**CHRISTIAN SCIENCE CHURCHES**

"Soul" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, February 17.

The Golden Text was, "Set your heart and your soul to seek the Lord your God" (1 Chronicles 22:19).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "My soul longeth, yea, even fainteth for the courts of the Lord; my heart and my flesh crieth out for the living God... For the Lord God is a sun and shield: the Lord will give grace and glory: no good thing will be withhold from them that walk uprightly" (Psalms 84:2, 11).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The identity, or idea, of all reality continues forever; but Spirit, or the divine Principle of all, is not in Spirit's formations. Soul is synonymous with Spirit. God, the creative, governing, infinite Principle outside of finite form, which forms only reflect" (p. 71).
