

Boy Scout News

Sherman Aldrich Receives The Silver Beaver

Mr. L. Sherman Aldrich of Winnetka was last night awarded the National Council award of the Silver Beaver for distinguished service to Scouting began in September 1926 at which time he began as Scoutmaster of Troop 4 of Winnetka. In 1930 he resigned as Scoutmaster to become assistant district commissioner which position he held until he was appointed Winnetka district commissioner in 1932. He is now the finance chairman of the North Shore Area council. His record of service to the community and to boyhood has been one of service to schools, to the village of Winnetka, to the Community House, to Scouts, to Girl Scouts, church, and in fact, every organization which had as its purpose any thought for the advancement and betterment of youth. Mr. Aldrich has given untiringly of his service for years and the choice was a happy one according to all who know Mr. Aldrich and are acquainted with his service. He was presented the award by Ray O. Wyland, the speaker representing the National Council at the Scoutmasters' appreciation dinner.

CAL GARTLEY SPEAKS TO PRESBYTERIAN CHURCH SCHOOL

Cal Gartley, Scoutmaster of Troop 44, Arden Shore, spoke to the assembled church school at the Presbyterian church in Highland Park on the subject of Scouting during the last 25 years and now. The address was accepted with great interest by all present.

SCOUTMASTER DINNER WINS ACCLAIM

The Scout Leaders' Appreciation Dinner held last evening in the Winnetka school in Evanston, proved to be one of the outstanding highlights of the Scout year. It was a due celebration recognizing first of all the service of North Shore Scouters to the youth of this community and secondly commemorating the 25th Anniversary of the Boy Scout Movement in America. In keeping with the 25th Anniversary the program and also the annual program which was at each place were in silver. Included in the program was the recognition of Scout James Suter having been awarded the Scout Gold Honor medal for life saving at Prairie du Chien while attending school at Campion. Also the presentation to 24 units and other North Shore Area council members of the Ten Year Program award. Sherman Aldrich of Winnetka was presented with the Silver Beaver award for distinguished service to boyhood.

LET'S HAVE YOUR SNAPS

The camp folder for the 1935 season at Camp Mac-Ka-Ja-Wan is in the process of being prepared and will be circulated among all Scouts in the North Shore Area council. If any Scout or Scoutmaster or anyone else reading this article has any snapshots which he thinks would be a good one to put in the folder he is asked to submit it to the Order of the Arrow, through the Scout office. Those that are used will earn for their owners a sum of \$1 to be deducted from the camp fee. This is a chance Scouts to earn part of your way to camp. Your Scoutmaster will have more particulars.

TWENTY-FOUR UNITS RECEIVE AWARDS

Twenty-four Cub packs and Scout troops of the North Shore Area council received last night the Ten Year Program award for having met certain requirements during the past year having to do with their program and their general membership status. The requirements for winning the award were that each unit should have an increase in membership, should have at least 50 per cent of its new boys 12 years of age with exception of Cub packs and that 50 per cent of the new boys would re-register for 1935. Besides this, an adequate troop program was necessary. The units qualifying for the award which were presented by Charles A. Steele, chairman of the North Shore Area council Ten Year Program committee are as follows: Troops 1, 2, 11, 13, 15, 16, 18, 19, 20, 23, 25, 26, 44, 46, 51, 71, 77, 324, and Cub packs 41, 69, 65 and 86. Congratulations to these troops which have established the fine record that they have made.

COUNCIL RECEIVES NEW INDEX

The index of accomplishments issued quarterly by the National Council was received last week by the North Shore Area council stating its standing Dec. 31, 1934 among other councils of the country in all phases of council activity. Phases of the index especially worthwhile of note are the items regarding numbers of Scouts per 100 of 100 being of the high index for over 500 councils in the country, North Shore Area is not surpassed by any council in the country in numbers of boys actually available in the area being in Scouting. Its meaning that only one per cent of the councils in the country recruited a higher percentage of boys during the year. Those two indices make necessary a proportionate low rating in advancement. The index for number of tenderfoot Scouts is 26, 22.6 per cent of our Scouts on Dec. 31 were Tenderfoot Scouts and 26.9 per cent were First Class Scouts. The high percentage of Tenderfoot Scouts is due to the fact that in December 1934 over 200 new boys came into the movement and it takes at least one month for a Scout to advance out of the Tenderfoot rank.

KEANE TO SPEAK TO SCOUT LEADERS

Thomas J. Keane, the national director of the Senior Scouting program, is to speak tonight to a group of leaders to discuss Sea Scouting and the explorers program designed for boys 15 years and up. The meeting is to be strictly informal and will be held in the parlors of the Arden Shore camp. Mr. Keane is a recognized author

on older boy psychology and programs and the program will be of considerable worth.

This morning Mr. Keane is speaking to an assembly of boys at New Trier high school at 10:45. This afternoon he is making another talk to a similar group at Deerfield-Shielda high school in Highland Park at 2:45 p.m.

Y. W. C. A. Notes

When a monthly report shows over 2200 using the YWCA in a single month, the program must be an inclusive one. The social educational program includes classes for the preschool age child and the clubs provide an interesting program for mothers. A few changes have been made in class schedules of the social education department and directors. Ada Louise Voss, of the Elm Place School, now directs the "Petite Symphony Orchestra." The new term begins the last of the month. Any one playing a stringed instrument may apply for membership. The orchestra includes twenty.

Agnes Daly, who has large classes in tap for beginners, intermediates and high school girls, now teaches on Saturday afternoon. New terms are beginning and registrations are open.

Miss Metzler began a new term in dance combination, ballet, tap and acrobatics, Wednesday. Miss Metzler's class is limited to 12.

The 7th and 8th grade girls club, in charge of Miss Ethel Skidmore, gave a colonial tea with mothers as guests. Fifty attended.

The two grade school clubs have heard from time to time, Miss Sprague and Mrs. Roberts talk on Italy, and Miss Tschirgi on etiquette.

The Mothers Club heard Miss Ibsen speak on the Highland Park Hospital. They had one public card party and one dessert bridge. The Business and Industrial Clubs have enjoyed talks on health, Mexico, etiquette and foreign travels and movies.

Important coming events are: Mothers Club Sunday afternoon colonial tea and bi-centennial movie on Feb. 24.

The Business girls nation wide banquet, March 26.

YWCA annual meeting to be a dinner floor show, March 14.

Palm beach party, joint, all clubs, date to be announced.

Regional training conference in Chicago April 10, 11, 12.

Catholic-Woman's League

The North Shore Catholic Women's League will hold a Day of Recollection at the Cenacle, 513 Fullerton parkway in Chicago on Ash Wednesday, March 6, beginning at 9 a.m.

Those wishing to partake are asked to communicate with the committee member in each village before Saturday, March 2.

Mrs. F. T. O'Brien, 2244 Lincoln Park west, Chicago, is the general chairman.

Calavos Prove to Be Adaptable Food

The ingenuity which clever hostesses must use to adapt the same foods over and over again to a semblance of newness, is reason enough for the enthusiasm with which calavos are being received as something different to aid and abet the holiday menu planning. And while this "star" in the world of salad fruits will always retain its atmosphere of exclusiveness, it is no secret that California has presented the market of the whole United States with the first "bumper" crop of calavos and they are finding their way into budgeted kitchens whose walls they have never seen before.

"First aid" always suggests something in a hurry to most of us, and that is a good reason for suggesting calavos to you as a first aid for your holiday menus. When time is a factor, try calavo on the half shell for the salad course. Just cut a calavo in two lengthwise, remove the seed and serve on salad greens with a sharp dressing, or as it is served most popularly in California, with a sprinkling of lemon juice and salt. A quarter of lemon may accompany the service. But even better than the saving of time and effort, your prestige as a hostess will have been established.

The efficient housewife or business woman who budgets time and effort as well as pocketbook will appreciate the simplicity and economy of the accompanying cocktail recipe attuned to holiday menus.

CALAVO NEPTUNE COCKTAIL

- 1 medium sized calavo
 - Lemon juice
 - Salt
 - 1 1/2 cups flaked canned red salmon
 - 1 1/2 cups fresh grapefruit sections, halved
 - 1/2 cup tomato catsup
 - 1 teaspoon prepared mustard
 - 2 tablespoons mayonnaise
 - Calavo slices for garnish
- Peel calavo; cut into cubes or short, thin strips and sprinkle with lemon juice and salt. Sprinkle salmon with lemon juice before flaking. Arrange calavo cubes, salmon flakes, and grapefruit sections alternately in cocktail glasses. Combine catsup, mustard, and mayonnaise, and blend thoroughly. Pour over cocktails just before serving. Decorate tops with slices of calavo. Serves 4 to 6.

Auction Nets \$50

A total of fifty dollars was secured for the North Shore Animal Shelter, conducted by Mrs. Dorothy Eagles, at the auction of early American antiques held at the home of Mr. and Mrs. Earl Froberg last Saturday.

In addition to the auction a bean supper and coffee and doughnuts were served, the proceeds going to swell the fund of which the Animal Shelter received a percentage.

NEW FORD V-8

The Car Without Experiments

THERE'S never any doubt about value when you buy a Ford car. You know it's all right or Henry Ford wouldn't put it out. One thing that never changes is his policy of dependable transportation at low cost.

That's the biggest feature of the New Ford. The reliability and economy of its V-8 engine have been proved on the road by upwards of 1,400,000 motorists. Owner cost records show definitely that the Ford V-8 is the most economical Ford car ever built.

See the nearest FORD DEALER for a V-8 demonstration.

NEW FORD V-8 TRUCKS AND COMMERCIAL CARS ALSO ON DISPLAY.
