(Continued from Page 1)

counting from time to time. As a member of the board of auditors, he audits and verifies his own records. There is no check-up upon these operations by a higher authority.

W. W. Steele, 1563 De Tamble avenue, candidate for supervisor at the April election, is a man who meets the requirements for this responsible office. He is now serving as assistant supervisor. Born in Highland Park in 1880, he has been a resident of this township for over 50 years, a property owner and tax payer since 1902. Mr. Steele has been in business for himself as a mason contractor since 1920, and is well qualified for this office.

Running as assistant supervisor on the same ticket with W. W. Steele are William Witten and Emmett Moroney. Both of these men were originally candidates for supervisor, for which office both are amply fitted, but submerged their personal interests in behalf of harmony and the best interests of the community.

William Witten 358 Central ave. born in Chicago in 1863, has been a land owner and taxpayer in this community for the past 42 years. Until his retirement a few years ago, he was the sole owner of the Highland Park Decorating Company. He was road commissioner for nine years, during which period the first crushed stone road was laid between Highland Park and Deerfield. Throughout his career, he has been active in civic affairs of Highland Park.

Emmett Moroney 137 S. Green-bay road was born in Highland Park in 1896 and was graduated from the Deerfield Shields Township High School in 1915. He is a World War veteran, a member of the American Legion, and is now associated with the New York Life Insurance Company.

The Platform upon which these three candidates are running will establish a new efficiency record for this important office.

The platform:

1. Maintenance of accurate and complete books of account.
  2. Auditing of records by reputable certified public accountants.
  3. Supplying town board with all information needed to pass intelligently on bills and claims submitted.
  4. Assistant supervisors will be consulted in all matters of importance.
  5. No payment of bills, salaries, claims or expenses until approved by town board.
  6. No claims for compensation or expenses not allowed by law.
  7. Provide relief from town funds to all those who have a right to it. The employment of a trained case worker to perform this work competently and sympathetically.
  8. The requirement of affidavits and proof that the law prescribes, before giving relief.
  9. Fulfillment of all responsibilities of the office to the satisfaction of the community.
- Because the office of supervisor directly affects the interests of all citizens of the community, every effort should be made to see that candidates with the proper qualifications are elected to this office. Insure men of your choice by voting April 2.

### Packards Undergo Severe Driving Test

After 25,000 miles of driving over the worst roads and under the most difficult motoring conditions that could be found in America, three Packards returned to Detroit last week. They were new. One Twenty Packards sent out on what is declared to have been one of the most trying test runs ever undertaken.

In the vicinity of Indio, Calif., conditions were found to be just right to subject each car to sand storms so bad that at times face masks had to be worn by the drivers. Almost day and night the cars were driven across the desert, roads being forgotten for the practically trackless sands.

With all of the desert and sand driving, brakemen were adjusted but one and no other mechanical work was required. The trip was a part of what has been declared to be the most severe testing programs ever carried out with a new motor car. It was in addition to the months of day and night test driving done with the One Twenty at Packard proving grounds.

George H. Koon Motor Sales is the local Packard dealer.

### Bannockburn Club Hear Garden Talk

Mrs. R. D. Farmer was hostess to members of the Bannockburn Garden Club at its March meeting last Monday afternoon. Beautiful slides of North Shore gardens and an instructive lecture on the care of California poppies and peonies were given by Mr. Steiner, landscape gardener of the Pfund Nursery in Lombard.

Mrs. Raymond Watts will give the last of her series of interesting talks at the Bannockburn School on Monday at 2:30 p.m., for the Junior Club. These talks are sponsored by the Bannockburn Garden Club.

### Highwood Scouts To Receive Awards

Paul Muzik, commissioner of the Highwood district, has extended the invitation to all citizens of Highwood to attend and witness the all-Highwood Boy Scout Court of Honor to be held Monday, March 18. At that court of honor about 90 Highwood Scouts will be awarded badges for achievement in the Scout program. A number of the Scouts and Scout leaders will be presented with their five-year veteran pins and certificates. The court of honor is for Scouts from Troops 36 and 37.

Troop 36, meeting regularly on Friday nights at St. James School, is under the leadership of Marshall Williams, scoutmaster, and Troop 37 meets with Scoutmaster Lloyd Moon at the Oak Terrace School on the same night.

Commissioner Muzik heartily urges all Scout parents and friends to witness this event which is an important one on the high school Scout calendar.

### Local Singers Given Opportunity To Join Winnetka Society

The Winnetka Choral Society invites Highland Park songsters to come to the Winnetka Community House every Tuesday evening from 8 until 9:30 o'clock for a music fest under the direction of Lawrence Yingling.

Membership is open to all singers who like choral music, and who wish to become better acquainted with choral repertoire. Those who enter within the next two weeks may sing in the Spring concert, which is to be given on May 20 in the Skokie school auditorium in Winnetka. The society is preparing groups of motets, madrigals, Bach chorales, modern and folk songs.

New members are invited to come any Tuesday evening, and if they do not wish to take part in the singing immediately they may sit out and listen. If they wish to join, they need only to apply to Mr. Yingling, or to Mrs. Herbert Sieck, the secretary of the society and chairman of the music committee. Those with any choral experience must present their qualifications, while members not experienced are given a short and simple test. About a third of the members have had choral experience in college glee clubs, church choirs, the Northwestern University Glee Club, the Chicago Bach chorus, the Schubert Singers of Grand Rapids, the Apollo Club, and the North Shore Music Festival chorus. Since the North Shore Music Festival chorus was abandoned, the Winnetka society is the only group of its kind on the North Shore.

### Legionnaires Attend Meeting In Indiana

On Sunday, March 10, Legionnaires C. C. Kapschull and Wm. Cruickshank of Deerfield joined five hundred other members of the Past Commander's Club of the American Legion at Chicago in making a pilgrimage to the Legion's national headquarters at Indianapolis, Ind. A special train equipped with every comfort and convenience, furnished by the Mason Railroad, made the trip most enjoyable. Upon arrival at Indianapolis the group was met by the Indianapolis Ladies Drum and Bugle Corps and escorted immediately to the World War Memorial building, then through the beautiful plaza to the national headquarters of the American Legion. There functions of each department were explained by the various department heads who were on duty for the day.

The group was then escorted to the Athletic Club, there to be guests of Gov. Paul McNutt of Indiana, past national commander of the American Legion. After a short informal visit with the governor refreshments were served.

The trip was reported to be unusually delightful as well as educational.

### D. M. Yates Retires from Marshall Fields

Hundreds of employees of the retail store of Marshall Field & Company went to the ninth floor manager's office last Tuesday, to bid affectionate good-bye to David M. Yates, first vice-president of the company and general manager of the retail store, who is retiring after 48 years of service. His resignation was accepted at the directors' meeting on Tuesday but though he leaves his duties as an executive of the business, he will retain his substantial stock interest and will be re-elected as a director of the corporation.

### Citizens Ticket Is Filed In Deerfield

The Citizen's ticket has been filed for the Deerfield Village election to be held on Tuesday, April 16, with a complete ticket as follows:

For mayor—Harry E. Wing.  
For trustees—(six to be elected)—George J. Page, Ralph S. Peterson, Marshall A. Pottenger, Carleton S. Scribner, Christian M. Willman, Monroe H. McKillip.  
For clerk—Chester Weasling.  
For police magistrate—William A. Bickford.

This is the same board which has served the village so faithfully the past two years, with the addition of Mr. McKillip to fill Mr. Wing's place as trustee. Mr. Wing is candidate for mayor in Harry Clavey's place. Tuesday evening was the deadline for filing petitions.

### Deerfield Men To Hear Charles Postl

A meeting of the Men's Fellowship Forum will be held tomorrow evening, March 15, at 6:30 o'clock, beginning with a dinner, at the Deerfield Presbyterian Church. Charles Postl of the Postl Health Club of Chicago will be the guest speaker.

Mr. Postl is an outstanding authority on conditioning men. His very popular address will be of quite unusual value in helping men to keep fit. A special feature of this meeting will be the solos by Mr. Thompson of Highland Park. There will also be popular songs by the men.

The friends of the men of the Fellowship are invited.

### Deerfield Autoists Muse Secure Tags

Deerfield automobile owners must procure their licenses before April 1 or they will be liable for arrest. They must have both state and vehicle licenses. Chief of Police Percy McLaughlin has been instructed by the village board to make arrests after that date.

### Y. W. C. A. NEWS NOTES

The four adult clubs, Mothers, Friendship, B.Y.'s and Pi Delta clubs are having a supper meeting at the Y.W.C.A. tonight to hear Miss Dorothy Burger, a 22 year old Y. W. C. A. business girl, of Chicago. The business girls of Highland Park shared in the expenses with other business girls clubs of this Metropolitan area in sending Miss Burger as a delegate to Washington, D.C., to attend the "Cause and Cure of War Conference" held in January.

Miss Burger will give a report of this conference. A colored quartette will sing and the colored director will lead the group in singing negro spirituals. The program promises one of real interest and a rare treat.

This meeting is open to the public, but reservations should be made for the supper which is to be served.

### American Gardener's Dance

Under the auspices of the American Gardener's association, a St. Patrick's day dance will be held at the Airport Tavern in Glenview on Saturday evening, March 16.

Music will be furnished by a five piece orchestra. The public is invited to attend.

### Highland Park Social Service

In another month Highland Park Social Service will have completed another fiscal year. This organization started in the fall of 1930, expecting to act as a clearing house for relief and aid in Highland Park during the winter of 1930-31.

Little was known then of the length of time it would be needed or the many forms of service it would perform. In April 1931 it was voted to carry on the organization and now in the spring of 1935 the directors can look back upon four and one-half years of definite constructive social service work in this community.

Its activities as seen by the public have changed with the changing needs. This organization was a pioneer in the field of work relief, having an organized plan and carrying it out two years before it was heard of as a federal state policy.

When the I.E.R.C. changed its ruling and ceased to allocate money to township supervisors, relief organizations were sought as a medium for dispersing relief. The work and records of this committee were investigated and the officers were then asked if they were willing to assume the distribution of state relief in this township. The Federal Government ruled that after July 1, 1933 no private organization could be allocated federal funds. The staff of workers as then employed by the state commission and continued operations directly under the state.

In the spring of 1934 a ruling was made by the executive committee of the I.E.R.C. that county work must be centralized in one office and all state relief must be allocated to the needy of that county from that one office. This meant such a loss to this township in personal service that it was decided that the Highland Park Social Service was needed more than ever.

A plan was worked out to carry on, doing only the things the state could not do. Two rooms of our headquarters in the old city hall building are loaned to the I.E.R.C. for contacts between visitors and clients, surplus food is dispensed from the old jail in the rear, the state employment agency is loaned two rooms of the building; thus Social Service is relieved of fuel overhead, and constructive cooperation can be maintained in the giving of state and private aid and any duplications avoided.

While the drive last fall did not bring the amount necessary for our budget, we found that the donations were more willingly and understandingly given. Friends continue to remember our work and with the co-operation of individuals and organizations that know the need we are assured of carrying on until fall. From time to time we make special pleas for certain items.

- This Week's Needs Are—
1. A Boy Scout suit for a boy we are much interested in. Knickers size 16, shirt size 14, socks for boy wearing size 6 shoe, necktie and slide. Send suit or money toward one to Boy Scout office, 21 N. Sheridan road. Mark it—for the boy from Social Service.
  - The boy's mother is a widow and can not make the purchase. The boy himself has well earned the encouragement a suit will give him.
  2. Baby blankets or goods to make

them. We have great need for all baby things.

3. Bed sheets to be used in illness. During this depression, households have been depleted in their stock of former necessities. Many homes are without sheets. They must have these in homes where there is illness.

4. Shoes for a man—either size 7½A or 8BB.
