

OVER 2000 VISITORS EXPECTED IN H. P.

Two Church Conventions on Schedule Here During March and April

The Bethany Evangelical church will be host to two large conventions in the near future. The first will take place on Saturday, March 30 at which time 200 to 300 men from Milwaukee and Chicago will gather here in a Brotherhood convention. About 100 men will be here for the opening session at 10 a.m. and for the luncheon. The larger group will be present for the afternoon, the dinner and evening meeting. Bishop G. E. Epp of Cleveland, Ohio, will be one of the principal speakers. All men of the local community are invited.

The second convention to take place April 23 to April 28. Between 200 and 225 delegates will be present for the six days. The Bethlehem Evangelical church of Deerfield is co-operating with Bethany in the entertainment of these delegates. The housing committee has been active for the past two weeks and has succeeded in providing places for all but about 30. A number of people have as yet not reported to the committee, but it is generally believed by those who are in charge that a sufficient number of friends in the community will offer to take two delegates into their home, at least no difficulty is anticipated in providing for all who come. All delegates will receive their dinner and lunch in the church dining rooms, which will be prepared by the ladies of the Bethany and Bethlehem churches, breakfast will be provided in the homes of the hosts.

Bishop G. E. Epp, will preside over the conference and will direct all of the spiritual and business activities. He with the district superintendents will station all of the ministers of the conference. Their appointments will be read at the Sunday afternoon meeting. A large number of general church officials will come to Highland Park to address the conference group. The evening sessions will be of an inspirational type and will be of interest to the public. The Sunday afternoon service will doubtless draw the largest attendance. From the experiences of past years it is estimated that Highland Park will have from one to two thousand visitors gathering for the conference on that day.

Brotherhood Holds Meeting Tonight

Mr. Van Anroy, a member of the meter department of the Public Service company, will tell of his hunting experiences in Central Mexico on Thursday evening (tonight) at a meeting of the Brotherhood in the Bethlehem Evangelical church in Deerfield. He will be introduced by Harold Giss.

Deerfield Local and Personal

Mr. and Mrs. Milton Sturtevant announce the marriage of their daughter, Lois, to Robt. Bleimel, son of Mr. and Mrs. E. D. Bleimel on August 6, 1934, in Waukegan. David Petersen was their only attendant. Mr. and Mrs. Bleimel are living with his parents at present.

Mr. and Mrs. Lewis Beckman are moving to Prairie View, where Mr. Beckman is employed at the Oakton Stock farm. They have rented their bungalow to Mr. and Mrs. Clarence Bonn and the small cottage to Mr. and Mrs. Alfred Soefker.

Mrs. Robert Jordan's parents, Mr. and Mrs. Hill of Bloomington, Ill., are visiting at the E. B. Jordan home. Mrs. Hill is caring for her small grandson, Jerry Jordan, while her daughter is in the Highland Park hospital. The Robert Jordans have named their new daughter, Liana Lura. She arrived Feb. 17. Their son Jerry will celebrate his first birthday anniversary on Monday, March 4.

Emert Wessling and Ray Waters of Lakewood, Ohio, spent the weekend at the Roscoe Wessling home. On Saturday evening the Wesslings entertained the Edgar Wessling family from Northbrook, at dinner, in honor of their Ohio guests.

Dr. and Mrs. Rodney Gordon of Sturgeon Bay, Wis., visited at the Fred Meyer home on Thursday. Dr. Gordon had attended the dental convention in Chicago. The Harry Clavey house on Forest avenue has been rented.

WE ARE CO-OPERATING

EMPLOYMENT OFFICE MEN FOR MANY JOBS

The Illinois State Employment Service located at 549 Central avenue has registered 543 men and 39 women since it opened February 6. The office is now in a position to supply workers for almost any type of position.

When an applicant registers for work at the employment office a card is filled out giving his age, description, physical condition and complete work history. This card is then classified both industrially and occupationally.

The card is filed under the occupation for which the applicant's past experience shows him to be best qualified for. This makes it possible to refer only qualified workers to positions open.

To be successful an employment office must have the co-operation of every employer in the community. Mr. Sheahan, the manager of Highland Park's new employment office urges everyone needing workers to get in touch with his office, regardless of the length or kind of position open.

The office has available workers for domestic, building trades, office, store, factory or professional employment. Calling on the employment office when you need help will assure getting the best qualified person available for the job. No charges of any kind are made to either the employer or the worker and the office welcomes the opportunity to be of service to the community.

Picchiotti Takes Two from Coleman Bowlers

With Tom Peters leading the attack, Picchiotti Brothers won three games from Colemans. Johnson had high series for the losers.

The Mutual Coals held onto second place by defeating the Highland Park Press two games. "Nig" Allen with 596 was high for the Coal boys while Scully and Hoppe lead the losers with 560-555.

The Legionnaires were forced to the limit before they took the odd game from the H. P. Decorating Co. John Nizzi's 557 lead the Legion's total of 2628 while Ish Glader's 564 was high for the loser's total of 2595.

Duffy & Duffy Cleaners broke the Sunset Cafe winning streak when they won the first game of the series. The Cafe Boys won the odd game.

Local Dance Team On Euterpe Program

The Euterpe Mandolinistic Club concert to be given at the Deerfield Shields auditorium Sunday evening, March 31, 8 o'clock, promises to be one of the outstanding musical events of the season.

Under the direction of Dario C. Bonetti the thirty-five amateur musicians are sure to put on an interesting program.

Scintillating tunes characteristic of Havana, Italy, Spain, Hawaii and America will be interpreted vocally and instrumentally.

An interesting composition by Amedeo Amedei which was awarded a gold medal by Her Majesty, the Queen of Italy, entitled "Suite Marenesca" in four movements describing the language of the sea is one of the most beautiful selections on the program. The four movements are:

La Serenata delle Naiadi (serenade of the Nymphs).
La Danza delle Ondine (Dance of the Wavelets).
Canto delle Sirene (Chant of the Mermaids).

La Fuga dei Tritoni (The Flight of the Gods of the Sea).
Bruna Cucchi; soprano; Enea Picchiotti, tenor; Harry Thompson's trio will render the vocal selections.

Dance interpretations will be rendered by Margaret Malpelli and Emil P. Pietrobelli. Their part of the program includes a tango, hesitation waltz, and a gypsy dance.

William Salyards is chairman of this season's program. He has made possible, with his crew, of the amplifying system which the club is installing this year.

Chairman of the ticket committee is Dante Bonetti.

The program advertising is in the hands of Lucile Marinelle, Rubin Olson and Rocco Stella.

Tickets are now on sale for this event and are available from any of the club members.

Modern Conveniences Gain Wider Use

Records for the year 1934 which have just been released by the American Gas association reveal several rather surprising facts. Despite the physical limitations which have always retarded the introduction of city conveniences in rural and sparsely populated districts, gas service has advanced until it is now available in the homes of approximately 80,000,000 people in this country. Over sixty per cent of these people use manufactured gas; natural gas is supplied to the remainder.

The total sum of money invested in plants, distribution lines, and facilities for giving this country gas service at the end of 1934 amounted to almost five billion dollars. Merchants accustomed to expecting a stock turnover two to four times a year might find it astonishing to learn that the gross receipts for the year were equivalent to a turnover of only once in 6 3/4 years.

During the year, national gas consumption increased about twelve percent; gross receipts, however, increased only three percent. A part of this divergence is credited to greatly increased use of gas for house heating. 70 per cent of this heating load is concentrated in three months of the year and it comes under the lowest steps in the rate schedule.

Keeping Messrs. Rack and Ruin far, far away!

NOBODY would buy a fine house and never spend a nickel keeping it in good shape. But many a man will wear a fine suit until it no longer does justice to the investment made in it.

Why not get full value out of the money you spend on clothing? The suit which makes frequent journeys to our dry cleaning plant always looks like at least as much as you paid for it and probably a bit more.

You buy good appearance by patronizing your clothier—you keep good appearance by patronizing us.

WASH DAY EASE

\$2 DOWN
69c a week

Features of the Conlon Ironer

- Iron while comfortably seated
- Irons everything easily
- Roller remains stationary for pressing
- Fingertip control
- Knee control leaves hands free
- White porcelain finish

NEW LOW PRICE TWO SPEEDS—SAVES TIME

CONLON Automatic Ironer
New liberal purchase terms to lighten your laundry burdens

NOW it is easier than ever before to iron a week's wash efficiently, economically. You can own a Conlon Automatic Ironer for as little as \$2 down—the balance for as low as 69c a week, on your monthly Electric Service bill.

Ask to have the Conlon demonstrated to you. You'll see how easy it is to iron everything in the wash—flat pieces, blouses, ruffled curtains, dainty frocks—easily, perfectly, quickly. Your nearest Public Service Store will gladly show you a Conlon Ironer.

To cover interest and other costs, a somewhat higher price is charged for appliances sold on deferred payments. To the price quoted in our advertisements, and marked on our merchandise, substantially 25% is to be added on account of additional tax expense.
