in addition to the yearly dues.

Applications from five women have been received by this club but no action will be taken as yet because the minimum required is ten. Any women interested may call on any of the officers listed above for information on this matter or any other concerning rifle or pistol handling or shooting.

### Lake Forest College Announces Football Schedule for 1935

Announcement of the Lake Forest College 1935 football schedule made recently by graduate manager Phil Allen reveals that the Gold Constainers will meet all of the teams in the Big Four Conference of Wisconsin.

Lake Forest's adoption of the rule barring a freshman from playing on a varsity team and requiring that a man be a year resident of the school in order to compete in varsity athletics has made it more difficult for them to play Little Nineteen Conference teams who have not adopted this ruling. The schedule:

- Lawrence College at Lake Forest, Sept. 28.
- Beloit College at Beloit, Wis., Oct. 5.
- Ripon College at Lake Forest, Oct. 12.
- Northwestern College at Lake Forest, Oct. 19.
- Carroll College at Lake Forest, Oct. 26.
- Millikin College at Decatur, Ill., Nov. 2.
- Albion College at Albion, Mich., Nov. 9.

### Gives Statistics On Closed Bank Payments

Edward J. Barrett, state auditor, recently announced that a survey of dividends paid to closed bank depositors in Illinois shows that \$16,815,793.84 was paid out during 1934 to these depositors. More than half a million depositors (approximately 509,381) received dividend checks during the year. Dividends were paid in 195 separate banks. More than half of the total amount paid out went to depositors of banks outside Cook County, the downstate total being \$8,843,064.12. There were 241 banks containing approximately 224,381 depositors outside Cook County where dividends were paid during the year. In Cook County 54 banks with 285,000 depositors paid dividends.

### Leaders Lose Ground In Bowling League

Standings in the bowling league are much closer after last week's series. The Highland Park Press won three games from the league leading Young Men's Club, with games of 896, 848, 972 for a total of 2716. Forrest Rose was high for the Press team with 593, while Fisher's 600 series was high for the losers.

The Highland Park Decorating Co. took three games from the second place Mutual Coal Co. Ray Carpenter had high series with 584.

The Highland Park Elks and the American Legion put on one of their old fashion battles, but the Elks were just a little too good for the Legion boys and took the odd game. Bob Greenslade's 546 was high for the Elks.

The Coleman boys were hot last week and won three games from the Duffy & Duffy Cleaners. All three games were very close.

The up and coming Sunset Cafe had plenty of trouble winning two games from Picchetti Bros. Fritz Gieser had high series for the week with 614.

Highland Park Press	Young Men's Club
Thorn 508	Emberger 498
Bartel 557	Martin 440
Rose 593	Fisher 400
Schickore 468	O'Brien 487

Steffen 562	Sheshen 463
Total 2570	Total 2240

### Northwestern Announces Swimming Schedule

Ten dual meets including six with conference teams have been scheduled by Northwestern University's swimming team for the coming season. The schedule as announced by Coach Tom Robinson is the largest arranged for the Wildcat swimming team in recent years.

The 1935 season will mark Coach Robinson's twenty-sixth year as head coach of the Northwestern swimming team. Under his leadership the Wildcats have won 10 Big Ten championships and five national intercollegiate titles.

This year's team will be led by Don Horn, Big Ten breast stroke champion. Jerry Miller is captain of the water polo team which is being coached for the first time this year by Bill Wilson, former Wildcat star and a member of the United States Olympic polo team in 1932.

The schedule follows:

- Feb. 9—Indiana at Evanston.
- Feb. 15—Wisconsin at Evanston.
- Feb. 22—Indiana at Bloomington.
- Feb. 23—DePauw at Greencastle.
- Feb. 23—Hoosier Athletic Club at Indianapolis.
- Mar. 2—Wisconsin at Madison.
- Mar. 8—Michigan at Ann Arbor.
- Mar. 9—Michigan State at Lansing.
- Mar. 15—Conference at Illinois.
- Mar. 23—Illinois at Evanston.
- Mar. 27—Ohio State at Columbus.
- Mar. 29-30—N.C.A.A. at Harvard.
