### DON JUAN!

—but he looked like a BUM compared to YOU.

He was a lady's man, if ever there was one. But see those gorgeous, big cuffs? Friend Don used snuff and — naturally — he sneezed. Right into those cuffs — and all over his collar, too! Messy? Unsanitary? He was a BUM compared to you. Of course he never heard of having his clothes cleaned. Just kept on snuffing and sneezing and winning the ladies.

It would be a mortal sin if you tried that today. Especially when you can look as well as any prince or king in clothes that get regular cleaning and pressing service.
