Each lodge was asked to put on a stunt and Highland Park was represented by Miss Marie Lawther who has been singing over radio station W.S.B.D. of Waukegan and Bob Breakwell of Highwood. Much credit should be given these young people for a very beautiful and enjoyable sketch.

SCOUTERS ENJOY APPRECIATION DINNER
 The Ravinia Village House, adjacent to the Scout Leaders' Appreciation Dinner. The room was decorated simply and lighted effectively by the indirect border light from the top of the room. The room was decorated in keeping with the 25th anniversary, carrying out silver as the commemorative color. Contrast to the silver was green inasmuch as green and silver are the colors of the Scoutmaster's insignia. Tables were spread with green and silver paper and silver candles were placed upon them. Green glassware and green decorations on the dishes were fitted in nicely with the whole scheme. The programs were printed on silver paper with green ink and the annual report, which was distributed, was also printed with silver and green cover. The setting behind the speakers' table was effectively arranged with a large reproduction of the Rockwell Handbook cover painting as the centerpiece. It was flanked on each side by ferns and the velvet curtain formed a background. Those who were there commented on the attractiveness of the whole arrangement and thought it very becoming and a fitting setting for the 25th anniversary.

SCOUTERS NAME COMMITTEE FOR SENIOR PROGRAM
 A group of Scout leaders met with Thomas J. Keane last Tuesday evening at Arden Shore to discuss the program of Senior Scouts and to find out what new developments had been made in the formation of a definite program. Mr. Keane spoke briefly on the older boy psychology, what it was the young man wanted in a program, what he needed to satisfy his desires and then demonstrated what sort of a program would satisfy him. After his brief message he opened the floor for discussion and then kept the floor open for well over an hour answering questions and promoting discussion on particular problems. He said the purpose of the meeting was that a committee was formed to meet and go over some of the literature Mr. Keane had called attention to and to present his findings to the committee in regard to the young man's program at the North Shore Area Council. Winnetka was named chairman, and Merrill Radloff of Libertyville, Al. D. Brush of Highland Park and Ray Dobbins of Deerfield were named on that committee.

SCOUT JAMES SUTER COMMENDED FOR HEROISM
 Scout James Suter of Troop 71, Libertyville, was presented on Feb. 13, the gold honor medal of the Boy Scouts of America for saving life. The gold honor medal is presented by the National Court of Honor to Scouts who have demonstrated their training and have saved life. The medal is presented to those only who have saved life at the risk of their own, and 256 of them have been awarded. Certificates of heroism are presented to other Scouts who have saved life but who have been assisted in the process or who were not at the risk of their own life in so doing.

Scout Suter risked his life in the swollen waters of the Wisconsin River at Prairie Suter saved the life of one of two boys who began to have trouble in swimming and who, the children, while attending school there, except of the heroism and quick thinking of Suter would have drowned.

The commendation which was presented to Suter at the time of presentation of award was signed by the National Scout Commissioner, Daniel Carter Beard. Congratulations are certainly in order to this young Scout, who has demonstrated his excellent life saving training which he received at Camp Makadaw.

CAMP FEE REDUCTION STILL OFFERED
 Announcement was made last week that there would be deducted from the fee of any Scout who presented a picture to the Council office which would be suitable for the camp folder which is now being prepared. The photograph can be of any subject which a Scout thinks suitable. They can be active, scenery, boating, or anything else which might be of interest to those who thumb over and read the camp folder. Pictures should be sent to Scout headquarters in Highland Park and the name and Troop number of each Scout should be written on the back. The Council, however, will accept no responsibility or assure a guarantee for the return of pictures. The Council will attempt however to return each picture.

HENRY FOWLER IS RE-ELECTED PRESIDENT
 At the annual meeting of the North Shore Area Council which was held in conjunction with the Scout Leaders' Appreciation Dinner last Wednesday evening, Feb. 20, Henry Fowler was again elected president of the North Shore Area Council. Mr. Fowler is therefore beginning his fifth term as president of the council, and a great deal of credit for the record of the Council for the past years is due Mr. Fowler for his efforts, not only as president but as finance chairman and treasurer before that. Elected with Mr. Fowler were the following officers: vice-president, Dr. D. W. Rapp, Wilmette; Robert Burns, Kenilworth; Robert Doozal, Winnetka; Kenneth Fox, Glenoee; Dr. C. V. Nichols, Highland Park;

Raymond Roth, Highwood; T. A. Connors, Lake Forest; F. N. Wray, Libertyville; C. E. Piper, Deerfield; Richard Appleyard, Glenview; and E. L. Landwehr, Northbrook. The vice-presidents are also the chairmen of their respective districts. Allan J. Wolf was re-elected treasurer. The national council representatives elected are: Henry Fowler and W. H. Williams; Karl D. King and Charles A. Steele, alternates. J. B. Jackson was elected scout commissioner for the North Shore Area Council.

JOHNNY GOTSSELIG AT RAVINIA
 Johnny Gotselig, star wing man of the Chicago Blackhawk, was the guest speaker at a Cub and Scout Parents' night last Tuesday night, Feb. 26. He spoke on good sportsmanship and playing the game. He related many of his hockey experiences and as a token of appreciation he was presented with a hockey stick signed by all the boys present. This was a reversal of the ordinary procedure for he is called upon wherever he goes, of course, to give his signature to admirers. Jim Mooney, naturalist of Camp Makadaw, was also on the program and showed slides of and talked about animals and birds. The dinner was in the nature of an organized pot luck and the meal consisted of meat loaf, scalloped potatoes, rolls, cocoa and ice cream.

George Scheuchspangler, lead singer of the Scoutmaster of Deerfield, was the speaker at the meeting. He has missed less meetings than the number of years he has been in Scouting. Congratulations go to Bob Townley, as he is known to every one, and best wishes for many more years of service in Scouting go with the congratulations.

COUNCIL GETS TEN YEAR PROGRAM AWARD
 The North Shore Area Council received for 1934 the Ten Year Program Award. Announcement was made of that award at the Scout Leaders' Appreciation Dinner, but it was not received in time to be presented, since it was in the mail. The award came, however, the next morning and is in the form of a plaque superimposed upon which is a metallic Ten Year Program Seal and a small plate saying "Council of the North Shore Area of the Boy Scouts of America, 1924-1934." The seal is another small plate with the year 1924 inscribed on it and below that space for plates for succeeding years.

"IF I WERE SEVENTEEN AGAIN"
 Thomas J. Keane, the national Sea Scout director who was guest of the North Shore Area Council last week Thursday, spoke to two middle classes of boys at New Trier High School on the subject of "If I Were Seventeen Again." Mr. Keane spoke appreciatively and warmly to the students and because he "spoke their language" he received most enthusiastically. His talk was one to help boys realize that they could and should set high objectives for living life effectively and happily. He said the recommendation that he would make to boys was that they should be happy and being happy would be much more apt to find other meetings soon. Bob Mohren of Deerfield was intended. He also told a couple of yarns such as seamen often tell and these were likewise appreciated by the group. He spoke in the afternoon to the entire school assembly of Deerfield Shields High School, both girls and boys included, on the same subject. His talk was again greatly appreciated by the students.

ROBERT W. TOWNLEY A SILVER JUBILEE SCOUTER
 Robert W. Townley, Scoutmaster of Troop 13 and Cubmaster of Pack 50, Kenilworth, is this year, with the Boy Scouts of America, celebrating his 25th anniversary of service in that movement. He was a member of the first patrol of Scouts organized in Wisconsin which became known as Troop 1 of Milwaukee. Before the year 1910 was completed he became Scoutmaster of that troop and has had continuous service ever since. His record of attendance at meetings during that 25 years is remarkable for he has missed less meetings than the num-

Highland Parkers
Wake Up! Wake Up!

For about thirty days, an intensive campaign has been conducted by a local Committee, explaining and emphasizing the opportunities offered by the Federal Housing Act, to residents of Highland Park for repairing, improving and modernizing their homes.

The response has been disappointing. Unlike neighboring cities, Highland Park is not taking advantage of the unusual opportunity offered, but it is not too late. If your home is in need of repairs, improvements, or an extension, you should ask us for the folder, "14 Answers to Questions About Modernization Credits." Do it today.
